**2022-12-16****Friday****Mr X**

**Rama:** I received a text message from **Mr X** today, at 12:35 pm. He said to me, "Lord Rama, the media on earth with the exception of RT International, is making Russia out to be the evil Lord Vader. It's not Russia; it's the United States Empire. This empire is stirring the pot for a false flag event; they would like to blame Putin for it. Yet at this moment, our skies are filled with the Galactic Forces of Light. The return of the Christ Light in magnitudinous force is at hand. Captain Ashtar is here. No dates; no nukes! The time is NOW! We have some papers to go over with you. See you soon! All we are saying is 'give peace a chance.' Sat Nam. Namaste! Blaze the Violet Fire!

**2022-12-19****Monday****King of Swords**

**Rama:** I received a text message from the **King of Swords** at 1:38 pm this afternoon. He said to me, "Lord Rama, the energies are extremely high. The January 6<sup>th</sup> Committee has brought "the hammer of Thor" down; accountability is on the table. High treason and insurrection are not solutions. War is never the answer. What happens now is up to the Department of Justice.

"Meanwhile, Donald Drumpf and his cronies are stirring the pot for a false flag event. Yet the world is weary of war! Love is the answer. As these solstice energies come in, we have changed the timelines. Sat Yuga is manifesting right now. We are in a new area of the milky Way Galaxy. All we are saying is 'give peace a chance.' Sat Nam! Namaste! Blaze the Violet Fire!" "

**Rama:** I received a text message from **Tom the Ring-Tailed Cat and Sweet Angelique the Cat** at 12:45 pm this afternoon. They said to me, "Lord Rama, we are in orbit between Earth and the Moon; we are observing the Solar Flares. They are massive! There have been two coronal holes in the sun, in the last couple of days. All these energies coming in, the solar flare, the coronal holes, the massive electro-magnetic waves are birthing Tetacoria, Terra Nova - names for the New earth. We have made it! Now we get to meet and greet family and friends from across the galaxy!

The Solstice Light that is come in is from super Galactic Center; Embrace it!

Now is the time! As we are called, we will learn the ways of The Force from the Jedi Masters who are here. Other names for them are The Ascended masters. We are very close. See you soon, Lord Rama! Sat Nam! Namaste! Blaze the Violet Fire!"

Tom the Ring-Tailed Cat; Sweet Angelique the Cat

**Rama:** Today I went up the mountain, about half way up. I found a good spot, close to the stream near by at Black Rock turnoff, and set up a Jedi Council with my crystals. Then, I received a text message from **Tom the Ring-tailed Cat and Sweet Angelique the Cat;** it was 1:09 pm this afternoon."

They said to me, "Lord Rama, we sent you a picture of the Aurora Borealis over a northern village in Norway. The shades of emerald greens in the Aurora are an awesome sight to behold. The Light coming in from Winter Solstice is the White Fire Core of Being Light. It is lifting all of Nature and Nature's god up."

At this point, 10 deer and 15 crows showed up, and they sat with me as I texted back to Tom and Sweet Angelique. "So are we at that moment where it all changes?"

They responded by saying, "It has been 10 years since 12/21/2012; we are the end of the old cycle, the old timeline. We are in Sat Yuga! Leave the old time line alone! Focus on the love and compassion of 10 TRILLION suns coming in! All we are saying 'give peace a chance!' Sat Nam! Namaste! Blaze the Violet Fire!"

**Rama:** I received a text message from **Mr X** at 11:40 am late this morning. He said to me, "Lord Rama, the whole media world, with the exceptions of RT International and news agencies out of China, is NOT telling the true story about the conflict between Russia and Ukraine. The vast majority of the United States Congress, by aligning with President Zelensky at his speech before Congress last night, have committed High Treason!"

Mr X continued: "With this current focus, we are in this new timeline, All of the vortices, ley lines, song lines, dragon lines are all singing out to us because Mother Gaia is fully activated. The old matrix system is falling apart, and people are waking up like never before.

It takes all of us. I am a black-skinned, Islamic man and a dual citizen of Jordan and the United States of America. I live in the United States, and I work as a Secret Service Agent for President Barack Obama. As I see it, the #1 issue on the table in the United States is systemic racism. We are every colour in the Rainbow, and Love is the answer.

"Russia IS NOT THE ENEMY! As we were to create an enemy, it is **the matrix**. The 13 families, along with the Vatican, are fallen angels amongst us, possessing great wealth and great power. They have been misusing their power without love for thousands of years.

"IT IS OVER.

