D: INFORMATION ON Dr Keshe:

Introduction to the Keshe website

- There is a wikipedia on the foundation website: lots of definitions and answers to questions there too; also a first aid information page -
- The Kerry Ellis workshops are also good

GOOD NEWS REGARDING KESHE FOUNDATION TELEVISION STATION -

On Friday, March 19, 2021, KFTV was launched. [Keshe Foundation TV]

When over 2 million knowledge seekers logged on – plus an unknown number of other listeners - the servers were over loaded. The system could not be recovered, so the operators had to use an alternative method of broadcasting

<https://vimeo.com/526497248>

Go to the 40 minute mark as that is when KFTV goes live

Opening Comments from the Co-hosts:

Omena: has been thinking about the world-wide turbulence and hoping people would get into hopefulness; about becoming a little happier

- maybe expand social connections – meet new people – maybe engage in random acts of kindness wherever you are: just smile – it's seen thru the masks
- expressing gratitude – the more grateful we are, the more abundant we are
- being more mindful – no matter what you are doing – be mindful of surroundings, of doing a meditation
- having a bad day – meditate
- practice self- compassion – be nicer to self – have a nice cup of tea and sit down to enjoy it; find your own ritual: can share it, but don't allow anyone to take away that ritual when you have self compassion for yourself, it eventually grows to include others

Vinayak: any insights about what's happening?

- Feels so grateful – wants to share that gratitude
- as he is more mindful and making mindful choices about what supports him and lets go of all the rest – given up watching TV and reading newspapers- listens to uplifting messages, uplifting music and getting up to dance when some music plays - whatever makes you feel better – it's a conscious choice
- we chose to be here and we are all waking up more and more and more on the planet and things changing rapidly – Schumann Resonance is rising so high; the galactic energies are so much higher; the astrological info also supports us
- If you are feeling you are in contraction, know it will pass – hug yourself, praise yourself, be grateful for everything you have, no matter the size or degree of abundance – we are creators who are calling things forth

COR: gave up tv 2 yeas ago

Randy: we're seeing lots of hallucinations these days, or are they?

- brings up a ship stuck in the Suez Canal – 1220 feet long, 193 ft , 200,000 tonnes;
 - Evergreen is the company; the ship's name is Evergiven; owners: Walmart, Clinton Fdn

- Rumours that they transport other than furniture
- no one is reporting the missing Russian sub
- tug boats trying to free the vessel – the ship’s navigation is run by computers as the passage is so narrow; word is something happened and the ship went sideways
- the name of the tugboats – Barack; Mosaed 1, 2, and 3;
- are they trying to create something called another storage gate?
- Ave ships # per day: 50; each one burns 1000s of gallons of fuel
 - means to get around have to go around Africa
- last night, KFTV ad first meeting on the channel – no problems – info on how to join will be included
- There are a lot of funny-looking cats all over the planet appearing and re-appearing – ships have landed in Bhutan and have move out of there around the planet

COR: a new channelling

- talks of NESARA – a beautiful group – many are asking when N is coming
 - they concentrate on fact that the ships are landing all over the earth
 - Bhutan and around the world – an active indication of how close we are
 - humanity is an active part of what is going on – we are witnessing it
- many of us are more in touch with those in inner earth, in the oceans; tapping into our heart mission – we are present in meetings and tapping leaders to move up the energy of their actions they bring us out of the condition of just waiting – we have something to do!
- They remind us that we are anchoring our earth mission – what we bring to the earth is vibration it’s a matter of working etherically to help thing shift and shift human consciousness so people will not faint when things happen

Rama and Tara- Faction 3 White Knights R, T

RAMA: Greetings, everyone!

TARA: Greetings! What we can start off with—and I felt the energy in everybody’s voice and hearts [as the co-hosts gave their update]. Something has changed! The shift of the ages is upon us!

- We’ll try to share what we shared last night.
 - I had a sister call up day before yesterday, and we hadn’t spoken for years. She brought up something we hadn’t brought up in a long time, and that we wanted to make clear.
 - She said, “You know, the King of Swords keeps telling us ‘It’s coming,’ and how many years is it now [that we’ve been waiting for NESARA to be enacted]!?” It brought up the relationship we have with the news that Rama brings from the King of Swords and the Faction Three White Knights.
- All the Faction Three White Knights answer to Saint Germain. Saint Germain has been in charge of the NESARA project from the very beginning.
- It starts with the Founding Fathers, because he appeared to the Founding Fathers. And he told them, “Whatever you accomplish now is just the beginning. And I will stay here in physical form, and I will see to it that your posterity will finish the work.”

