The Plasma Field

Rama: I went at 11:30 am this morning and sat in plasma field. It showed me the solar flares that were going on, and how they are raising the frequencies of every living thing. Then it switched screens and showed me 2 giant airships buried in 2 areas of North Central regions of Ukraine. These are very ancient craft, connected to the time of the Mahabharata, a war between the 3rd century BC and the 3rd century AD [CE] which lasted about 5,000 years. These craft are fully powered and are slowly rising up through the earth, coming up to the surface. Putin knows about the craft which are a part of the Intergalactic Federation.

The Plasma Field said to me: "Lord Rama, Full Disclosure could happen any time. Sat Nam. Namaste. Blaze the Violet Fire!"

Saturday

Ray McGovern & Co; Tom the Ring-Tailed Cat

Rama: I heard Ray McGovern, a group of Los Alamos whistleblower employees, and a group of veterans speak on a radio show called New Perspectives. They talked about Los Alamos labs and how it was during World War 2 called The Secret City because Los Alamos labs at that time were building the two nuclear bombs, Fat Man and Little Boy. Bombs that the U S dropped on Hiroshima and Nagasaki, Japan, respectively.

At this point, **Ray McGovern and all the others** said, "it is inconceivable to think about nuclear war at this point." Then Ray McGovern piped up and said - on air - "Our galactic friends are here, and Hillary Clinton and Bill Clinton are guilty of high treason for using the Clinton Foundation moneys to support the Deep State in funding defense contractors to build weapons of war for the agenda of the elite, rather than for or by the will of the people."

Then **Tom the Ring-tailed Cat** sent me a text message. He said to me, "Lord Rama, the Captain is here; he has fleets upon fleets of angels with him in our atmosphere and on the ground. They said that they will not allow Mother Gaia to be destroyed. "All we are saying is Give Peace a Chance! Sat Nam! Namaste! Blaze the Violet Fire!"

Tom the Ring-tailed Cat; Sweet Angelique the Cat

Rama: At 12:45 pm, early this afternoon, I received a call from **Tom the Ring-tailed Cat** and **Sweet Angelique the Cat**. They said to me, "Lord Rama, we are over Sweden and there are HUGE emerald green Aurora Borealis overhead, everywhere! The Schumann Resonance is so high, we cannot calculate it.

"Read our whiskers: THERE WILL BE NO NUKES: THE CAPTAIN IS HERE! The earth civilizations are playing a very dangerous game.

"All we are saying is 'Give peace a chance! Sat Nam! Namaste! Blaze the Violet Fire!"

Times change and reality changes. In the past, social customs and cultural tradition may have held women back, but modern times favor equality and education has brought equality of opportunity. Now is the time to change our old ways of thinking—gender, color, no difference.

Tuesday

A Jedi Council

Rama: I created a Jedi Council today at a high mesa in Pecos, NM, at 11:30 am, and the **Poppy Lady**, along with **Tom the Ring-tailed Cat, and Larry, Curly and Mo** showed up in the circle.

They all said to me, "Lord Rama, the solar flares continue to come in, and they are really stirring the pot!!!! **This is that moment where everything turns itself around!** It is about how we are waking ourselves up.

"And our sun, Sol, by continuing to release stronger and stronger solar flares, is providing us with increasing access to more light, as well as increasing our ability to receive it (by opening our hearts more and more.)

"We say to you: Stay in your High Heart! Send more love!"

Then **Tom the Ring-tailed Cat** said to me: "Lord Rama, Ukraine carries a very ancient story, **and it is NOT about Putin!** It is about the oligarchs over there and the oligarchs over here, fighting tooth and claw to maintain control over the world, using war for profit – again! This is orchestrated by the Vatican, granting the fallen angels permission to keep the old timeline going – meaning, keeping the Kali Yuga overlords' ability to cause endless Samsara alive."

