We are all here on this planet, as tourists, as it were. None of us can live here forever. The longest we might live is a hundred years. So while we are here we should try to have a good heart and to make something positive and useful of our lives.

Tom the Ring-tailed Cat, Larry, Curly, Mo and Sweet Angelique the Cat

Rama: I received a text message from **Tom the Ring-tailed Cat, Larry, Curly, Mo and Sweet Angelique the Cat** at 11:38 am, late this morning. They all said to me, "Lord Rama, we are all here in London today; we are very near Westminster. The news today we can tell you is about Prime Minister Liz Truss, and she is in a whole heaven of a lot of hot water, to be facetious about the matter. She has sacked the Finance Minister and she has replaced him with a more moderate Finance Minister. The Opposition Party is calling for new elections.

"There have been more solar flares today and strange anomalies going on. It is all about the completion of this old paradigm cycle. As we use our abilities to bring in more light, it is reflected out to the entire planet. Remember to breathe. That is the key to yours and our immortality. Be the change you want to see in the world. See you in the Light of the Most Radiant One. Sat Nam! Namaste! Blaze the Violet Fire!"

Monday

Anonymous 7½

Rama: I went up the mountain today to meet with **Anonymous 7½**; it was 11:16 this morning, He said to me, "Lord Rama, I have been over in Tigray, the capital of Eritreya, as well as Ethiopia, as of the last week or so, and went in a smaller shuttle craft of Mother Sehkmet's with other Paschat members of Mother's crew from the Nibiru to observe the situation on the ground from overhead. We were observing the Deep State of the US over there, attempting to get a foothold and negotiate contracts and deals so they could obtain exotic minerals that we need to use in computers, cell phones, space age technologies for satellites, etc.

"The US, China and Russia are all involved in extracting these exotic minerals from Mother Africa for similar purposes. In particular, the US Deep State is stirring up the so-called All-CIA-Duh's stories from the Middle East, in Africa and supposedly supplying weapons to the Tigray rebels who are attacking the Ethiopians. The whole thing is very much taking advantage, for their own personal gain and profit, of a people who are, at this point, starving to death!

"Please place all of this in the Circle of Support, and Blaze the Violet Fire! I will see you soon. Sat Nam. Namaste! "

Tuesday

Lady Natasha

Rama: I received a text message from **Lady Natasha** at 12:15 pm, early this afternoon. She said to me, "Lord Rama, Ukraine is blaming Russia for destroying 1/3 of all the Ukrainian electrical power stations. This is NOT Russia! This is all on Mr Zelensky's watch. (ie, President Zelensky's watch) Remember: President Zelensky is an asset of the United States' Deep State.

"I can tell you, Lord Rama, things are moving very swiftly to the end of this old timeline. It is time for the return of the 6th sun and the return of all the Ascended Masters and the Hosts of Heaven to assist Mother Gaia and her children to ascend in this NOW moment. See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the violet Fire! OM Shiva!"

Lady Natasha

Rama: I received a text message from **Lady Natasha** at 12:05, early this afternoon. She said to me, "Lord Rama, Russia has declared martial law in the Donbass, meaning the regions of Donetsk, Lugansk, as well as in Zaporozhzhia and Kherson, totalling the 4 areas of Eastern and South Eastern Ukraine that Russia has taken back. There is a heightened sense of security in these 4 regions, implemented by the Russian military in order to keep the civilian populations safe. The Galactic Forces of Light are here. No date, no nukes – yet the time is NOW! May the Force be with you, Lord Rama. Sat Nam! Namaste! Blaze the violet Fire!"

Thursday

Kathryn

Rama: I received a text message from **Kathryn** who works as a secretary for the King of Swords. 11:55 am. Kathryn said to me, "Lord Rama, the UK is in a literal uproar! Prime Minister Liz Truss has just resigned and this is affecting the markets across the planets. The Opposition party, the Labor Party, is calling for new elections. Former PM Boris Johnson is trying to return as Prime Minister through the Conservative Party.

"Meanwhile, the situation in Ukraine is looking bleak because it is about the cover-up in the western media that insists that Russia has been targeting the citizens of Ukraine. The true story, as we have said, is that President Zelensky, as an asset of the Deep State of the United States, continues to kill his own people and blame Russia.

"Aurora Borealis continue to show up in the northern regions of our planet, near the Arctic Circle. There are new discoveries about to be released of the ancient civilizations of Antarctica that have been re-discovered at the south pole.

"There is new light coming in; it is about the transfiguration of our sun, Sol. See you in the Light of the Most Radiant One. Sat Nam! Namaste! Blaze the Violet Fire!"