- So what we're speaking about here is that, as Rama brings the message from the Faction Three White Knights ground crew, we must know it brings us the impetus to say, "How can I best serve with that information?"
- It's saying that the law is that the galactic brothers and sisters, including Saint Germain, even though he's in a physical body, and all of the Ashtar Command, even though they may be taking on physical bodies, and they've been doing that in the millions, along with the legions upon legions of Angels and Archangels—they're taking on physical bodies and walking across the whole planet.
- They are there, and people can sense it. They might know it in the way that we're describing it, but the whole world knows that [people] don't want the old way of using war to force issues, to continue an old paradigm
 - That people want something called Peace and Love, and they want to participate [in the running of their own countries].
- This is why Saint Germain is overriding this situation. He's observing how maybe this group of us that's been here—and Caroline told us last week that there's 20,000 people each month who are coming to our shows and listening, and that keeps growing. I remember some years ago, it was 11,000 a month, up to 20,000 [listeners] a month, every time.
 - This is magnificent! The energies now are getting ready to expand multiples of that amount. So we are the ones we've been waiting for, and we work with our Love in our high hearts, and the galactics can come in [even] more.
- This is not about being angry about, "Well, the King said this, and the King said that, and nothing happened!"
 - **It's really about the fact that it's never been about money. It's been about prosperity, abundance, opulence, but not necessarily about the "system,"** which is called "[do] anything for profit," which means it's focusing on money.
 - The **focus on prosperity and abundance and opulence—that focus is on Love**, from the high heart. As that is observed by us, in a particular way, it's talking about, at this period of time, world group service. It doesn't say it's going to be about communism or socialism or any of those terms. This is a whole new story!
 - It's called **Divine Government**. And Divine Government only occurs as we join together with abundance, prosperity, opulence through the Love of our high hearts. That's Divine Government, and that has to do with the inside and the outside. All the Washington, DC ____ [?] [To Rama] What do you want to say?

R: How it's been described to me by the various folks and beings that I talk to, who are in this realm and many realms—**what's happening is the Great Convergence**, I could say, the Great Alignment of the energies as we move into this Easter—leading up to Holy Thursday, then Good Friday, leading up to Easter.

- To cut to the chase, I went up and created a Jedi Council today on the spot [I usually go to], and the Poppy Lady showed up with her friend who's an Afghani Mongolian shaman lady who's 150 years old. She doesn't look a day over 40 or 45.
 - She's been living on goji berries, blackberries, raspberries, blueberries, and *fo-ti* ____ [?], which is also called *ho shou wu*. And she doesn't get sick.
 - She's "as strong as 10 men," as she describes herself! And she shared with me what's happening with the galactics coming in, and this Great Awakening that's occurring.
 - Tom and Curly showed up in the Jedi Council too. All of this right now has to do with this Resurrection time, that is not just Easter. It's also called [pagan festival of]

Ostara. It's very ancient. It goes back to Sumeria and Babylon. And somewhere in there, the Annunaki played with things and twisted stuff, as the Fallen Angels do.

T: Did you tell people about Inanna?

R: Inanna is another name for Ostara, which is the planet Venus. Right now, Venus is in alignment with the Sun as we approach this Full Moon coming up. All of these are very positive things that have to do with the energies pouring in, with Resurrection Day. And this opens portals at this time.

T: So tell people where they can read more about this.

R: Go to our website, RainbowRoundtable.net.

T: And there's a place [a page] that says [NESARA](#). I know that Omena has been saying, "Tell us more about [NESARA](#)."

- NESARA is the 3D actions necessary to leave the old order, including the Vatican, and dismantling the old Vatican order, which means dismantling Rome. Because Rome never fell, it just changed names to the Vatican in the 1400s.
- The "rule of law" is "Eat, drink and be merry, for tomorrow we die." **No—that's the old paradigm.** Money is no longer the focus. Never was.
- Just to give a few brief bits about the story, and you'll read more—there's a 33 page document there [on the website] that describes who did 9/11.
- NESARA Law was supposed to be announced by Alan Greenspan the morning of 9/11. 9/11 wasn't supposed to happen. A glorious day of NESARA, which would bring infinite abundance to everyone, and never a day where you don't have enough time, Love, money, air to breathe. A roof over your head. Free education, free energy, and Divine Government.
- Instead, the ones who were controlling said, "No, we don't want to do that. We want to do 9/11 instead." But there's a **37-page true story that tells who did and how**—37 pages worth of explanations in there describing, and that's really important.
- It's really important that people know that this is not something that is Rama & Tara's figments of imagination, and making up stories for the last [41 years!]
 - Rama met the King of Swords in 1980, and I met Lady Master Nada in 1986. Forty-one years ago, Rama met the King of Swords! That brought his role into play.
 - And what's Rama's role? **He's the only person [in the world] who has a direct way to talk to the Faction Three White Knights without having signed a gag order!** Everybody after 9/11 who was in media, who was in Hollywood, who was in politics, all over the world, had to sign a gag order promising to keep that gag order in place, which said that if they ever talked about 9/11 or NESARA they would be considered treasonous and killed.
 - That was in that gag order that all the media people and all those politicians the world over and all the Hollywood people the world over had to sign.
 - Rama never had to sign that. There was a special reason Rama met the King of Swords. He was guided by his father, who is [Captain Lord] Ashtar, and his mother, who is [Lady Master] Athena.
 - Rama's name is the being called the Divine Son of those two, who is Lord Ari.
 - When we recognize our roles, and when we actually stop playing false humility games, or act like we're just humans, so we get mad, and do—yada yada.

