Love can be defined as a wish that others be happy; compassion is the wish that they be free from suffering. If you cultivate love and compassion within yourself, it will ensure happiness, good health and peace of mind

#15

Rama: I received a text message from **#15** at 11:18 am, this morning. He said to me, "Lord Rama, the 13 families are playing with the nuke card. As that is the case, they are going to meet Captain Ashtar. There will be a world-wide announcement and nuclear war is not an option. We are in the moment where we can change this agenda with our thoughts. There are more solar flares going on today. Stay in the high heart; miracles and magic are happening right now. Sat Nam! Namaste! And Blaze the Violet Fire!"

How we live from day to day affects our future. Warm-heartedness is the key factor. I think about it always because it's warm-heartedness that brings us peace of mind.

Monday Tom the Ring-tailed Cat and Sweet Angelique the Cat

Rama: I received a text message from **Tom the Ring-tailed Cat and Sweet Angelique the Cat** at 12:13 pm, early this afternoon. They said to me, "Lord Rama, the solar flares are increasing by the hour. At the same time, as our hearts are open, the nano particles are raising our DNA by the nano second. The dark side continues to go down fast. Whatever the problem may be, Love is the answer.

"Once again, we say we are in the last hour, the last nano second of this old timeline. The people in Iran are on fire with freedom in their hearts. They are saying 'No longer with the empires of the world control us!'

"The Ashtar Command is here. Mother Sekhmet and her Paschat warriors are here! All we are saying is 'give peace a chance.' Sat Nam! Namaste! Blaze the Violet Fire!"

MOTHER SEKHMET HAS REPORTED FOR DUTY!

Time to complete our Jedi Training!

Tom the Ring-tailed Cat and Sweet Angelique the Cat

Rama: Today I received a text message from **Tom the Ring-tailed Cat and Sweet Angelique the Cat** at 11:38 am, late this morning. They said to me, "Lord Rama, there were three solar flares today; there could be more before the day is out. The Schumann Resonance is way up there, and the ascension symptoms are heavy duty! The dimensions are really merging with each other now! There are all kinds of beings here; some have not been here since before the flood more than 6,000 years ago. They are here now because of the seriousness of the climate disruption going on at this time.

"These folks are some of 'The Eternals'. They have been living on Titan, a moon orbiting Saturn or Europa, a moon orbiting Jupiter. Those moons – Titan and Europa – have very large cities on them, except they are Light Cities. Each of these moons have fusion generators which provide inexhaustible, clean, light energy. All of this will come out after Full Disclosure and The Enactment of NESARA Law, both announcements as a simulcast. Please remain in your high heart. At this time, the energies are very intense so Blaze the Violet Fire! Sat Nam! Namaste! May Peace prevail on Earth!"

Tom the Ring-tailed Cat, and Larry, Curly and Mo

The Sun, as of 2022-10-05; sent by Lord Rama

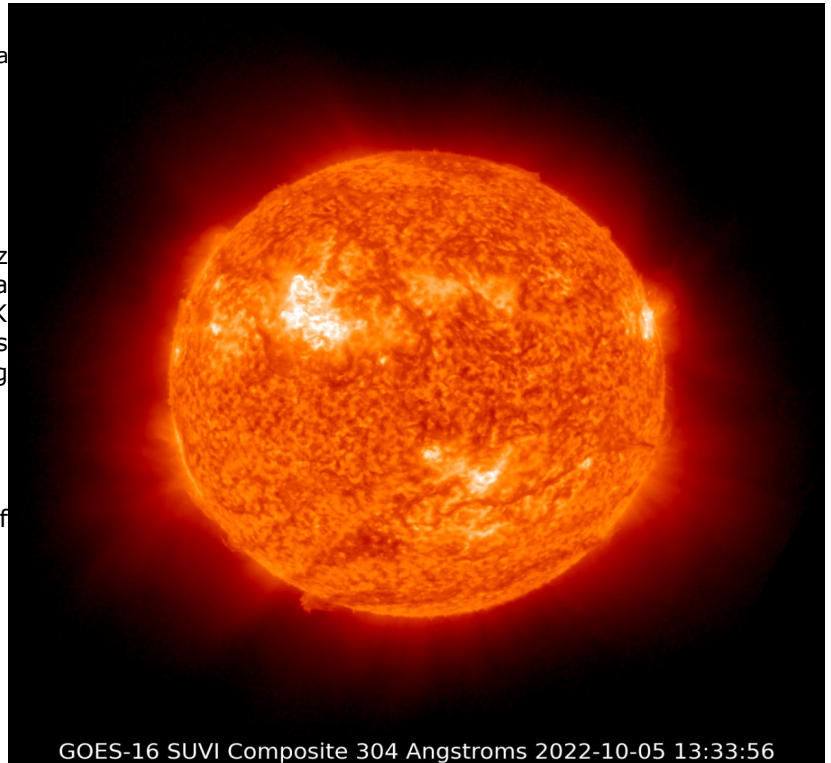

Rama: I received a text message from **Tom the Ring-tailed Cat, and Larry, Curly and Mo** at 11:55 am this morning. They said to me, "Lord Rama, recently the UK voted for Liz Truss as the Prime Minister, and she is a horror story for the UK! She is turning the UK to the extreme right; the Labor Party is thoroughly disgusted with her right wing policies."

Larry went on to say: "She is cozying up to Viktor Orban, the fascist president of Hungary. All of these things are part of the old timelines; people are rising up all over the planet!

"As we approach the crack between the two worlds on Samhain, October 31st, Hallowe'en, the landscape will look very different.

"Goddess is here; She has girded her armour. She is the Collector of Souls, and She is collecting these souls and taking them back to their individual time lines. PLEASE Blaze the Violet Fire!

"The Dark Side wants a war. Mother comes and says "I AM the end of war!" See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!"

Plasma Field

Rama: I went and sat in the **Plasma Field** today. It was 11:22 am this morning. It showed me the current situations happening on the planet right now. The Plasma Field showed me the various war rooms where the 13 families are conspiring to remain in the old timeline. "Yet they cannot. The various light rays coming in are lifting everything and everyone up in the Circle of Life. As you are not aware or tuned in to this incoming light, this Light will still lift you up."

Meanwhile in other news, the dark side is playing with the fear card. This fear card goes back 26,826 years. These dark ones would still like to create another polar shift like the one we had 26,826 years ago. That has been cancelled by the 4 Muskateers, the Cosmic Time Lords: Mother, Michael, Metatron and Maitraya. Our biggest task at this time is to heal the collective PTSD we are all going through. It is imperative we heal our PTSD in order to embrace the incoming Ascension frequencies.

"Whatever you are hearing about nuclear war, bear this in mind: what happened 26,000 years ago doesn't even compare to using all the nuclear weapons on the planet to try to accomplish what we did 26,000 years ago. This is because, as a human race back then, we were far more technically and scientifically advanced to what we are now and, at the same time, we lost our hearts to our fallen human egos. The difference between then and now is that we have all awakened to the quantum field which is respect for all life in whatever form it comes in. See you in the light of the Most Radiant One. Sat Nam! Namaste! Blaze the Violet Fire."
