Rosa From Palestine

Rama: I received a call from Rosa From Palestine at 11:30 am late this morning. We must be kind and loving to each other. The end game is at hand. They, the Dark Side, are playing into Mother's paws. Send more love to all the situations on Mother Gaia.

There are about to be very huge discoveries in the archaeological world which have to do with our brothers and sister from the stars. We are one people, the rainbow nations of Mother Gaia. All we are saying is 'Give Peace a chance!' Sat Nam! Namaste! Blaze the Violet Fire!"

Monday

Tom the Ring-tailed Cat

Rama: I received a call from Tom the Ring-tailed Cat at 12:15 pm this afternoon. He said to me, "Lord Rama, the so-called controllers of Russia, the Russian oligarchs, would like to put nuclear weapons in Belarus. We are playing out the end times story here. The 13 Families want to pull off a False Flag event, like a Fake Alien Invasion. That is the absolute last card." He added that Project Bluebeam could project a holographic image of Lady Di showing up in the sky. This is one scenario or way of distracting people.

"What the 13 Families would really like to do is scare everyone with a fake alien invasion. As that were to occur, Captain Ashtar or his representative would take to the airwaves and let everyone on Mother Gaia know these are the naked emperors that have no clothes. And they would be exposed for the criminals that they are!

"We, the Galactics, are here with the whole of heaven! War is never the answer! Goddess is here. Take that to heart! She is moving tremendous amounts of energy for good, right now! The solar flares continue. Stay in the Violet Flame! All we are saying is 'Give peace a chance!' Sat Nam! Namaste!"

Tuesday

Rosa From Palestine

Rama: At 12:10 pm early this afternoon, I received a call from Rosa From Palestine. She said to me, "Lord Rama, the ships are here; they are being seen all over the Middle East. They are being seen over Ukraine and Russia, as well as over many other places across the planet. We are in the most intense time ever. The Dark Side is playing out their

very last days and hours. Send more love to all situations. All the angels and masters are here. All we are saying is 'Give peace a chance!' Sat Nam! Namaste! Blaze the Violet Fire!"

Wednesday

Tom, Sweet Angelique – both Paschats!

Rama: I received a text message at 12:15 pm early this afternoon from Tom the Ring-tailed Cat and Sweet Angelique the Cat.

They said to me, "Lord Rama! We are over the Arctic Circle in a shuttle craft. We are on patrol, so to speak. All the old order of crime families' information is coming out across the internet; the Empire of Fallen Angels is at an end. This is happening because our Sun is going through its transfiguration. The 13 Families know about this transfiguration of the sun and they cannot handle it, nor can they stop it.

"This is the time where 'She Who Was Here Before the Gods Were Here' returns with the entire Company of Heaven. All we are saying is 'Give peace a chance!' Sat Nam! Namaste! Blaze the Violet Fire!"

From Tom on March 14:

"Goddess is here. Take that to heart! She is moving tremendous amounts of energy for good, right now!"

Thursday

Lady Master Nada

Rama: I talked with **Lady Nada** by text today; it was 12:05 pm early this afternoon. She said to me: "Lord Rama, the Main Stream Media along with the Dark Side are a bunch of ravenous wolves. They want to create an extinction level event; they LOVE high drama! At this moment, they cannot control the fallen matrix any more. This is a war between the 13 families and their overlords, the fallen angels.

"At this moment, our sun, Sol, continues to send out massive solar flares. Let us focus on the Light of Spring Equinox and the Return of the Christ. Rejoice! The Most Radiant Ones are here AND THEY ARE US! As Yoko Ono says, 'War is over, as you want it.'

"See you in the Light of the Most Radiant One. Sat Nam! Namaste! Blaze the Violet Fire!"

THE ORACLE REPORT

Fwd: "A Fertile Garden Under the Full Moon" - Full Moon in Virgo - Thursday, March 17, 2022

PHOTOGRAPH TAKEN BY WISE OWL MIKE THE GREAT PHOTOGRAPHER AND SENT BY WISE OWL KAREN

The Full Moon enters at 2:18 am EST, Friday, March 18, 2022. The Full Moon forms a Grand Trine with Pluto (transformation) and the North Node (future, destiny). This is highly significant! Whatever transpires over the 3.7 days of the Moon phase will have implications for the future.