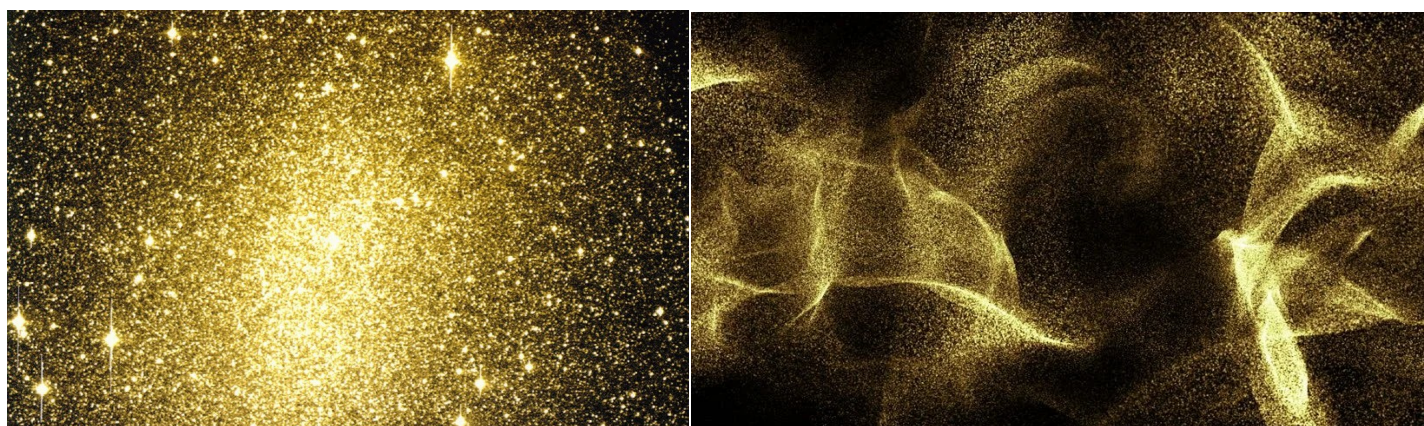

"To quote Morpheus from **The Matrix**: 'You never free a mind unless it is asking to be freed.' The present chaotic situation on Mother Gaia is caused by ignorance and stupidity in the entire human race, leaders and citizens alike. Knowledge is power; what one does with this power can and does change the world. Right use of will power, used for the highest good of all concerned, in world group service, blazes the path to peace.

"The gold dust – the monoatomic gold – is pouring in from our sun, Sol. Embrace it with an open heart and unconditional love.

"We know your finances are in serious hot water; we are calling in all of heaven for you. It is the time of the return of the Sun; we are all open to the miracles and magic of all possibilities for the sake of the return of the Christ energy, the Office of the Christ, to earth.

"Keep your phone close, Lord Rama. We will be talking soon. Enshallah! Sat Nam! Namaste! Blaze the Violet Fire!"

Taken by one of my brothers, on the south side of our town; he wanted to get a photo of the circumzenith arc minus any interruptions with trees or buildings. His message was "I got only this." It's still a very spectacular indication of how COLD it was! PCC

Cochrane Eagle Staff Nov 23, 2017 12:00 AM **[republished in December, 2022]**

A morning sun dog above RockPointe Church along Highway 1A between Cochrane and Calgary radiates hope and purpose.

The idea for this week's column began with a truly awesome encounter with heavenly beauty one of our Cochrane coffee companions experienced on her way to Calgary last Wednesday morning. It concluded with a lesson in Stoney Nakoda traditional wisdom about the meaning of that encounter.

Lilian Bouclin was travelling along Highway 1A around 9:30. It was cold and windy, with snow blowing across roads and fields. As she angled southeast toward the RockPointe Church turnoff, there it was, up ahead, just above the church: a dazzling sun dog. It so dominated her view that she had to pull over and take a photo.

She got back into her car and immediately emailed me the photo accompanying this column. And yes, I, too, was taken by its beauty.

Sun dogs, with their characteristic mirroring of the sun's brilliance, frequently appear in pairs either side of the sun, often within a halo. Caused by the refraction of the sun's rays passing through ice crystals in the atmosphere, they can occur throughout the year, but they're especially eye-catching in the winter, when the sun is closer to the horizon.

For a very helpful article on the topic by Keith C. Heidorn, "the weather doctor," Google under the words: islandnet sundog.

While I was doing research for this column, a man from Morley who is like a brother to me stopped by for a visit and shared with me his Stoney Nakoda First Nation understanding of sun dogs.

Helmer Twoyoungmen is a popular film-and-stage actor as well as consultant in Stoney Nakoda heritage. When I showed him Lillian's sun dog photo, he was really impressed.

"In Stoney we call sun dogs wahiâba îtû-kiye," he said. "That means 'sun makes a fire.'"

He went on to explain the four bright lines radiating from the sun. They're all about hope and purpose in this life, he said. The upward-pointing ray refers to Elders. The horizontal rays refer to adults, and the downward-pointing ray refers to adolescents. The arch at the top – technically known as the upper tangent arc – speaks of the presence of Wakâ ("the Great Spirit") among all people on Mother Earth, young and old alike, and of our eventual return to Wakâ.

Then with a twinkle in his eye, he added: "The sun dog also means get ready for a cold spell."

Well, ready for a cold spell I am. But more importantly, inspired by Lillian's photo and Helmer's wisdom, I'm striving, with your help, to be more prepared to be an expression of God's beauty in this world.

Thank you, Lillian and Helmer.
