Friday

4 deer, 7 crows; Tom the Cat, Sweet Angelique the Cat.

Rama: I sat with **7 deer** and **4 crows** on the way to Santa Fe, off the road in the forest in Tsesuque today at 10:46 am, mid morning. They intuitively said to me, "Lord Rama, spring is coming in like a lion around here. There is beautiful light coming in from the sun." I, Ram, am saying "This is the White Light of Creator Source coming in from our sun, Sol."

Then I received a text message from **Tom the Ring-tailed Cat and Sweet Angelique the Cat** at 11:15 am, late this morning. They said to me, "Lord Rama, we found this message on your Twitter feed; it relates to the energies coming in at this time."

"SoulLight @SoulLight777

The matrix loses power over you, and you begin to transcend it as you choose to expand in consciousness and raise your vibrational frequency. For as long as you continue to fight it, thinking you can change it, but preserve certain parts of it due to your fears, ignorance, and being immersed in its very programs, you will not win. You will only empower it with your own energy, and remain in an endless cycle of suffering and stagnation.

The matrix and all its structures are not meant to be saved. Its termination is guaranteed. It was only meant to be used for experiencing life in limitation, to see what it's like to be a spiritual being in the extremes of physicality and duality. The test is complete. You have done well. It is time to let go of the old ways of being, all that no longer serves you, embrace the change unfolding, and trust that the Divine has something much greater that awaits your arrival into the next stage of evolution, in an entirely new reality with the purest of intentions, and divine in design. All the light to You!"

Tom closed by saying: "Work with the higher energies. WE HAVE WON! ! ! The old timeline is at an end. **Sat Nam! Namaste! Blaze the Violet Fire!**"

Saturday

17 deer and 3 crows

Rama: I sat with **17 deer and 3 crows** in the forest near St John's College at 10:58 am this morning. They intuitively said to me, "Lord Rama! Greetings. We are going to do the Circle Dance." SO – we did the Circle Dance! Six times! And the Figure 8 Dance six times – and the crows participated too. Then we sat and worked with the Violet Flame and the Resurrection Flame, a bright yellow gold. Then a sudden wind came up, and the deer and the crows were gone. Then I went on my way. **Sat Nam! Namaste! Blaze the Violet Fire!**"

2024-04-15 Monday 6 deer and 9 crows; Mr X

Rama: I sat with **6 deer and 9 crows** at 11:39 am, late this morning. I was almost to the top of Sun Mountain; they intuitively said to me, "Lord Rama, big, big energies from the sun coming in. Watch your head!" (They showed a hoodie on my head!)

Then I received a text message from **Mr X** at 12:10 early this afternoon. He said to me, "Lord Rama, we are at the end! I know I have said this before, yet you are watching the matrix fall in real time. The old empires can no longer control the will of the people. The incoming light is unprecedented. This last total solar eclipse Monday April 8th, tipped us over the edge. The negative disaster timelines are being dissolved.

"The real work begins: learning how to love each other, whether we are Palestinians or Israelis, Iraqi or Iranians, or even as we are from the multi-ethnic, multi-racial, multi-cultural U.S. Diversity is the answer! Leave the stories of the Rubber Ducky alone!

"LOVE IS THE ANSWER! See you in the Light of the Most Radiant One! **Sat Nam! Namaste! Blaze the Violet Fire!"**

2024-04-16 Tuesday 8 crows; Tom the Cat, Sweet Angelique the Cat; Cmdr Letowa

Rama: I sat with **8 crows** this morning at 10:50 am; they were very chatty! No deer this day!

Then I received a text message at 11:20 am, late this morning, from **Tom the Cat** and **Sweet Angelique the Cat**. They said to me, "Lord Rama, we would like to introduce you to **Commander Letowa**. She is a female Pleiadian Commander, serving on Commander Kortan's starship. They were parked on the ground near the giant temples in Angkor Wat, Cambodia."

Letowa spoke up at this point and said, "Greetings, Lord Rama! We are here to let you know that we walk amongst you, and we are in your skies! Call us in! We are a hair's breadth away from sitting with you. If you get the feeling that you are being watched, turn around and look! You may just see us sitting across from you in your local cafe. You will recognize us by the light which is emanating from us. The time draws near when the Captain will give the word and all of the shenanigans will be over. Use the Force each day. Do the Adi Shakti mantra: it opens so many portals! We will speak again! See you in the Light of the Most Radiant One! **Sat Nam! Namaste! Blaze the Violet Fire!"**

PS from Rama: Letowa says she remembers me from the Temple of Whales and Dolphins in Atlantis, as I was helping the Mutants Slave Race there become free.

Wednesday 16 deer, 7 crows; the Sun's golden sparkling Light.

Rama: I sat with 16 deer and 7 crows at 10,000 feet up in the Santa Fe Basin; they all said to me intuitively, "Lord Rama, big solar flares again today."

Then I sat on a bridge over the mountain stream and called in all the angels, masters and teachers. I saw the **golden sparkling Light coming in from the sun**. The message I heard was "Stay in the Great Silence. All is in Divine Order. Focus on your sadna. These are the tools to Ascension. See you in the Light of the Most Radiant One. [Sat Nam! Namaste! Blaze the Violet Fire!](#)"

Rama: I sat with **13 deer and 6 crows** up above 10,000 Waves Hot Springs at 11:59 am, just before noon. They intuitively said to me, "Lord Rama, embrace the golden light coming in from the sun. It will heal you."

Then I received a text message from **Rosa From Palestine** at 12: 15 pm, early this afternoon; she was in the Poppy Lady's shuttle craft, as was Fing Dell Knorr. They were over Palestine, bringing food, assistance, and basic supplies to Gazans.

The Poppy Lady said, "Lord Rama, we are at the end of this big story. This has been a 26,000 + year holodeck program. We as a people asked to come here, and have an experience of physicality. And yet we are spiritual beings, sharing this experience in physicality. The trick was not to get caught and to maintain our cosmic awareness while having that physical experience. What happened was our lower egos came into play. The false gods – the Elohim – played upon our fallen egos and this created more confusion.

"Now, with this eclipse, we have moved into a significant moment as we navigate the cosmos. The old timeline is finished. We are in a new timeline. This is why everything is getting better and brighter every day. We heal this story with Love, Compassion, and Forgiveness. Please put the Middle East and the whole outlying region in the Circle of Support. See you in the Light of the Most Radiant One. **Sat Nam! Namaste! Blaze the Violet Fire!**"
