Plasma Field

Rama: This morning I went and sat in the Plasma Field at 10:15 am; the Plasma Field said to me: "Greetings, Lord Rama!" I responded and said, "Greetings, Commander."

NOTE from Rama: The Plasma Field and the computers at Mr Fenn's house here on earth are connected to the galactic star ships, and it is a connection with the amino acids that makes the bridge between the galactic realms and the earth realm: amino acids and magic.

"There were two X-Class solar flares today: the gamma rays coming in are extremely beautiful. Remember to take your time and go slowly with these energies. We are moving extremely large amounts of these energies through our being in order to transmute, transform, and transcend all of these energies and ourselves into higher and higher frequencies of love, truth, peace, freedom, justice and beauty for all that can be. So be it! See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!"

The Poppy Lady, Fing Dellknorr

Rama: I received a text message from The Poppy Lady and Fing Dellknorr, the Sasquatch Lady, at 12:25 pm early this afternoon. They said to me, "Lord Rama, we are here in the Atlas Mountains helping with the rescue mission of the survivors, here in Morocco today. More than 2,800 people are now known to have gone over the rainbow since last Friday when the earthquake occurred in Morocco. Also, upwards of 2,400 are injured, most of them critically. Please place all who have gone over the rainbow, all the injured, all on the rescue teams, and this whole situation of this quake in Morocco, the flood situation in Libya, and all situations of need on Mother Gaia, and Mother Gaia herself, in the CIRCLE OF SUPPORT! ! And Blaze the Violet Fire!

"We also send good vibrations to Cheryl Croci as she recovers from hip replacement surgery in the early hours of this day!

"Meanwhile, there have been 2 solar flares in the last 24 hours; the energies continue to be extremely high. Stay in the Violet Flame of St Germain. See you in the Light of the Most Radiant One! Enshallah! Sat Nam! Namaste! Om Shiva!"

Tuesday

Rama: I received a text message from Lady Master Nada at 12:21 pm early this afternoon. She said to me, "Lord Rama, I was at the G 20 meeting and the hologram, Biden, was malfunctioning. AND Vice President Kamala Harris, behind the scenes, IS RUNNING THE SHOW! The truth is coming out, as the nano seconds tick away!

"Meanwhile, the sun continues to churn out the solar flares! Though this is the most dangerous time to be alive, simultaneously this is also the most enlightening time to be alive. We can embrace this challenge with the attitude of gratitude that Creator Source, inside of all of us, knows the outcome of this story! AND, indeed, the outcome of this story is at hand!

"As we go through this Virgo new moon, it is going to SHIFT EVERYTHING! Stay in the High Heart! Meditate! Leave the matrix alone! As we wish to be fully who we are, at the deepest and grandest levels of our beings at all times, **CHOOSE LOVE!**

"All we are saying is Give Peace A Chance! See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!"

Wednesday

King of Swords

Rama: I received a text message from the **King of Swords** at 12:37 pm, early this afternoon. He said to me, "Lord Rama, the world is in a bit of chaos at the moment, and it is about the incoming energies. There is a great spiritual battle going on in this realm; it is about how the Dark Side has lost and they are doing everything they can to bring the rest of us down! I highly suggest using the Violet Ray and the Emerald Green Ray at this time. Love and Compassion are the ways through this.

"What is happening is the Dark Side has been cut off; they want to play with the scorched earth idea. It is about creating and convoluting stories about various people in the news. I can tell you from first hand experience, the Dark Side is creating these convoluted stories and these slanted view points about the events they have also created! The Dark Side has been cut off from the Creator Source energy – and THAT IS OF THEIR MAKING! ! ! All they have left is something called 'loosh' or fear!

"I have been in contact with Bernie Sanders, Elizabeth Warren, The Squad, and other top officials working for the Light. What has been said through the grapevine is there are going to be many senators and congress critters who are going to be taken into custody for their participation in the planning and execution of January 6th. What happened that day was High Treason, and there will be accountability and resolution! I cannot give you a date, yet the time is NOW. Even as we speak, they are trying to impeach Joe Biden; it is a hollow case. One side of the aisle is just as evil as the other side of the aisle.

"As we move into this Virgo new moon, and Mercury going stationary direct, the Dark Side is going to receive their karma. Don't get in the way! **Send only love** to all the situations. How we move through this energy is staying in balance; it's like riding a unicycle: you only have one wheel! You must maintain your balance to get through your journey.

"Remember these words: I AM THAT I AM! We are all brothers and sisters in The Office of the Christ. You will see me as you least expect it. You might be in Whole Foods or another grocery store, and as you turn around, I might be behind you! [See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!](#)"

Thursday

Darby O'Dell

Rama: I received a text message from **Darby O'Dell** today, at 12:46 pm, early this afternoon. He said to me, "Lord Rama, it is a fine day in September as we end the summer days and approach the coming of the autumn season. Happy New Moon in Virgo! The energies are changing and shifting faster than I can keep up with. The solar flares continue. The Light of 10 Trillion Suns is pouring in at this time.

"Lord Michael has been talking with his top commanders in his fleet of starships; they have all assembled in our planet's orbit. You can see them as you look toward the constellation of the Great Bear, also called Ursa Major.

"The Dark Side is going down in flames, and they know it! In spite of the temptation to cheer them on, send more Love and Compassion, for you know not what it is like to put on the dark robe!

"We are in the most magnificent of times and, at the same time, the most perilous of times! As we navigate this path of Light, remember we created this story down to the nano particles, and there is one magical word that fixes it all: that word is **LOVE!** See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!"
