THE LAW OF ONE

We are all One.
When One is harmed, all are harmed. When One is helped, all are helped.
Therefore in the name of Who I AM – and I AM One with All there is -
I ask only that the Highest Good of all concerned – Happen.
And I give thanks that this is done!
So Be It!

ENERGY REPORTS

COR: some saying they are feeling changes in energies – yet in the 'other world', there are all kind of wild things going on – the 2 men in Kentucky are re-instated; the 'abortion pill' – the energies are making people more vocal, more resistant – including women regarding the kind of legislation men are planning to impose

O: thinks men should have vasectomies –
as for the gun stuff: will keep happening until someone in the families of those in congress gets shot; that will change the story: we're not dealing with feeling people; we are dealing with greedy people
as for guns: there is no control over the numbers and use of guns – the people using the guns are angry as opposed to having 'mental problems' -

RGM: refers to her point about the people in 1776 didn't have guns: they had MUSKETS!

O: What are people afraid of? Maybe the white man is afraid that there will be a revolt -

RGM: the media is training people to think the black people are the problems

- the end of religion is important
- in the face of disaster, people forget the various religions and reach out to help
- why farmers are revolting: the new equipment is run by computers! Farmers want the 'right to repair' and not have to take their machinery to a dealership
- brings up the move to destroy food sources -

MG: China; the question of emotion;

- the importance of China in bringing out the new keshe technology
- the importance of emotions

Wherever I go I consider whoever I meet to be another human being like me. We all want to live a happy life. We all respond to smiles, so wherever I go, I smile. Even when we don't share a language, we can communicate our friendship by smiling.

[Ranu Mu](#)

Rama: I went and saw **Ranu Mu** at 10:56 am this morning. She said to me, "Lord Rama, get on the bio bed and I will fix you up!" Then Rana Mu scanned my vital signs and my bodily function. After that, she put a device on my head which looked very similar to the device called CEREBR, worn by Patrick Stewart as Professor X in the movie, *The X Men: Apocalypse*.

As I closed my eyes, I could see rainbow colours coming out of the device and entering the inside of my head. Then in front of my third eye, I began to see concentric circles of rainbow colours, forming a portal. I was lying on my back on the bio bed, and with my consciousness, I travelled through many rainbow-coloured circles to The New Jerusalem. There I saw my father, Captain Ashtar, speaking with several galactic dignitaries from the Antares-Arcturus Midway Station.

Then I promptly went to sleep for 20 minutes, and then I felt Rana Mu gently rubbing my shoulder and saying, "Lord Rama, it is time to go. I have a meeting with someone named The Oracle. I will explain further in the next few days. Greetings in the Light of the Most Radiant One! Sat Nam! Namaste! **Blaze the Violet Fire!**"

PS: "Have a blessed Easter, Resurrection, Passover and Ramadan. Peace all over the World!"

Tom the Ring-tailed Cat, Sweet Angelique the Cat

Rama: I received a text message from **Tom the Ring-tailed Cat and Sweet Angelique the Cat** at 11:45 am late this morning. They said to me, "Lord Rama, we sent you some pictures from some different folks you know on Twitter. We want to give credit to these folks who put these pictures out on the internet. These pictures are of the star ships showing up in different locations in the sky around Mother Gaia.

"The star beings navigating those star ships are saying to us here on Mother Gaia 'Disclosure is happening in spite of the best efforts of the dark side to distract or shut it down. The people of earth are waking up as never before.'

"Meanwhile the nazi playbook is being enacted all over again. The last time this was played out, the sidereal weapons were taken away from the dark side by the Forces of Light, by the Intergalactic Confederation of Worlds. These sidereal weapons have been neutralized by the Confederation of Light. The time lines have been changed by this galactic intervention, and this intervention was made possible by a good-sized group of people of earth who have decided to raise up their consciousness to the 5th dimension and higher. As the Dalai Lama says, 'The answer is loving kindness and compassion.'

"The solar flares continue to come in massively! Remember WE are the ones we have been waiting for. Stay in the high heart! Sat Nam! Namaste!
Blaze the Violet Fire!"

2023-04-11 **Tuesday** **Natasha**

Rama: I received a call from **Natasha** at 11:30 am this morning. She said to me, “Lord Rama, the fake Putin has pushed the Duma to pass a law that all men can be drafted and conscripted to the Russian Army. The Russian government has a nation wide data base where they can track you.

