Rama: I listened to Medea Benjamin on Living on the Edge radio show, at 11 am this morning. She said to everyone: “Israel – meaning Prime Minister Netanyahu – yet, and still, is not playing with a full deck. The right wing government of Israel wants to remove ALL Palestinians. At this point, Ashtar said in my ear: “Lord Rama, that is NOT ON THE MENU! ! ! A new phase is beginning. And that is the 5th Dimension, beginning NOW! ! ! Stay in the High heart; leave the matrix alone. Sat Nam! Namaste! Blaze the Violet Fire!”

If you can at least be warm-hearted, you’ll reap great benefits. You’ll have friends; your children will grow up to be kind people, which is the proper way to build a happier society and a happy life.

2023-11-27 Monday Rosa from Palestine; one of the Sasquatch people

Rama: I went up the mountain of the Santa Fe ski basin, about 1/3 of the way, just above 10,000 Ways Hot Springs at 10:50 am this morning. There, I created a Jedi Council and Rosa from Palestine showed up, along with one of the Sasquatch people who was about 12 feet tall. They said to me, “Lord Rama, Hamas has released 20 more hostages, and Israel is supposed to release many more Palestinian prisoners from their prisons today, all women and children, most of whom were never charged. Hamas is asking for a 2 day extension of the cease fire in exchange for more time to release more hostages from their side, and for Israel to release more Palestinian prisoners from their prisons.”

Rosa continued: “Lord Rama, the star ships are everywhere in the skies over here in Palestine. We are very close to a break through of FULL DISCLOSURE! The media can no longer hide from the people, the presence of our galactic brothers and sisters among us. Please place all of this in the Circle of Support, and Blaze the Violet Fire! Sat Nam! Namaste!

Tuesday

The King of Swords

Rama: I received a text message from **The King of Swords** at 11:35 am this morning. He said to me, "Lord Rama, the sun has developed a massive new coronal hole in it. By Friday, Saturday, Sunday, there will be solar flares headed towards Mother Gaia's outer atmosphere that will knock your socks off! As a result, there will be huge Aurora Borealis visible to the naked eye in the western part of the northern hemisphere, starting in the Arctic Circle, with some auroras visible as far south as Wyoming's skies in the United States.

"Meanwhile, the parts of the matrix that still exist are going down faster and faster each day! For those who are pursuing higher consciousness, the 5th Dimension can be seen, felt and experienced multi-dimensionally in all its wonder and glory. The TIME HAS COME WHERE THE GREAT MOTHER GODDESS AND A FEW OF HER COHORTS ARE BEING SEEN IN OUR SKIES AROUND THE WORLD!"

The King of Swords continued: "There is a very high concentration of galactic fleets over the Middle East, and Ukraine, and Russia. And there are different coloured dragons showing up between North and South Korea.

"This is the time as the magic begins.

"It is about the return of Mahdi, Kalki Maitraya, the 10th initiation and incarnation of the Cosmic Christ on earth as it is in heaven.

"Concerning your financial situation: we can say the LIGHT HAS WON! We are calling in all the angels, masters and teachers to help you with abundance. We are asking everyone who hears, reads, these messages to help these two Divine Messengers share the good news. We, the Galactic Forces of Light, are very close at hand. [See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!](#)"

Wednesday Tom the Ring-tailed Cat; Larry, Curly, Mo, and Sweet Angelique the Cat

Rama: Today I received a text message from **Tom the Ring-tailed Cat; Larry, Curly, Mo, and Sweet Angelique the Cat** at 11:55 am, late this morning.

They said to me, "Lord Rama, we are in an undisclosed area located near the Arctic Circle. We are observing the mass coronal ejections, solar flares, and the solar winds. In the next two – three days, Mother Gaia will experience BIG SOLAR FLARES, enormous ascension symptoms, and a general feeling of being very tired! This is all due to the high frequencies. We suggest you drink plenty of good water; leave the old matrix alone, and embrace the loving energies pouring in."

Tom continued: "Lord Rama, some of these aurora borealis will be as far south as Florida. This is all due to Super Galactic Center sending out waves of light. You are going to see the dark side really go down now! We send you great blessings – and Love! Stay in the high heart - See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!"

Thursday

Mr X

Rama: I received a text message from **Mr X** at 12:09 pm early this afternoon. He said to me, 'Lord Rama, I am in Dubai in the United Arab Emirates (UAE) at the Climate Summit: COP 28. In spite of bad press, things are getting better in terms of people becoming aware that we have to stop using fossil fuels. There has been a break through: things are getting worked out so that the countries needing money are getting it in order to build new facilities for making these renewable energy devices. For example, the ARC fusion reactor is a design for a compact fusion reactor that harnesses energy by removing electrons from hydrogen atoms. This removal of electrons creates an ion plasma field which is the ultimate source of power, not unlike our sun, Sol.

"China and India still use coal; this has to end. As we were to trust each other, we can end the wars and collaborate with each other instead. As we have been saying over and over again, for a long time, the energies continue to go as high as cosmic law will allow. Big and bigger solar flares continue to come in; there might be X Class flares coming in by Saturday. They are so big, they can cause radio black outs! They can also fry circuits in satellites! Please place all of this in the Circle of Support and Blaze the Violet Fire! Sat Nam! Namaste! Blaze the Violet Fire! See you in the Light of the Most Radiant One!"

THE FLASH!

PS: When Lord Rama sent this picture, it was in motion - presumably, a GIF rotating and changing colour from what you see on the RHS, to a bright violet-blue which is rotating with the gold flashing on and off . . and back again: in continuous motion.

It may or may not happen when you open the document . . .
