2024-02-11 Goddess Sekhmet Psychic Protection Transmission

[Steve Nobel](#)

<https://www.youtube.com/watch?v=iQ6feeKnLcI>

33:33

This transmission can be used to create a protective field of light around you to move with you throughout your day. It can also be used to create a protective field of light around a building or a particular room such as a bedroom. Before starting this transmission, you need to choose which of these is the focus.

"Whatever space or room you are in, call to the Goddess in the place of the rising sun. The Archangel holding this direction steps back to allow her the space. See or sense her as a tall presence, perhaps several feet. Head of a lioness and body of a woman. In her hand a staff, at the top a glowing fiery red crystal. Her eyes begin to shine with a deep ruby red light. Feel her presence radiating a strong protective presence....."

MOTHER / ALCYONE [M/A]

Greetings in the Light of the Most Radiant One. In the Office of the Christ and only in the Office of the Christ, we invoke the loving energies of St Germain and the Violet Flame

Greetings, Children of Ra!

It is a good day to be here! And the . . . are quite intense. That's what the sun likes to do: keeps it exciting! Never a dull moment in this sector of the galaxy!

Lots of stuff going on: it is quite awesome to behold what's unfolding. Full moon coming up here; gotta let all the old stuff go, bring in what's this 5th dimension that's expanding more each day.

The radiant love of the Violet Flame that is pouring in from the Center of All That Is . . . raising everything up right now. Pluto continues to move through Aquarius, stirring everything up; the old energies gotta shift. War is over, as you want it! And the time is now with what's unfolding

The solar flares continue; it is a gift to this planet.

T: isn't it time for peace now?

M/A: it is indeed (time for peace)

T: What are we going to do with that Mr Netanyahu?

M/A: Let's say the energies in and of themselves are making it so that it is increasingly more intense for folks like that than ever before on this planet, if they continue to play with the energies of needing a blood sacrifice to seal their own fates with their energies that are anything but perfection.

- Gotta live in the moment: that moment is Now, and in this now frequency, peace and love are the order of the day. This old energy is rapidly dissipating even though it looks the way it looks.

It is about this transition that's happening

T: multi-dimensionality ?

M/A: Yes. There are many visitors from many dimensions, many other universes, that are here and since this is a multi-universal story, every sector of this local Universe of Nebadon . . . all the beings are answering Lord Michael's call to show up in this moment.

- As earth is ascending in each breath, we're experiencing it in the context of - as things are getting lighter, with each passing day, the karma these old ones have created [is] catching up with them even faster. War never serves any useful purpose except to create more chaos.
- Many old stories being gone by the wayside: the completion of this is at hand. This is a moment to rejoice, reflect and, at the same breath, same moment, send more love to the situations at hand.

T: so the power of transforming this energy, is in the hands of the people?

M/A: It is indeed

T: and you and the Hosts of Heaven will come and help us – as we ask?

M/A: Yes

T: **WE ask: please come and help us . . .**

M/A: **And it is so, and so it is**

T: Aho

M/A: and to all my relations

T: the whole human race – it seems they are tired of fighting for things . . .

M/A: It would certainly seem that way! It is this elusive grasp - wanting to hold on to the old stories that only serve an ancient form of mind control and magic and it is not for the highest good of all concerned. That kind of magic requires blood sacrifice and that is over and one with – we are not pushing with oceans and oceans of blood. It is time to let it go.

- They have no more power unless we give it to them, and they are running of money very quickly, this way in spite of their best effort to keep it going

T: Netanyahou is afraid of what might happen to him if he doesn't keep up the war; he is facing 2 criminal indictments

M/A: the fates have already determined his outcome

T: and the proverbial "when, Mother, when"?

M/A: Not gonna say when; we're gonna say 'work with the insight of completing this'. As you look in the balance of what's unfolding: the light pouring in from the Hunab Ku, all the Central suns, and there are so many central suns . . .

- Let's say - Gotta stay in this present moment of NOW. Cannot explain what now means, only to say "Wherever you go, there you are". So it is a constant; every moment is in this now time.
- There are many folks speaking about this concept of time, how it is very much an illusion
- As things shift, in the consciousness: happy thoughts take you across the universe in an instant! Gotta remember the happy thoughts!