“This is all the United States Empire and the Deep State Black Unacknowledged programs where the peoples’ money, through Congress, goes into a black hole called *The Black Budget Unacknowledged Special Access Programs*. These Black Ops are being orchestrated by willing Republicans who answer to the fallen angels for profit.

“Meanwhile, the solar flares continue. There were HUGE X-Class/M-Class flares today. This is a time where, as Patti Cota-Robles says, a Universal Changing of the Guards takes place NOW. All of Heaven is here with us.

“This has not happened in 26, 826 years. Our galactic family and galactic ambassadors are on the ground. The animals know this and they are saying ‘We are here as galactic family members too, to join you.’

“We have won! Allow the matrix to end its course. Stay in the high vibes! Sat Nam! Namaste! **Blaze the Violet Fire!** All we are saying is ‘Give Peace a Chance!’ ”

2023-04-12 **Wednesday** **Lady Master Nada**

Rama: I received a text message from **Lady Master Nada** at 11:50, late this morning. She said to me, “Lord Rama, there are stories out there about Antonio Guterres, UN Secretary General, is a Russian spy. The real story is he opposes the war in Ukraine with Russia and he opposes the United States aiding and abetting the Ukraine. These are international war crimes, and crimes against humanity. The nuclear sabre rattling is still going on.

“There are things going with our sun where that flash may be closer than we know. There was a monster solar flare today. See you in the Light of the Most Radiant One. Sat Nam! Namaste! **Blaze the Violet Fire!**”

Thursday

Lady Natasha

Rama: I received a text message from **Lady Natasha** at 12:10 pm, early this afternoon. She Said to me, "Lord Rama, the story about the leaked document is about the Deep State and the Black Budget the creates so-called crises or dramas that have a few grains of truth in them. This whole story is about creating Russia as The Bad Guy!"

Natasha continued: "Lord Rama, the real story here is WE are the Empire that created this conundrum: the United States Government with the Fallen Angels and the others in this Passion Play. Know that the light from the galaxy called M87, in the Virgo constellation, is coming our way and is going to roll across this planet. The Dark Side cannot stop it and they are petrified as to what might be exposed about their nefarious deeds.

"WE HAVE WON! ! ! Love is the answer! It overrides all other orders! That is a quote from the Captain! See you in the Light of the Most Radiant One! Sat Nam! Namaste! **Blaze the Violet Fire!"**

COR: asked about the sidereal weapons being taken away

R: tells of Rommel finding one of the 9 Arcs of the Covenant and giving it to the Forces of Light
Hitler was obsessed about getting hold of the Tesseract, the Arc of the Covenant – all kinds of sidereal weapons that they thought held super powers

The Spear of Destiny which was put in the side of Arhuhaby who took the place of Jesu – a 100% look alike to Jesu – neither died.

One Tin Soldier - The Original Caste [Original]

https://www.youtube.com/watch?v=cTBx-hHf4BE&ab_channel=SoheilKoushan

https://en.wikipedia.org/wiki/One_Tin_Soldier

"**One Tin Soldier**" is a [1960s counterculture](#) era [anti-war](#) song written by [Dennis Lambert](#) and [Brian Potter](#). Canadian pop group [The Original Caste](#) (consisting of Dixie Lee Innes, Bruce Innes, Graham Bruce, Joseph Cavender and Bliss Mackie) first recorded it in 1969 for both the TA label and its parent Bell label.

One Tin Soldier Lyrics

Listen children to a story that was written long ago
'bout a kingdom on a mountain and the valley folk below
On the mountain was a treasure buried deep beneath a stone
And the valley people swore they'd have it for their very own

Chorus: Go ahead and hate your neighbor
Go ahead and cheat a friend
Do it in the name of heaven
Justify it in the end
There won't be any trumpets blowing
Come the judgment day
On the bloody morning after
One tin soldier rides away

So the people of the valley sent a message up the hill,
Asking for the buried treasure, tons of gold for which they'd kill.
Came an answer from the kingdom "With our brothers we will share.
All the secrets of our mountain, all the riches buried there. "

Now the valley cried with anger, "Mount your horses, draw your swords"
And they killed the mountain people, so they won their just reward.
Now they stood beside the treasure, on the mountain dark and red.
Turned the stone and looked beneath it; **peace on earth** was all it said.

Chorus

Repeat
