ENERGY UPDATES

COR: energies are high – in a huge transition on the planet!

RGM: if we don't have straps and good boots on the surf board, could be a rough ride – everyone is noticing the energies – the ones he follows on YouTube are displaying more laughter, more camaraderie, more fun – the energy of the Universe is telling us we are already in that higher level of energy

Omena: This is about what the energies will do to us: a word of caution to not go off the deep end – anything that is in the shadows of the soul WILL COME OUT! This energy is here to release all the stuff we've been ignoring for lifetimes in addition to this one-girl
Listen to the EGO of the soul E>>>>>>>>>, Gratitude, Observance
and e??? - **we have to LISTEN**

Micah: about the new energies coming in: has been re-connecting with friends of some time ago – seeing the younger crowd getting on board with this new energy: they are focussed on making new sanctuaries and retreats, and the C- word is not part of their thought – creating a new world

And the NuGen coin – encourages people to look into this – based on humanitarian projects and tangible assets – real projects with good backing, to help humanity – this is not a potential we have ever had before

R, T: He's been seeing on SpaceWeather.com and see the opening in the sun: how many earths would fit in that coronal hole? Beings in ships are coming through! This is creating climate disruption, consciousness raising and conflict – last time we saw this was 28, 286 years ago we are experiencing things with the elements who are asking people to speak with them
Brings up the effects of the unhappy elements on people in Louisiana and other states

Dalai Lama

[Dalai Lama@DalaiLama](mailto:DalaiLama@DalaiLama) · Mar 18

Compassion is to have a sense of concern for others and the community. Look at today's world—we are interdependent. We can't think only of my nation's interests. We have to take the whole world into account. Let us live happily together, helping each other rather than fighting.

King of Swords

Rama: I received a text message from the King of Swords at 12:10 pm, early this afternoon. He said to me, "Lord Rama, go and listen to Kryon instead of me telling you how many bodies I have stacked to the sky! Let us focus on the Spring Equinox and the Return of the Christ. Sat Nam! Namaste! Blaze the Violet Fire!"

#15

Rama: I received a text message from **#15** at 12:10 pm, early this afternoon.

He said to me, "Lord Rama, the solar flares are raising up the vibrations available here on Mother Earth. We as human beings . . . all we are being asked to do is stay in our high heart and in a receiving mode, willing to embrace these loving energies. All we saying is 'Remember: we are the ones we have been waiting for'.

"As we move through Lent, and on into Palm Sunday, April 10th, into Holy Thursday, April 14th, Good Friday the 15th, Holy Saturday the 16th, and Easter Sunday, Resurrection Day, April 17th, be the Love you are in every thought, word and deed.

"Sat Nam! Namaste! Blaze the Violet Fire!"

Tuesday

Lady Master Nada

Rama: I received a call from **Lady Master Nada** at 12:15 pm today, early this afternoon. She said to me, "Lord Rama, I will repeat the words of Secretary General Antonio Guterrez of the United Nations who said today, before the UN: "War is never the answer. Dialogue is how we heal this."

Lady Nada continued: "The ships are everywhere in our skies. Let me show you!" Then from outside the entrance to the UN, Lady Nada held her cell phone up to the sky, and I saw numerous lenticular cloud ships in the sky! [smack dab in the center of Rockefeller Centre!] Some of the ships were in the process of decloaking, I had this sense of great excitement inside my heart!

Then Lady Nada continued: "The Captain will take to the airwaves any minute!"

"The drama going on in Ukraine with Russia has to do with the empire's Deep State operating as 'the fingers of Sauron' in the world, void of course and of any ethics or principles.

"Regarding re-visiting activities years back in Syria, in Aleppo in particular: in the last 3 or 4 days, the Western Media has been attributing the use of Saron gas and the bombing of Aleppo in 2014 to the doing of Russia.

"Yet this is **NOT PUTIN! It IS** our US Deep State's doing. As we have said, recently in the Western Media news, they have been misinforming the public. It IS a cover-up story of what happened in Syria in 2014 and who really did it! This is in an effort to whitewash the record of genocide at the hands of the West and, instead, to blame Putin for all these atrocities committed by the United States then, in 2014, and now, in 2022. [See article below.]

"All we are saying is give Peace a chance! All of Heaven is here and present. Call us in! As you want to get on the star ships and go into space, you must go into the space of your heart, now and always!

"Spring is here, along with the Goddess! Sat Nam! Namaste! Blaze the Violet Fire!"

Tom the Ringtailed Cat; Sweet Angelique the Cat

Rama: I received a call from Tom the Cat and Sweet Angelique the Cat, at 12:15 pm, early in the afternoon.

