R: short message from Poppy Lady

- focus on the 12-12 energies coming in and the Light coming in from Great Central Sun and the Galactic Centre
- the drama is being played out; the dark side continues to whine and moan because they lost the election
- Pay no attention to the holodeck program of the old Kali Yuga cycle the incoming light is changing everything

R asked about the vaccines: she said DON'T TAKE THE VACCINES

- yet they are playing with frequencies, energies, stories and stories the Light and Love coming in are changing lots of stuff!
- What we're watching send more love he's trying to keep his language clean! There are so many stories that are twisted and convoluted that he doesn't want to discuss
- the passion play, holodeck drama, is playing itself out; pay no attention to it
- Iran wants to return to the original Iranian nuclear plan put in place by Obama
 - Pompeo saying the only reason Iran wants this is to get rid of the economic sanctions!
 - These sanctions are about power and control; yet what is coming in is the Light of the Most Radiant One which changes things! Even though they want to use the old timeline technology things are changing
- the latest tricks of the Drumpf and co last thing they want to hear is the truth
 - all the news outlets are controlled by the Deep State:
 - Drumpf is very upset with the Supreme Court where he installed 3 ultra conservative judges they all told him to take a long walk off a short pier we're not supporting anything about undercutting the democratic way of life!
- The gal who took over for Joy Reid on Saturdays: Tiffany Cross did a good job today!
 - We're getting closer and closer to rectifying the inequality on the land

2020-01-13 THE FROZEN CALL - Ancient Nordic Chant

https://www.youtube.com/watch?v=RNjrUz1sgxQ

Jonna Jinton

This is a song I created with inspiration from the call "Into the unknown" in Frozen 2, with ancient herding-call "kulning" and the old viking instrument "Bukkehorn" which I now played for the very first time in a song (Still practicing:)

I filmed it all among the mountains of Marsfjällen, a place where a part of my heart always will be, and a place where I constantly feel drawn to the call of the wild mountains and the dancing rivers.

Sit back, relax, and let the call wake up your inner fire, your power and your soul.

I hope you will enjoy my piece of music! Let me know what you think of it!

THANK YOU FOR WATCHING ♥

T: talks of the time they got married, and where they went: to the top of Hesperus Mtn where there is a body of water with no bottom – which is an entrance into to the Inner Earth

AUDIO: 2020-12-08 Monoliths! Galactics, Bowie, Future Humans Amanda Ellis

https://www.youtube.com/watch?v=Tt2HEBBtSsg

Part 1 - more to come on this ...Interweaving 'MeatSuit' (ie human) vs Galactic explanations for the Monoliths. It matters far less who made them and MUCH MORE what they symbolize, and that is open to interpretation. Bringing in Commander Ashtar who opens our eyes to many ways to view them!

Monoliths as 'The New Crop Circles' . . . although CC's will continue, Girders for New Earth, The Shard, Pyramids too.

Also looking at Shape shifting, Powers of Manifestation to change anything eg glass to fire, The New Human in years to come - evolutionary leap is as big as from Neanderthal man to now - 'Formism' (you heard it here first!), a look at our future selves. Sleeper Cells (Galactic).

David Bowie pops in and reminds us we are only 1/10th Human!

Heads Up Warning - I am shown and feel the pain at the heart of humanity, I took one for the team lol - it is uncomfortable viewing but I have not edited it out as believe we need to see how acidic and shadow trapped much of humanity has become.

To break out of the self-imposed human box WE have placed ourselves in requires us to EVOLVE. WE WILL but to heal it you have to feel it. Interested in exploring also more on John McCracken's name - an artist who has passed but I feel has a message for us at some point tied into all this - his works were similar to the Monolithic shapes we are seeing now.

I also left hanging that these Monoliths are tied in to the 21st December - Return to the Light energy (as I was in pain and couldn't focus) but the reference to counting sheep (helicopter was doing that when first one was spotted) is a nod to coming Christ Consciousness (an energy - NOT the 2nd coming!). I will explore this more in my Solstice video the nearer we get to that day...

I am also NOT ruling out that some are manifested via non Earthbound Beings - this is a rolling story I hear Metatron and Ashtar say so welcome to Part 1....

ASTROLOGY RICHARD [RI]

Astrological Conditions:

- New moon eclipse, exact on Monday we're in the zone! It's in Sag, the energy of higher learning & comprehension – a larger in meaning word
- He's been feeling the massive energy this week too swing between upliftment, and then a bit moody, sad. A new beginning – and as we all do that, be aware of being IN BALANCE – until Mars gets past Uranus!

Creation is explosive,
As the future and past collide.
I remain centered in love,
Witnessing life from all sides.

Hola Co-Creators!

I hope that life is going well for you during this holiday eclipse season! Having finished and uploaded the Pele Report, it occurs to me that I largely discussed the eclipse, Eris/Pluto, and beyond. I spoke of how the eclipse is like a super New Moon and creates an "overtone" for the coming month. More on that will be coming with the <u>Lunar Planner</u>, so stay tuned.