At this point, **the Poppy Lady** spoke up and said: "Lord Rama, on this International Women's day, the Goddess is here (and Happy Birthday, Rainbird!). It IS about restoring the balance to this planet: this is the time of the Age of the 6th Sun, the return of the Great Mother Goddess.

"The 6th ray of Lady Master Nada brings in the ruby magenta ray, speaks to us, encouraging us to lead with the power of Love In Action, NOW! May peace prevail on earth! NESARA NOW! Sat Nam! Namaste! Blaze the Violet Fire!"

Thursday

His Holiness the Dalai Lama; King of Swords

Rama: I received a direct text message from **His Holiness the Dalai Lama**, at 11:35 am late this morning. He said to me, "Lord Rama, stay in your high heart. I know the news is awful; we all are the ones who can change this. War is not the answer. The Captain will be contacting you shortly. Om Mani Padme Om!"

Rama: Then I received a text message from the **King of Swords**. He said to me, "Lord Rama, even though it looks like the darkest depths of Mordor and it looks as though Mt Doom is threatening to swallow us whole, the Light of 10,000 Suns is pouring in at quantum light speed. War is never the answer. I have seen it first hand at the front lines of Viet Nam. And I am still here to say '**All we are saying is give peace a chance.**' **Imagine all the people living in a world of love. Sat Nam! Namaste! Blaze the Violet Fire!**"

Note: It's the 63rd anniversary of the **Uprising in Tibet** in which many Tibetan people died, and His Holiness the Dalai Lama made his way with many of his followers across the Himalayas.

There is a movie about this, called **Seven 7 Years in Tibet** (1997) starring Brad Pitt. May peace prevail on Earth!

2022-03-08 Solidarity with Tibetans on 63rd anniversary of national uprising
By [International Campaign for Tibet](#)

The International Campaign for Tibet expresses our solidarity with the Tibetan people on the 63rd anniversary of the Tibetan National Uprising of March 10, 1959.

On March 10, 1959, Tibetans rose up as one to oppose China's occupation and call for their right to determine their own affairs. Sixty-three years later, the situation in Tibet has only deteriorated. Tibet is the [least-free country on Earth](#), in a tie with South Sudan and Syria, according to new rankings from the watchdog group Freedom House on Feb. 24, 2022.

On March 10, 1959, tens of thousands of Tibetans surrounded the Norbulingka palace in Lhasa in an attempt to protect the Dalai Lama.

Sixty-three years of occupation by China have not reduced the reverence and loyalty the Tibetan people have for the [Dalai Lama](#) and the values that he represents. This is a strong message to the Chinese government. The Dalai Lama's commitment to keeping the Tibetan struggle nonviolent in the face of tremendous challenges continues to be an inspiration to ICT and [nonviolent movements](#) throughout the world.

Recently, the crisis in Ukraine and the plight of the Ukrainian people have also been of serious concern to the international community. Like the Tibetans, a smaller community is facing direct attack and threats to its survival from a larger, more powerful neighbor. We express undaunted solidarity with the Ukrainian people and believe that peace-loving people throughout the world should be behind them.

The world community failed in supporting the Tibetan people as the Chinese army marched into Tibet in 1949. Today, 73 years later, the problem in Tibet is far from resolved. There has not been a [dialogue process](#) between the Dalai Lama's envoys and the Chinese leadership since 2010.

We urge the international community to proactively support the Tibetan people's peaceful struggle. We call upon the Chinese government to understand that resolving the issue of Tibet through negotiations with the representatives of the Dalai Lama is the only viable solution to this decades-long problem.

Today there is a new generation of Tibetans who have grown up in Tibet. Despite the fact that they do not have any direct experience of life before the Chinese occupation, these young people take pride in their language, culture, traditions and spiritualism, which are constantly targeted by the Chinese government.

As we observe this March 10 anniversary, we stand in solidarity with Tibetans in Tibet in their quest for freedom and justice.