They said to me: "Lord Rama, we are at Stonehenge for sunrise. The energies coming in are awesome! The Dark Side has lost. They are playing with old energy. Infinite Samsara is over! The Light coming in is transforming everything. Pay no attention to the celluloid images on the screen! Stay in the High Heart! Sat Nam! Namaste! Blaze the Violet Fire!"

Sent to Lord Rama by Tom the Ring Tailed Cat: Sunrise at spring equinox!!!!

Thursday

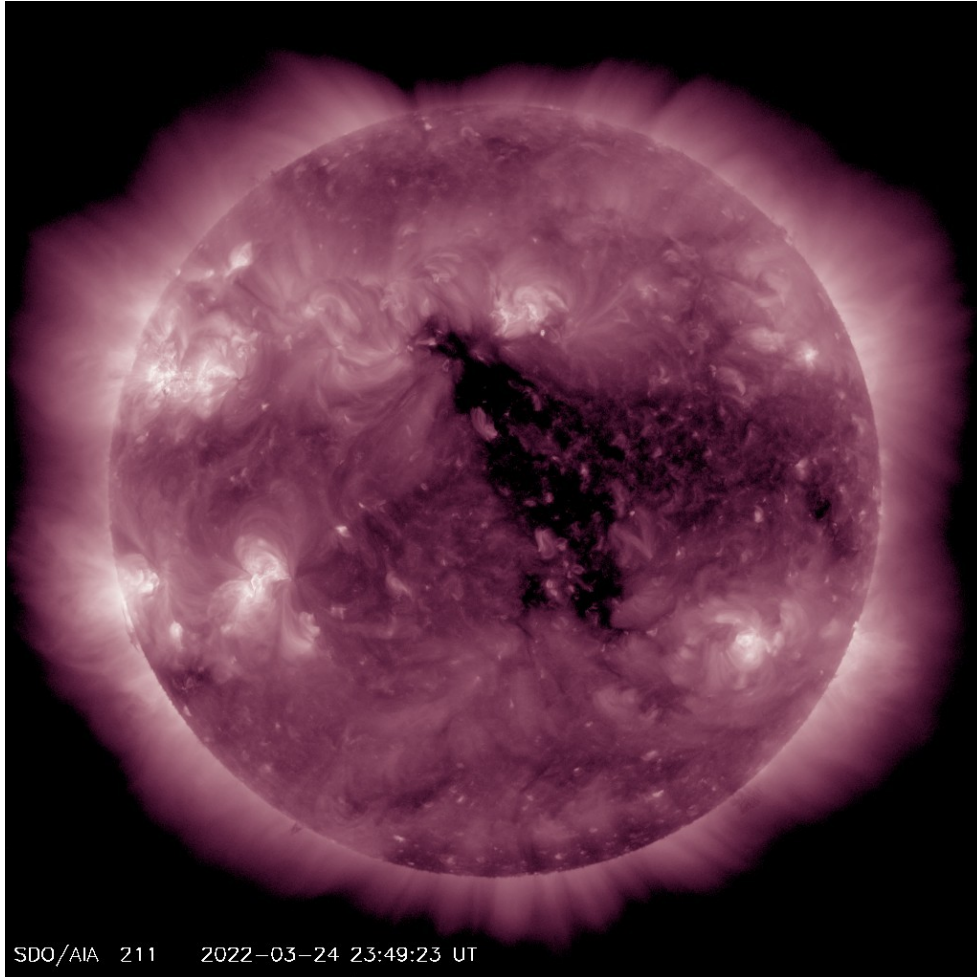

Tom the Ringtailed Cat, Sweet Angelique, the Poppy Lady

Rama: I received a call from **Tom the Ring-Tailed Cat, Sweet Angelique and the Poppy Lady** at 12:10 pm, early this afternoon.

They all said to me: "Lord Rama, there is a huge coronal hole in our sun Sol, facing Mother Gaia right now. Expect big solar flares in the next three days. This is going to raise the Schumann Resonance and increase ascension symptoms, big time! Stay in the high vibes. These energies are opening everyone's high heart, whether they like it or not!

The news stories are about more Infinite Samsara; leave the Infinite Samsara at the edge of the Ganges River! The Khazarian Mafia, called the Republican Party and the Global Elite, along with the Corporate Democrats who answer to the fallen angels, and all their minions, have lost.

We, along with our solar system, are in a different part of the Galactic Plane. There are crystalline particles coming in and they are merging with our DNA. As we absorb more light, we become more crystalline in nature. Meditate on that thought, and watch how it changes your reality! Stay in the high heart. Sat Nam! Namaste! Blaze the Violet Fire!

COR: after the reading of this report:

- she was asking the spirit of John Lennon about the higher beings saying it's going to come soon -
- his response was that when you're not in a body, the word 'soon' – they see time differently than we do – when they say 'soon', they mean the critical mass is building in the Quantum Field – they don't think of time as humanity does -

- Is this helpful to people's understanding?