However, the eclipse is not until Monday! In the meantime, she is waning, getting smaller and smaller on her way back toward the Sun. Starting as soon as tomorrow in some places, she'll be heading into Scorpio for a couple of days before closing this month's cycle in Sagittarius. **These transits and some others point to this weekend as being a time of in-depth communication, sharing, and possibly confronting some unconscious shadow material as a result.** It's a good time for therapy, counselling, working through our personal issues, and transforming ourselves and our relationships in the right way, even if it doesn't look or feel good straight away. Sometimes, painful decisions that are scary or have been lingering for some time and are necessary for our health and future don't feel good. They can even hurt. **That is part of this week's mantra when we say, "Creation is explosive..."**

I remember it being hard to drive away from my parents when I left home at 17, but I'm glad I did! And I'll bet you can look back at chapters of your life that ended/closed in "not so perfect" ways. The closing of this lunar cycle, in addition to the Jupiter/Saturn and other cycles this month, may not be comfortable, neat, clean, or feel pleasant either. Sometimes the sword of Mars just cuts the cord, and the bleeding stops later! Try to be gentle with yourself and

others during these closing days. The link I'm offering below, "Awakening the Soul," is SO SO good for relaxing, staying open, and lifting your spirits. Check it out!

If you didn't have the chance to join us live for "Discover Your Soul's Purpose," we have the entire course available online now! I want to call this my "Signature Course," as it turned out to be much more than I expected and so fundamental to astrological chart interpretation. If you'd like to take a deep dive into what your chart can tell you about yourself, this course is for you! I'm holding the sale price for the remainder of the year, after which it will increase. Give yourself or someone you love the gift of self-knowledge for Christmas this year, LOL! Check it out HERE!

Creation is explosive,
As the future and past collide.
I remain centered in love,
Witnessing life from all sides.

Ho Ho, happy holidays! I'm sure I'll get some more flack for saying that if you're not afraid, you're deluded, LOL! So let me get into it a little more. **As mammals with adrenal glands that have assisted our survival since the beginning with flight or fight responses, there is no way out of fear.** It keeps us alive. Fear can help us stay healthy, strong, and safe, as well as just lively.

We want to look at the SOURCE of our fear, not whether we have it. In this week's report, the point I was making is that with the lies flying around MSM and social media and most people "taking sides," all of those people have fear of either the other "side" or what the other side stands for.

Let me know in the comments if you would be interested in me doing an extended, separate "report" to share more of my opinions, which of course, are based in astrology, but emerge from my personal experience, observations, and research.

In the Pele Report, I speak of my new meditation <u>AWAKENING THE SOUL DEMONSTRATION!</u>

Open Minds with Regina Meredith

S 15:Ep 12 54 mins January 30, 2020

https://www.gaia.com/video/4th-dimensional-reptilian-influence-barbara-hand-clow

The technology we use is being used to polarize our society. But we can make the choice to use it to bring us together. Barbara Hand Clow explains that our society has long been under the influence of reptilian beings in the fourth dimension, including the Annunaki, who seek to keep us separate and in a state of conflict. But we have the choice to rise above the influence, pair our conscious evolution with technologies being developed, and awaken. In essence we recover the lost story of who we really are and free ourselves from the controlling influence of corrupt controlling influences.

2020-11-14 12:12 Eclipse Global Activations by Meg

https://newearthcentral.com/events/1212-eclipse-global-activations/

This is the annual Ascension alignment that occurs between 12:12 and 12:21...it opens a Cosmic Gateway into higher dimensions. This is the annual Ascension alignment with the galactic center located approximately 26° Sagittarius...a time of potent manifesting in the source field. 12:12 is a sacred symbol and Ascension code that represents your spiritual growth as an Infinite Being. According to Metatronian mysticism, 12:12 is a sacred code that activates your Merkabic field. The sacred geometry of Metatron's Cube comprises of 12 circles/pillars encircling the ONE. The Gateway also includes Mercury conjunct a New Moon Solar Eclipse at 23° Sagittarius on December 14th. The Solar Eclipse occurring in the 12:12 Gateway encourages us to make a fresh start, expand and embrace change, take a risk as we move into the new 2021 cycle of the Aquarian era.

We are transmitters and receivers of light. As the gateway opens, our bioelectric field attunes to the ascension codes embedded in the light infusion. When we travel to the galactic center and connect to the crystal stargate of Source, we are paving the pathway home to Creator.

Prepare to quantum leap to the next level of your Soul's Ascension Plan! The planetary shift is accelerating into 5th Dimension as the old Time Matrix dissolves. Are you ready to jump into the next phase of your personal Ascension? Travel to the Great Central Sun and step into the Crystal Stargate with Starseeds all around the world, as Meg channels Metatron's sacred geometry Activations. Tapping into the ancient knowledge of Zep Tepi Mystery Schools and Quantum Access™ modality, Meg will guide you through the steps to open your Portal to the Quantum Field.

If you are new to the Quantum Access technique, Meg created a visual guide on how to apply the activation steps with Metatron's Cube sacred geometry. This short video is available to prepare for the global webcast. Click here: https://youtu.be/SQTFqLeIZaI