T: **When** Rana Mu told Rama as they crossed over the canyon, "Just watch the back of my head!"

M/A: Think happy thoughts and we did it!! That's what's happening right now as the whole planet is being raised up with the upliftment of joy; things are shifting pretty instantaneously. As we can observe, it is quite intense to be here at this time, maintain a bit of sanity!

T: It's coming up again in March: something about the economy going to collapse again

M/A: Yes, your congress has taken a leave of absence

T: why delay delay delay?

M/A: they have a . . . relieved their minds from . . . it is a form of saying they have lost their minds – not all of them, just a few on the right side of the aisle that are still stuck in the matrix; matrix falling apart more and more each day: they cannot keep it up.

- Everything is turning up roses - and gotta watch the thorns. It's a challenge . . .

T: Drumpf has been charged by Judge Engoan xcharged him \$400, 500 million to pony up and pay

M/A: No he does not have it!

T: and no business for 3 years in NY . . . and that is quite a problem for Donald , ,

M/A: preparations are being made to remove these ones. It is the timing of this . . . we cannot say, yet it is about the shifting of the ages,

- As you are fully anchoring the 5th dimension, these old stories of old tired knights and knaves, serfs, kings, queens: everybody equal in this planetary system

- It is about the radiance of the sun pouring in at this time: THAT is the determining factor of what's unfolding. The radiance of the sun is the biggest thing going on! Gotta be a bit under a rock not to get it!

- Quite an experience to be here at this time, We must say! Blaze the Violet Fire! Better be on our way

T: reads a quote: about 7 pm at night, NY AG Letitia James reacted to the ruling about that \$453 million he was ordered to pay in the fraud trial; she said Donald Drumpf may have authored **the art of deal**, yet he perfected **The Art of the Steal**

- he has been ordered to do NO business in NYC for 3 years

M/A: There is a cargo ship with his name on it ! ! !

Just one of many going to Dracos

T: that will be a multi-dimensional shift ! ! !

M/A: it is about waking up to the reality that within a galactic neighbourhood, everyone knows everyone else and we live in balance, peace and love. War is not the answer. Compassion is.

- Have compassion for these souls who have made a choice, and we must do what we must do in terms of completing a cycle here of returning these ones from where they came from – this cycle drama began in Dracos with these . . .

T: Princess Ardalla and King Dracos . . .

M/A: Let's say, there was these conflicts that occurred long ago between the Pleaidians, the Sirians and the other galactic races – you know the story of Lyra: it is time for the completion of this cycle: 26,826 years ago

- Our wayward children decided to play with wayward energies; it's gone downhill ever since and something turned around after Harmonic Convergence - even before that and the Light pouring in -
- They can't take it: "tough titty said the kitty when the milk went dry" !!!

- It is about this cycle of working with the love frequencies: THAT is the order of the day, and they are going to have to take their spoonful of medicine. Might taste a bit bitter for them; quite sweet for the rest of us

T: We are not playing revenge of the Sith . . . has been listening to those calling in to The Thom Hartmann show; it is quite wise what people are saying

M/A: People have woken up to the matrix: it is ending now and we got light years to go before we sleep!

Rama Returns: Was in Mt Kailosh – to get a dose of Shakti Pat from Lord Shiva

T: Did you see The Nameless Ones?

R: No, just the vortex of Mt Kailosh, the spark of everlasting life. There are so many chambers in that place it is quite a . . . could travel through that city and not get to see it in one day – it would take 3-4 days to see that whole city underground; it is like Telos and other underground cities that are so awesome to behold and we are going to get to see them now . . .

Norse mystic and paranormal trainer Kaedrich Olsen returns to Open Minds to share with Regina Meredith his perspective on Norse beliefs and his recent experiences at a Viking village in Norway.

When Olsen attended the conference “Awaken the Viking,” he interacted with dwarves in stone White Caves, witnessed giant faces frozen in mountains towering above fjords, as well as encountered Loki, the shadow-worker of gods — who brings toxicity to light for healing.