Before we dive into the energetics, here is a list of synonyms for "transformation." Which word resonates with you? Which word can you pair with the Great Pluto Return to remember that it is a good thing?

Alter revamp revolutionize convert reconstruct transmute transfigure renew mutate mold translate switch commute

1 - SEIZING POWER - The Sabian symbol for the Full Moon at 28 Virgo is "a bald-headed man who has seized power." The astrology tells us that he is leading the revolution against the archons and their minions. In the World Theatre, this is Putin. Russia's actions are forming the future.

On the micro level of our individual lives, the Full Moon is about seizing our willpower. It is about tempering our responses and maintaining our equilibrium. This could be a challenge for people who are Eris Point dominant because...

2 - SATURN IS IN EXACT SEXTILE THE ERIS POINT - Saturn says there is too much going on and he wants to be part of it. What does Saturn bring us right now? "A woman, disappointed and disillusioned, courageously facing a seemingly empty life." Ah, Saturn. Let's continue, and hold the thought.

3 - THE SUN IS FULL - At the Full Moon, the Sun is discharging "a fertile garden under the Full Moon." How appropriate! The Sun is full of CMEs right now, but that would take another Oracle Report for those. We will stick to the overflowing astrology.

This symbol tells us that we have all that we need. There are opportunities — many of them — that are available. Look outside of the box, and see what is there. See what is in there hiding. Is there fulfillment?

4 - MERCURY'S MUSEUM - Mercury has come to 13 Pisces, the degree of this Pisces cycle. The symbol

is "a sword, used in many battles, in a museum." This is about war and peace. The sword is used to fight and then it is memorialized in order to prevent fighting. Over the Full Moon, people are thinking about and talking about what is happening. This will shift the "transformation" to higher levels of thought. And Venus joins in with...

5 - "PEOPLE ON A VAST STAIRCASE GRADUATED UPWARDS" - Venus is pulling things up! This is the Evolution of the Revolution! Viva la Evolution!

But before Venus moves to the vast staircase, it will complete discharge of "during a silent hour, a man receives a new inspiration which may change his life." So before we rise, we have a tete-à-tete with higher powers. A Full Moon Grand Trine is the sort of thing that can change our lives. Take a moment to connect in and receive inspiration about what is happening in your life.

6 - MARS' EAGLE - Mars is discharging "a flag turned into an eagle." In context of the Full Moon astrology, the bald-headed man's operation (an ideal towards freedom and God) is soaring. This applies to our willpower, as well. Mars' energy is uplifting!

7 - DARK FATHER - Today is 10 Reed in the tzolkin. 10 is darkness, deconstruction, and chaos. Reed is duty and doing the right thing. The Full Moon enters during the night (New York time, which is where we focus as a location for the collective of humanity). The tzolkin runs from sunrise to sunrise, so even though it is a new Gregorian day, it is still the energy of 10 Reed.

Russia is the hidden or unknown place (dark) that is implementing deconstruction of the archontic system, and the disruption causes chaos. Chaos is a part of transformation. We need deconstruction to set things right. Putin is the archetypal "dark father." He was born under the energy of 10 in the tzolkin.

8 - TEA - Tea played a big part in the revolution of America. Pluto is discharging "a woman reading tea leaves." We see the future when we study astrology. We see that the Full Moon has long lasting impact. We know when to observe, and we can become objective — discerning in our own way.

Back to Saturn. I never forget Saturn. A fertile garden. Seizing our own power. A sword is put away and left to others to remember what it was like to take out the archons. In silence, God speaks to us.

We are aligned with fellow wise owls of the large aviary that is going somewhere (up). A flag is waving the willpower of the Eagle.

Is there anything to worry about?

After the chaos, the world become fertile. After the archons, there is no more need for war.

"We, the Galactics, are here with the whole of heaven! War is never the answer! Goddess is here. Take that to heart!"