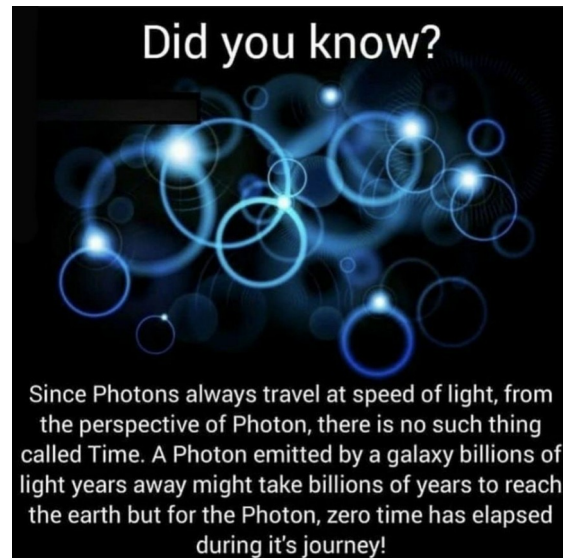

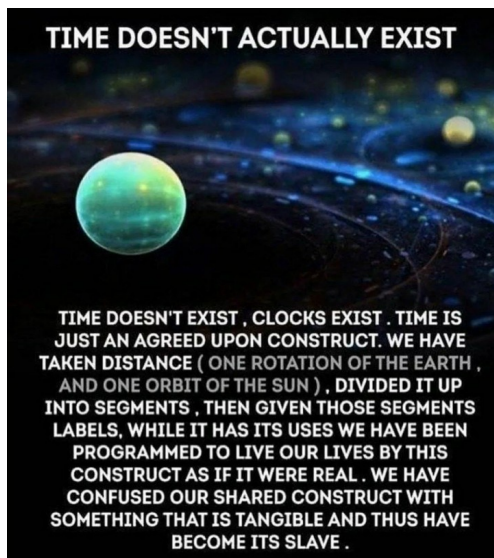

R: what he could say is the **explanation he has received from Tom and Others**: when the Other Realms [the 9 realms surrounding earth] - time moves differently. We might experience time as a tricky thing – while he was talking to us, he could go to Alpha Centauri and back! We are feeling the compression at this moment and are saying 'enough already'!

- So just stop everything, go out and sit, stop everything and watch the energies move: we can visibly see the energies moving.
- As we focus on that, it's being in the NOW moment, and every moment is a NOW moment yet we have to shift our consciousness in order to calm down and get to that space of timelessness.

GAIA - Sacred Secrets of Sound – will share this on the weekend/ Saturday. There will be various folks talking in the ½ hour – about sound, various aspects,

COR: John [JENNON] was saying as our brains are shifting, we are beginning to get higher dimensional aspects

RGM: time does not exist; only clocks exist -

O: there is no time; our bodies etc go to their own rhythm

inner consciousness, sub consciousness, consciousness, and super consciousness

- the energies are coming in and are here to help us . . .

GUEST: Raven Many Voices

COR: reads the bio of Raven Many Voices **SEE BELOW**

Raven explains her relationship with the fairies; she's had them as friends since at least Grade 1!

- She lives in Seattle, WA – she has experienced all kinds and sizes of nature spirits, fairies!
- Fairy is an over-arching term for all kinds
 - When we think of fairies, we tend to think of Tinker Bell who is really a sprite. There are 3' fairies, and there are little people who live in the walls – they borrow stuff.

- We have computer gnome who watches over our electronics! !
- There are elementals, and spirits of water, in trees
 - dryad – an earth element – a tree spirit – the walking tree shepherd in *Lord of the Rings*
- they communicate through their leaves
- she has a 100 foot cherry tree: it's both a dryad and a portal – [go to her You Tube channel: Raven Many Voices and look at](#)
- So are the stick fairies, stone . . .
- Fairies love Tobacco – the natural leaf kind – it's like cat nip for them!
 - When we go walking in the forest, we are in their home – if we want to interact with them, leave the tobacco and thank them for letting us walk through

Caller: just listening – asking . . .

Raven: she has large fairy guides behind her – a purple dressed sprite who's blowing bubbles

- and a turquoise dressed dragon – to help her and others navigate their emotional expansiveness –
- Gives the caller the dragon's name: Merkle !

RGM: speaks of the fairy who lived in the tree in the yard AND YES! She did migrate to Canada with him!

