Compassion and love are not a luxury; they are essential to our existence. Without a sense of caring, there can be no sense of community. We must learn to work not just for our own self, family, or nation, but for the benefit of all humankind.

Tom the Cat, Sweet Angelique The Cat, Larry Curly Mo

Rama: I went and created a Jedi Council at 11:45 am, late this morning. **Tom the Ringtailed Cat, Sweet Angelique the Cat, and Larry, Curly and Mo** showed up in the circle. They all said to me, "Lord Rama, the sun is getting ready to send out an M or an X Class Flare that could initiate the solar flash. We are not sayin'; we are just sayin' the time is really close! This is not a scary thing. This is a GOOD THING! In a sense, we are meeting ourselves. What we mean by this is all of Life is made up of monoatomic gold and plasma. This is the Circle of Life.

"Meanwhile the dark side are racing to the bottom with their false agendas. Their own evil behaviour is taking themselves out. As we focus on peace, kindness and compassion for all life forms, we are fulfilling our Bodisatva vows. This is the main reason we are here. We are family. It's time we get over our idiosyncrasies and love each other, no matter what we look like. See you in the Light of the Most Radiant One. Sat Nam! Namaste! **Blaze the Violet Fire!**"

Saturday

Mr X

Rama: I received a text message from **Mr X** at 12:30 this afternoon. He said to me, "Lord Rama, I am in Istanbul, Turkey; I am to have words with Mr Erogan. There are many blaming him for the lack of immediate aid to the earthquake victims. The X Class flares are getting bigger. The big one – aka the Solar Flash – could happen at any time. This is not about an extinction level event. It IS ABOUT MOVING FULLY INTO THE 5TH DIMENSION. There are great things afoot. Focus on the Light and the Love coming in. This is the prescription for Mother Earth. All the kingdoms and the queendoms are here to restore Mother Gaia. The gauntlet is in our hands. See you in the Light of the Most Radiant One. Sat Nam! Namaste! **Blaze the Violet Fire!**"

Mr X

Rama: I received a text message from **Mr X** at 2:20 this afternoon. He said to me, "Lord Rama, there are monster solar flares going on right now, X Class and above. Today Purim begins; it

is a festival of the return of spring. The energies keep getting stronger each day. Pay no attention to the Talking Heads: someone who is telling the real story is Abby Martin – go listen to her podcast at www.abbymartin.com.

Tom the Cat, Sweet Angelique the Cat

Rama: I received a text message from **Tom the Cat and Sweet Angelique the Cat** at 12:19 early this afternoon. They said to me, “Lord Rama, those monster Solar Flares continue to roll in! We were at Stonehenge today; the sunrise was awesome! The dark side continues to go down very fast. [See photo below, LHS: from the Cats]

“There was a data breach from Credite Suisse. Some of the account holders are very famous, and some are infamous characters. For example: Jeffrey Epstein for one; Rupert Murdoch for another; Bill Clinton; Chuck Schumer; Bill Gates; President Putin the Fake; Donald Drumpf; John Boehner; Larry Silverstein; Michael Bloomberg; Hillary Clinton; Henry Kissinger, etc, etc, etc.”

Sweet Angelique continued: “Lady Master Ma’at is here with the Scales of Justice. The Ponzi Scheme of fiat currency is over! There are enough treasures on this planet to restore its balance. All it takes is saying this: “I believe in magic, and I believe in fairies.”

“As we open our hearts and feel with our consciousness, we can see the radiance in everyone. Happy Full Moon in Virgo! The Goddess is here! See you in the Light of the Most Radiant One! Sat Nam! Namaste! **Blaze the Violet Fire!**”

Tom the Cat, Sweet Angelique the Cat

Rama: I received a text message from **Tom the Ringtailed Cat and Sweet Angelique the Cat** – again! - at 12:21 pm this afternoon. They said to me, "Lord Rama, we are outside Paris, in an undisclosed location. There are nation-wide protests going on here. It is all about raising the retirement age.

"Meanwhile in Georgia (by Russia), the people are protesting against a law that says, in Russia, you cannot speak out against the war.***All of these events going on have to do with the increase in frequencies; as you are not having a spiritual practice in your lives, it is going to get more intense. By the way, Happy International Women's Day and Happy Birthday, Rainbird!

"As we approach the equinox, the magnetic waves from the sun are going to get more intense! Stay in the Light of the Most Radiant One! Sat Nam! Namaste! **Blaze the Violet Fire!**"

Thursday

Tom the Cat, Sweet Angelique the Cat

Rama: I received a text message from **Tom the Cat and Sweet Angelique the Cat** at 11:55 am late this morning. They said to me, "Lord Rama, there is intense gamma ray light coming in from Lord Alcyone*, the Great Central Sun in the Pleiades. This light is coming in from the Great Central sun, through Helios and Vesta, the sun behind the sun, and then to our sun, Sol, and finally to all of us here on Earth! [*Mother's Twin Flame]

"There are coronal holes opening in our sun, Sol, and there are solar dragons emerging from these coronal holes. These solar dragons are here on Mother Gaia to help all of us merge with the 5th dimensional energies, present around us right here, right now!

"The Dark Side continues to race to the bottom with fringe stories that have nothing to do with reality. As we keep our hearts open, and remain calm, we will be able to venture into the unknown of higher conscious awareness, with grace and ease. Because of the increased higher light coming in, situations on earth are being perceived in a new light by We the People and, thus, we are realizing just how powerful we truly are. As a result, many of us are deciding to network together to create peace on earth!

"See you in the Light of the Most Radiant One! Sat Nam! Namaste! **Blaze the Violet Fire!**"

2023-03-09 White-tailed Deer

Deer outside my office window while I was on the phone with Tara, preparing this report! The fourth deer, to the right, was just out of range of the camera lens.

4: Spiritual Foundations, the level just beyond 3D

Deer are the closest of all the land animals to the spirit of the dolphins, who have human souls.

PS: Rama had 20 deer around him today as well as 4 crows . . .
