August 16 - August 19, 2021**

**August 19, 2021**

**To our readers: Rama's White Knights Report**, for the most part, will present information from Rama's contacts on very current events. Sometimes, additional commentary may show up, in the form of more explanation about an important issue, or as an article inserted to provide more insight on the subject being discussed.

**2021-08-16 Monday Dalai Lama**

**[Dalai Lama@DalaiLama](mailto:DalaiLama@DalaiLama) · Aug 16**

Peace in the world depends on peace within. If we have that we'll approach problems in a spirit of dialogue, compassion and respect for the rights of others –always a better solution than resorting to a use of weapons and force. External disarmament depends on inner disarmament.

**2021-08-16 Monday Rana Mu**

**Rama:** I went to see **Rana Mu** this morning at 11:10 am. She said to me: "Lord Rama, get on this bio bed and I will show you the universe."

So I got on the bio bed and the room entirely changed in an instant I was lying horizontally on the bio bed yet everything else in the room changed. I found myself in outer space orbiting around our sun Sol, along with all the other planets doing the same.

Then Rana Mu broke the silence and said: "See that cloud of gold dust, mono-atomic gold coming out of the sun?"

She continued: "Lord Rama. That gold dust is coming to earth and it is changing physical space / time and matter. This is a special dispensation from our sun, Sol."

And I saw the gold dust coming to earth with the solar flares, and then I saw the gold dust sprinkling into the atmosphere.

Then I found myself back in the room, and she was working on my shoulder, with magenta-gold- and platinum lasers going into my shoulder, and I could see the stem cells getting activated and having orgasms! It was about the light coming in and lifting everything up.

Sat Nam! Namaste! Blaze the Violet Fire!

**2021-08-17 Tuesday Abby Martin; Tom the Ring-tailed Cat**

**Rama:** I received a **text message from Abby Martin** again today, at high noon. She said to me: "Lord Rama, here is a video tape about Afghanistan from the beginning, since 9/11. This video is about a man who has been there since 9/11. He's seen this empire come and destroy Afghanistan."

On another note, I **texted Tom the Ring-tailed Cat** and asked him "Do fairies have human DNA? "

Tom responded: "Fairies have part angelic DNA and part human DNA, and some fairies have part ET DNA and part angelic DNA.

**NOTE:** Rama added: I remember in the story of Avalon; Igraine, Arthur's mother, was a fairy, the kind that was part angelic and part human.

Also, I **asked Tom the Cat about the "vaccine" that is not a vaccine.**

Tom said, "Lord Rama, in no way shape or form can we condone getting the jab. It is not a vaccine. Rather, it is an artificial intelligence, combined with being a biological operating system that is intentionally connected to the matrix; in other words, the matrix is now called The Global Smart Grid which already has 5G in it, and in China, there is 6G in it as well.

"Elon Musk is working with various corporations creating this Global Smart Grid, which also has another name: 'The Internet of Things'. For instance, you step out of your hotel in China, and you say "Taxi" into the air, and a taxi shows up right in front of you! There could be a human in the taxi who, whether he/she speaks your language or not, has access to a universal translator. Or it could be a driverless car which, through a voice operating system within the car itself, will communicate with you and take you where you wish to go.

"Some of this technology very well could already be operating on a test basis in China or South Korea or Japan. This is not far in the future. Sat Nam. Namaste. Blaze the Violet Fire!"

**Wednesday**

**King of Swords**

**Rama:** At 11:30 this morning, I received a **text message from the King of Swords.** He said to me, "Lord Rama. Tell the story about the space fence which is a global geo-magnetic field that we could call The Smart Grid. It is hooked up to thousands of satellites orbiting our planet. This Smart Grid has been partially operational for the last 2 years,

"This is Elon Musk's idea of creating a global network which will eventually also be part of the Internet of Things. The present so-called vaccine which is not a vaccine is - as we said yesterday - **an operating system to hook you up to the Smart Grid.**"

Then the KOS said, "Lord Rama, most of the doctors in the United States have been compromised; some have broken free from this matrix, yet we repeat: MOST HAVE NOT!

"The net quotient right now is that the vast majority of the people do not really understand what this vaccine project is REALLY all about. It is about **total mind control . . .** yet there is a fail safe mechanism of the Light of God/Goddess/All That is, the strength of which is ever increasing."

Then the King of Swords said, "Lord Rama, the particles you saw as you were getting a healing from Rana Mu - those particles are transmuting this dark Borg grid. Blaze the Violet Fire! Sat Nam! Namaste! Blaze the Violet Fire!

**Additional note from KOS:** "As we can tune in and see ourselves completely enveloped in the light of the sun, those particles, that light, transmutes All That Is from the old paradigm matrix, and it infuses [that old paradigm matrix with] White Fire Core of Being.

"And again, BLAZE THE VIOLET FIRE! NO TURNING BACK! WE ARE THE ONES WE'VE BEEN WAITING FOR. So mote it be! Sat Nam! Namaste! Blaze the Violet Fire!"

Thursday

A Jedi Council: Lady Nada, Rosa From Palestine, Lama Tosogu

**Rama:** I **created a Jedi Council** in a meadow up on the back side of the mountain, almost at the top of the ski valley. It was 12:15, early this afternoon.

First **Lady Nada** showed up from the Wesak Valley, along with **Rosa from Palestine**, and then along came a very high, venerable lama, close to his Holiness, The Dalai Lama. His name is **Lama Tosogu**; he's from somewhere between the Wesak Valley and Tibet.

They all said to me: "Lord Rama. The jab is not a vaccine. It is a bio-weapon of the dark side. **DO NOT GET IT. It hooks you up to simulation mind control program.**"

Then Nada said: "This jab represents exactly the opposite of what the Hopi prophecy speaks of. Our Lady of Guadalupe shown crushing the head of the serpent upon the earth, speaks to what the jab is: she called it the abomination of desolation."

Nada continued: "You do not want to do that to your body. What is happening now after 8-8 Lions Gate is that the mono-atomic gold AU1 is coming in from the sun in extra-ordinarily copious amounts; through our open 3<sup>rd</sup> eyes, we can see it. As I were to describe it as I see it through my 3<sup>rd</sup> eye, I see showers of gold glitter landing on everyone and everything on the surface of Mother Gaia."

Lady Nada continued: "Lord Rama, on all of these radio shows, every Thursday, Friday and Saturday of every week, **we do not in any way, shape or form, condone getting the vaccine which is not a vaccine or promoting it – EVER!**

"Doing so does not align with the principles of what NESARA LAW brings which is Freedom from the Matrix. Another way of saying 'freeing us from the matrix', is saying exposing the facts about the bio-medical system being based in a bunch of lies, and the military- industrial - congressional - media complex also being based in lies – such as: killing for profit; media communicating only corrupt corporatist propaganda; congress and the party system also covering up the fact that the United States is a corporation AND NOT A COUNTRY!

"What NESARA Law is, is living in Sat Yuga which is completely outside of the old paradigm. It is a living document, teaching us how to be in Divine Government. So Mote it be. Sat Nam Namaste. Blaze the Violet Fire!

"All we are saying is give peace a chance! "

**Tara:** As Eli through Mother said on Tuesday, August 17<sup>th</sup>, there are ways of correcting the course. As someone is learning and has already taken the vaccine, this is good news. Good news.