- Here's another example; Leonara has been speaking with Rama, and she is 20,000 years in a body, and she looks about the same age as the 150-year-old Mongolian lady Rama just met at the Jedi Council.
- All kinds of things are going on, but one thing that is not going on any more is the old timeline, and it sped up exponentially quickly. Rama was saying something to me today about—what's his name, down there in Florida—?

R: Marco Rubio has been tearing his hair out, and Dr Greer has picked up on this. It has to do with articles out on the internet about the ships showing up over military bases and neutralizing the nuclear warheads, neutralizing the computers that control the warheads, and using the circuits. They are quite concerned about this.

- This is also tied in with the many stories out there about the little "tic tac" UFO that has been seen by the Air Force and Navy pilots where they can't catch up with it, and it disappears. Dr Greer alludes to the fact that it might be some kind of AI technology the Men In Black have created from the deep state. It might be some other folks in our neighborhood.

- Yet our scientists are very worried about it. Marco Rubio is tearing his hair out, saying, "We need to talk about this, and get it into the public eye!" There are folks alluding to this, and saying, "This is going to break on major media across the planet."

- It also has to do with an agenda Dr Greer has spoken about many times, where they want to play their final card, which is to declare the folks who are coming in, who are our friends, [saying they] are our enemies, and saying, they want to do a fake alien invasion.

The Ashtar Command has already said, *That's cancelled. No nukes!* Yet they're pushing.

T: That's OK, because then the Ashtar Command will intervene!

R: That's right!

T: The politicians are going to have to step aside.

R: We're going to have to figure out how to talk to each other whether we're blue or green, or we have fur.

T: What we have is the technology that's been suppressed for 70 years.

To focus on the Dracos constellation, where the 500,000 members of the 13 Families and their assistants and the Vatican—all of those beings from all those energy fields and organizations will be taken [there] on starships. They will be taken to Dracos.

- It's all there, and in an instant we will be able to tune in to that focus of an intergalactic war crimes tribunal that will be presided over by King Dracos and Princess Ardala, daughter of King Dracos. And they will present to the world on our TVs what's been going on in terms of the intergalactic war crimes that these people have committed, that people think is a long way down the road right now.

- Any questions? Caroline, does the Collective want to ask something before we pass the talking stick to our guest?

COR: I can ask them. Our guest is waiting on the line. But I'm just wondering if Rama finished his update about the Jedi Council. Did the Poppy Lady have anything to say, or did Tom and Curly have anything to say that you haven't shared yet, Rama?

T: You're right. At the end, where Tom the Cat and Curly said to you, "Lord Rama, Nature and Nature's God are here. The time is now!" Tell that little story about what happened at the end!

R: As I was sitting in the Jedi Council, five deer showed up! They just walked calmly into the circle. They weren't attracted to the various folks I was talking to; they just wanted to talk to me, and they came up and started pushing me with their horns.

T: In other words, they were all bucks!

R: Young bucks, and they wanted to play! I pulled my camera out and tried to take pictures, and they ran!

T: So that's the end of the story.

COR: So the Poppy Lady didn't have anything to say?

R: She had with her this lady Baba Yaga, a Mongolian Afghani shaman who has been seeing the ships come in for many thousands and thousands of times. She was saying that right at this time, it's so unprecedented that the ships are showing up in great numbers across the planet. It has to do with the Great Convergence, as we move into higher states of consciousness where the dark side has lost.

T: And Lady Master Nada told you that she was in the mountains of Bhutan, where she was witnessing 25,000 starships from the Pleiades and Sirius. And she was meeting with the Pleiadeans and the Sirians at the higher leadership level.

- She gets to go there is because she's in two worlds. She volunteered to incarnate in Lebanon as a Lebanese being, and she is also the head of the Solar Tribunal on Saturn. So she's a galactic human, just like Saint Germain.

OR: The Collective just have one question, Rama: *Are the galactics responding to Earth people saying in their higher consciousness, and in their sleep state as they're travelling etherically, "Yes, we're ready for you to come in!"—?*

R: [*Emphatically*] Yes!!

COR: Thank you so much for that beautiful update!

Guest Biography: **Dave Barnett**, also known as Dave the Mystic, from Littleton, Colorado.

Dave is an energy medicine practitioner, healer, and intuitive with more than 30 years' experience. He has multiple technical degrees, and enjoys telling people he's a rocket scientist, so yes—he's an aerospace engineer.

In the early 1980s, Dave had some turning points in his life that led to a passion in discovering and developing his gifts in energy healing.

Dave is a strong believer in health issues having many potential causes in different energy planes. He works with different spiritual guides, and communicates with them freely.

He's trained in many modalities and has gifts in healing, reading the Akashic Records, energy and entity clearing, changing core beliefs, and discerning spiritual gifts.

Dave uses many healing modalities with clients, such as Therapeutic Touch, Healing Touch Program, Psych-K, the Yuen Method, Theta Healing, Matrix Energetics, herbs and oils, crystals, sound healing, entity and energy clearing, Akashic Records reading, soul retrieval, and karma burning.

Because all of these modalities can be used both in-person and long distance, Dave works with clients all over the world.