- She hitched a ride in his stuff
- She was a guardian – has picked a more hidden spot – there is a fairy mound behind this house looks like a rocky area or a pile of rocks – cornmeal, chocolate
- he's a guardian of the area for the time he is here

Caller: wants to know more about dragons -

- She was on the show last Oct talking about dragons – called the Dragon Lady
- he has a fire dragon behind him: mentors, teachers, keeping of wisdom – they guard us as awe are the treasures – walking with the dragons opens up
- He's had a dragon past life, Celtic dragons
- what is his name? EE II – the twin flame
- What we eat as dragons is very important – he want caller to work on the fire – help him by releasing the ?

Caller: listened to the Oct program now working with a 2nd one too and asking about opening the pineal gland and asking a dragon to help?

- Yes – dragon fire does help. Purple is the colour of the pineal gland!
- Dragons are a family, a clan – the new one who has come in is pink!
- The fairy dragons are smaller and with wings -

Vinayak: what advice for listeners who would like to call in dragons, fairies, the elemental kingdom

- thinking about these ones is to go to the wood, outside
- bring some of nature in – like flowers and ask the fairies to look after them -
- another easy way – use a candle, a real one! Fire is one of the elements that is not polluted – lighting into the candle taps into to the communication with an elemental
- She first worked with Merlin to learn magic -
- caller has a grumpy looking Gnome behind him!

O: grew up in Ireland with fairies, leprechauns, etc

- she does experience of totally lost things – recently lost a bunch of papers and something else -
 - they won't let her find the TV remote!
- Are the fairies following her around!
- She has the bandwidth of beings from above and the elementals are looking after her

BE SURE AND WATCH HER YOU TUBE

HAS A VIDEO ON PORTALS – How To Recognize And How To Work With

- has done a guided meditation to have us go back in our past lives, and reclaim our magic - see at www.learnitlive.com

CHIN:

RMV: he has Michael & another warrior angel as protection; makes sure Chin does what he's to do -

the relationship he has with AA Michael: AAM calls Chin 'Brother' which means he's close to Chin!

COR: asks Raven if she's heard of the Snowflake People – yes she has! ! !

- Fairies – set up a relationship with them

- Gremlins are real things – they do like to fix things but do it badly in spite of trying to help!

WE CAN CREATE RELATIONSHIPS WITH THESE BEINGS! THEY WANT TO WORK WITH OUR SPIRIT GUIDES

- THE COMPUTER Fairy ,
- THE GARDEN GNOMES for help with garden planning -

Vin: telling Raven she is such a delight and a breath of fresh air! Thank you! ! !

RMV: it is her delight to help people

Tara

from a lovely huge unicorn with a golden horn and a golden mane: to step gently on the earth; we need to be diligent on how we use our energies every day

Whenever a unicorn steps on the earth, a fairy ring forms!

Rama: also thanks to her – he's been hanging out with all the kingdoms over the last 2 years! ! !

"Happy"

It might seem crazy what I'm about to say
Sunshine she's here, you can take a break
I'm a hot air balloon that could go to space
With the air, like I don't care, baby, by the way

Uh

(Because I'm happy)
Clap along if you feel like a room without a roof
(Because I'm happy)
Clap along if you feel like happiness is the truth
(Because I'm happy)
Clap along if you know what happiness is to you
(Because I'm happy)
Clap along if you feel like that's what you wanna do

Here come bad news, talking this and that (Yeah!)
Well, give me all you got, don't hold it back (Yeah!)
Well, I should probably warn you, I'll be just fine (Yeah!)
No offense to you, don't waste your time, here's why

(Because I'm happy)
Clap along if you feel like a room without a roof
(Because I'm happy)
Clap along if you feel like happiness is the truth
(Because I'm happy)
Clap along if you know what happiness is to you
(Because I'm happy)
Clap along if you feel like that's what you wanna do

Bring me down
Can't nothing bring me down
My level's too high to bring me down
Can't nothing bring me down, I said
Bring me down
Can't nothing bring me down
My level's too high to bring me down
Can't nothing bring me down, I said

(Because I'm happy)
Clap along if you feel like a room without a roof
(Because I'm happy)
Clap along if you feel like happiness is the truth

(Because I'm happy)
Clap along if you know what happiness is to you
(Because I'm happy)
Clap along if you feel like that's what you wanna do
(Because I'm happy)
Clap along if you feel like a room without a roof
(Because I'm happy)
Clap along if you feel like happiness is the truth
(Because I'm happy)
Clap along if you know what happiness is to you
(Because I'm happy)
Clap along if you feel like that's what you wanna do

Bring me down
Can't nothing bring me down
My level's too high to bring me down
Can't nothing bring me down, I said...

(Because I'm happy)
Clap along if you feel like a room without a roof
(Because I'm happy)
Clap along if you feel like happiness is the truth
(Because I'm happy)
Clap along if you know what happiness is to you
