2023-10-21 Wings of Isis Transmission: Moving Beyond All 3D-4D Limitations.

- [Steve Nobel](#)

This Wings of Isis Transmission...

In this remastered transmission we call upon the archetypal Goddess energy of Isis to enfold us with her wings and take us to a Temple of Light beyond this time and space. There she transmits light to different aspects of our psyche, our bloodlines, our timelines and to any agenda or energy within our ascending reality that seeks to limit our sovereign freedom .

Isis was first an Atlantean High Priestess of the Alta Ra priesthood who ruled the Egyptian colony after the sinking of the Motherland, Atlantis. In time, her memory merged with the archetype of the Great Mother Goddess.

Music by...

Chris Collins and the track is called Inner Light (Delta Wave version).

Polarization is part of a process,
When a relationship needs to grow,
Where each go within and decide on their own,
To bump it up or leave it alone (or go it alone).

Anyway, so yeah, we're dealing with "discord" at this time, and discord can have both a positive (life-affirming) or negative (life-defeating) effect, which I go into in this video. The positive effect is that it can help us become conscious of what we were unconscious of before. The negative impact is that it can lead to harm if we don't listen and don't become conscious but stay in our ways and try to force others into our way of thinking, feeling, or living.

What does not have to happen is trauma, pain, violence, and/or death. Come to think of it, there are actually three effects now, aren't there? 1. Learn, grow, and come back together. 2. Learn and grow that you're better off apart and go it alone. 3. Don't learn or grow and try to shove your values/beliefs/lifestyle etc. onto the other! Oops! It is too late to go back and redo the report, so I hope you read this! May you find your way through 1 or 2, and may life continue to always bless you!

So, besides the song I had for this week, I just got turned onto Justin Bieber this morning! I found this live recording where his first song, Love Yourself, is a perfect example of no. 2, and the second song is more like no. 1! Coincidence?

2023-10-28 [Events+ Ancient Civilizations Conference](https://www.gaia.com/video/prediluvian-harmonic-pyramids-a-global-model) - Season 2 Episodes

<https://www.gaia.com/video/prediluvian-harmonic-pyramids-a-global-model>

Was there a prediluvian geometric standard for constructing pyramids around the globe? A mathematical analysis of the three pyramids of the Giza Plateau reveals a pattern consistent with Egyptian Mystery School teachings, 'Pythagorean' ideals, and the musical/harmonic interval.

Robert Edward Grant demonstrates how this same pattern extends beyond the Giza Plateau to include the Bent and Red pyramids (Dahshur), and the Medium and Abu Rawash pyramids. Grant also shows how this integer interval/harmonic pattern reaches even further to include other Prediluvian pyramids located outside of Egypt, including Mexico (Teotihuacan and the Yucatán), Faroe Islands, and Xian China, citing strong evidence for a global geometric standard for pyramid construction.

Reading: 2023-10-28 Today's ECLIPSE: A Changing of Consciousness

Tania Gabrielle <newsletter@taniagabrielle.com>

We are reaching the pivotal Taurus Lunar (full moon) Eclipse - *just hours away!*
There has been no shortage of major developments and awakenings in the throes of our current eclipse season – which is leaving a revolutionary impact.

Revolution ultimately is a changing in consciousness.

It is a *movement* of a state of being you're in.

- You move from this state of thinking to *another* state.

These changes of state literally happen overnight. Your consciousness lights up. You're having an AHA moment. Literally **in a millisecond you break free.**

It's an *Epiphany*.

If you look at your fundamental changes in life, they didn't evolve over some drawn-out process - *you have a moment of incredible insight. And it changes you forever.*

These transitions occur at light speed!

It is a moment of enlightenment.

Revolutions of consciousness, movements of state, have occurred throughout human history on a personal and collective level.

- The **intuitive mind** is where you get ideas within milliseconds that are true, and you can't argue with them... The idea doesn't *reach* the intellectual mind.

Contrast that to the intellectual mind, which can rationalize *anything*.

Lower vibrational energy uses the intellectual mind to **rationalize contradictory behavior.**

- God/Spirit/Source operates on the intuitive mind.
- And it is with your intuition that you get very, very powerful truths within milliseconds.
- *These truths are **way beyond** the intellect or the instinctive mind.*

So, this Lunar Eclipse **opposition** between Moon/Jupiter and Sun/Mercury/Mars is pointing out opposite agendas and asking you to be aware of them.

This is when **behavior patterns that are contradictory are rationalized.**

Specifically, your intuition is pointing out:

When you look at someone's thoughts and their actions - their words and their actual deed - *and they **don't match up***, you notice that they will *rationalize the contradiction*. You note that they do this consistently and often quite subtly.

Observe whether you rationalized to yourself any contradictory words vs. deeds.

Intuitively something felt off, but your mind "talked you out of it".

(That's how a lawyer can make a criminal look good.)

A person either lives with consistent integrity, or they don't.

The number **8** makes the difference clear.

October, 2023 is an 8 Universal Month, which is why the recognition of an intuitive perspective vs. an intellectual one is being made more clear than ever.

- **8 symbolizes two windows - the higher and lower mind – intuition and intellect.**

In 2024, an [8 Universal Year](#), this difference will be front and center.

It is vital that we stay true to the Divine in order to navigate these times with grace and peace.

We'll be diving into this profound topic in the 10th annual Ultimate Yearly Forecast presentation - a 3+hour virtual event when you'll discover **the secrets behind every Astro-Numerology activation in 2024** and thrive as a result!

Only a *limited* amount of seats are available at the Early Bird Discount, so be sure to check out all the details now! [Click here to get your special Early Bird discount.](#)

Blessings and Love,
Tania Gabrielle
