We are pleased to have had such an outstanding turnout and participation on this call.

Thank you to those of you investing in your future to transform the world.

As explained on the call, Nassim has launched a new company called the International Space Federation (ISF - links below), humanity's first space exploration organization based on the development of gravity control using quantum vacuum energy as the power source, aka, zero-point energy (ZPE), the fundamental force driving the nature of our reality.

On the call, Nassim and his team discussed the science and technology for the future of physics and dove deep into leading subjects in today's science news. We received excellent questions by many of you and will respond to those questions in future follow-up materials, so please stay tuned over the next few months.

We will provide links to the recorded video for those that missed it, so be sure to keep an eye out for Spacefed.com follow-up emails.

In a recent interview, Nassim spoke granularly about zero-point energy as the basis of quantum mechanics and hence, the fundamental nature of our reality. To understand the nature of our reality and to utilize its infinite energy source, there is a need to understand the origins of mass and the nature of gravity.

If at the base of all existence is an infinite source of energy running our reality, wouldn't you like to know more about that? Take a deeper dive with us to understand the mechanics for how the universe works. Advance your knowledge of Quantum Reality.

This is the first step to transforming your future. Invest in Yourself.

Pele Reports August 9, 2023 Astrology Forecast

https://www.youtube.com/watch?v=PzggfH45QE4&ab_channel=NewParadigmAstrology

My real work while here on earth,
Is not only to express all that I am.
But to allow and accept, aye, even support,
Those others I just can't understand.

Hola New Paradigmers!

Let’s get together LIVE! Join me in [Spain, the Bahamas, Florida, Bali](#), or points beyond in the months ahead. Blending astrology with other spiritual disciplines, I present several retreats that can be big game changers if you’re ready, willing, and able to make that breakthrough. I hope to see you! Check out what’s happening and [register today!](#)

How was that Lion’s for you yesterday? Feel some powerful energy come through? I hope so! As usual, I write a few things in the notes below that I forgot to mention in the report (they are down below the mantra in this newsletter), and then I come to this point and have another opportunity to share other thoughts/feelings that have percolated through the process.

But what comes up, for now, is what I mentioned in the report. **I’ve witnessed a rise in loneliness, isolation, alienation, and sadness with so many single folks.** On top of that, I will say that I have also been seeing an increase in the number of couples breaking up. However, and this is always the case as no one size fits all, some folks are deepening, enjoying, and growing their relationship(s), as well as others are beginning new ones.

What’s their secret? **I think the secret lies in what I discussed regarding the unconventional, sometimes called “whacky” Uranian energy going around these days** and some people having an easier time “chancing it,” gambling, experimenting, and being willing to jump into the game “win or lose.” So even long-term couples are staying long-term because they’re risking the “unpleasant conversation,” using radical honesty, and keeping their hearts open even when under fire. Good on ya!

My real work while here on earth,
 Is not only to express all that I am.
 But to allow and accept, aye, even support,
 Those others I just can’t understand.

As the thumbnail and closing demonstrate, **“We’re all just chickens here!” Let’s face it. This is a crazy planet with a lot of crazy people.** Everybody’s wounded after lifetimes of madness,

and the madness shows no sign of going away. And yet, this is where we find ourselves on a soul journey toward an enlightened state which includes a loving, open heart. So whatcha gonna do?

Well, the astrology of this month suggests that you let not only yourself but also others off the hook. Now don't get me wrong. I'm not saying to lay down, be silent, get run over, or be thrown under the bus without resistance. "Support" is a big word that also includes calling a spade a spade, giving feedback, speaking your needs and your truth to someone who needs clarification, and confrontation when boundaries are not honored.

So much lies in the means more than an end and the manner and intention behind words spoken and actions taken. **Gentleness is a keyword here, along with calm, possibly stern, but smooth and soft would be nicer!** One day we shall live in peace and harmony, and each day we practice loving, gentle kindness, we'll be one day closer to getting there. Don't forget to start with yourself!

And here I can practice what I preach, as I have loved and played Neil Young songs for years. Indeed, Down By the River was the first song I learned on the guitar. Loved him. Then he comes out and wants to censor Joe Rogan on Spotify! What a jaw-dropper! What to do? Cancel him and never listen to him again? No, I'm going to accept that he is wounded in some way and unable to "see the light" of what's really going on, and still suggest his song for this week... [Only Love Can Break Your Heart](#)

https://www.youtube.com/watch?v=hoG-2PFhpfM&ab_channel=TaniaGabrielle

On August 16 an extraordinary **New Moon in Leo** activates a profound LEO-LION code!

- This New Moon has the Sun and Moon at **23° Leo**, which is quite extraordinary, since **23 is the Royal Star of the LION number.**
- Sun and Moon will be square to Uranus – ALSO at **23** degrees.
- Since it is **2023** – another **23** is introduced into the code!
- Furthermore, **MARS** will be at **23°** moments after the Leo New Moon, creating a Gorgeous TRINE to **23° Uranus!!**

Wow!

That makes **5** – **23**'s. And 23 reduces to **5** ($23 = 2+3 = 5$) – making it **five 5's!**

Along with the courage, leadership and confidence of 23, **5 adds adventure, freedom, exploration, quick decisions, excitement.**

As it happens, the sign of Leo also rules the **5th House** in Astrology...

Love – Leo rules the **heart** in astrology.

Light – Leo's ruling planet is the **SUN** – a Star!

So the full message of the Leo New Moon is:

- *Awaken to the LOVE and LIGHT that you ARE.*

Sun and Moon are conjunct **Venus** activating a *lovely, happy, effortless, pleasurable and abundant energy.*

You feel free to generously share your heart.

With the square from the New Moon to **Uranus** and the August **16** date, there is also *unpredictable energy.*

Meditate, get grounded, exercise, get extra rest and know that everything is going to move pretty quickly.

With this code your intuition, your hunches are your best guidance.

Of course, this is all part of the ongoing magnificent awakening – destined in the stars – and covered in-depth in the FREE online webinar, "How To Master Your Stars: The Truth About Taking Your Power Back."

Apply the star code wisdom right away and **experience what it means to step into the Lion frequency with Courage, Passion and LOVE!**

Higher Perspectives on the Maui Wildfires - but really much of this video is applicable to anywhere where fires are burning.. Why Maui or anywhere else...?

Looking at the relationship with fire and our own emotional field - individual and collective. Importance of raising frequency to negate any potential external manipulation involved - are we helpless victims or sovereign beings with power - YOUR choice is crucial.

Examples of imbalanced yang fire energy - [14:30](#)

Feral gangs and lawlessness, and how we either contribute to the 'funeral pyre' or dismantle it via the wood (actions / thoughts, speech) - how we can start 'fires' without even realising..

Nations and people to learn from - many, but here we focus on Hawaiians and The Japanese.

The Banyan tree - and its teaching - it WILL survive.

Channelled Messages from the 4 elements of Air, Fire, Earth and Water, as well as channelled messages from Mother Earth and a plea for us to stop the arguing over her - as 'Mother', she is caught in the middle of our hostilities towards each other regards cause / effect of what is happening on Earth.

Also how we dismantle any power over us or anything done to us. Importance of community and Moana referenced (Disney Film) at [23:12](#)

The Archangels and how they DO always help even when you think they are not present. Altars and grids - as a sidenote after filming this I hear the church survived the fire and is one of only a few buildings left in Lahaina.

Sending love to all affected and strength for the future. Please share this video widely.
