Rosa from Palestine

Rama: I received a call from **Rosa from Palestine** at 12:15 pm, early this afternoon. She said to me, "Lord Rama, things are really heating up in the Sudan area. There is supposed to be a 3 day truce, yet there s still fighting going on. This day at sundown is EID, the end of Ramadan at sundown today. It is time for all the fighting to end all over the Middle East, as well as all over the world!

"Meanwhile, there was a huge solar flare today, and in about 3 days from now, it will be strongly impacting us here on earth. You can see it on www.spaceweatherlive.com The plasmatic, photonic light coming in is about the strongest it has been in a while. Remember to drink lots of water, and stay in the high heart. See you in the Light of the Most Radiant One! Sat Nam. Namaste! **Blaze the Violet Fire!"**

Monday

Professor Nicodemus, Professor Steve

Rama: I went to see **the two professors** today at 11:40 am, late this morning. They said to me, "Lord Rama, the solar flares are increasing exponentially each day, and THEY ARE HUGE! The waves of energy from the solar eclipse and the new moon are rippling across the galaxy. They are affecting the tectonic plates of Mother Gaia. In Indonesia there was a 7.1 quake today; **there will be NO CATAclysmic EXTINCTION-LEVEL EVENT**. Mother Gaia is just shifting a bit as we work with the Violet flame, we can create magic and miracles. Remember we are Creator Goddesses and Gods of the Most High – stay there! See you in the Light of the Most Radiant One! Sat Nam! Namaste! **Blaze the Violet Fire!"**

Tuesday

Lady Nada

Rama: I received a text message from **Lady Nada**, at 11:45 am late this morning. She said to me, "Lord Rama, in spite of all the bad press about the UN, there are many good people here who know about our family and friends from the stars. I have assisted many councils throughout the galaxy; Earth's U N is getting an upgrade!

"It will become a "Planetary Council" which is where all the countries of the world, in unison with each other, are represented together in peace and harmony. This will lead to a Galactic Council that already exists! It is called "The Solar Tribunal on Saturn" which is a rotating council MEANING there is no dominating head at the table. This Galactic Council works with other Galactic Councils that make up the Galactic Federation.

"Right at this moment, in this so-called present timeline, there are so-called politicians and, as Rachel Maddow calls them, 'bagmen' who are the go-betweens the fallen angels and "the filthy, pale-faced life forms who are in the positions of the so-called 'captains of industry'!

"The only industry they are in is keeping the Babylonian Money Machine going. Racism and hatred are NOT family values! This all started with the fallen angels playing around with the hearts, minds and souls of the people of Mother Gaia. This has come to an end! ! ! You are watching the matrix collapse every day! We are approaching WESAK and Buddha's birthday – whatever the issue is, the answer is LOVE. See you in the Light of the Most Radiant One! Sat Nam! Namaste! **Blaze the Violet Fire!"**

Wednesday

Chun Lee

Rama: I received another text message from **Chun Lee**, one of Natasha's body guards, at 11:48 am this morning. She said to me, "Lord Rama, President Xi is working with making a deal with President Zelensky to bring an end to the war with Russia, in Ukraine.

"Meanwhile, the solar flares continue to get larger; there are many starships in our skies at this time. Many of these craft are being seen over Ukraine and Russia. President Xi is being leaned on by the Galactic Forces of Light. This is because he would like to bring some disclosure to the world. It is all about bringing closure to this old timeline. The energies are extremely high, and we are reminded to remain neutral with all the events going on. Sat Nam! Namaste! **Blaze the Violet Fire!**"

Thursday

Natasha

Rama: I received a text message from **Natasha** at 12:20 pm, this afternoon. She said to me "Lord Rama, Russia and Ukraine are at a pivotal point. President XI would like to bring closure to the conflict in Ukraine, with Russia, and President Zelensky would also like to see an end to the conflict. The real demon in this story is the United States empire. It is all about the hegemony. Whether folks realize it or not, the fallen angels are playing this story out.

And the Faction 3 White Knights are doing the real shadow work to bring these stories to the light of day. **WE HAVE WON !!!** As we move into this lunar eclipse, stay in the Light of St Germain and the Violet flame. There could be more tectonic plate movement. See you in the Light of the Most Radiant One! Sat Nam! Namaste! **Blaze the Violet Fire!**"
