

2022-02-17 Rama's White Knight Reports

FEBRUARY 17, 2022

February 11 to February 17, 2022

To our readers: Rama's White Knights Report, for the most part, will present information from Rama's contacts on very current events. Sometimes, additional commentary may show up, in the form of more explanation about an important issue, or as an article inserted to provide more insight on the subject being presented.

Find more info on those folks Rama talks to - who are there to keep us in the loop as well - at <https://www.rainbowroundtable.net/rama-s-contacts>

2022-02-11 Friday Dalai Lama

Dalai Lama@DalaiLama-Feb 11

True compassion is not just an emotional response but a firm commitment founded on reason. Therefore, our compassion for others does not change even if they behave negatively. Our sense of responsibility gives rise to a wish to help others actively overcome their problems.

2022-02-11 Friday Natasha

Rama: I received a text message from Lady Natasha at 12:10 pm early this afternoon. She said to me, "Lord Rama, the United States Empire is working hard to create an incident in the Donbas Region, in Ukraine at its eastern border with Russia. Russia has no intention of invading Ukraine, yet today Anthony Blinken warned all Americans to leave Ukraine within the next 48 hours.

Natasha continued, "The United States is hysterical about creating a False Flag event which could be connected with the Super Bowl and the 13 Families moving the chess pieces, hoping to create a major distraction and blame it on Russia.

"All the Galactic Forces of Light are here; let's call them in! Let us focus on St Valentine and Love. Sat Nam! Namaste! Blaze the Violet Fire!"

2022-02-12 Saturday Tom the Ringtailed Cat; Sweet Angelique the Cat

Rama: I received a call from Tom the Ring-Tailed Cat and Sweet Angelique the Cat at 11:35 this morning. They said to me, "Lord Rama, we are over Antarctica today. There is a glacier that could break off that is roughly the size of Mexico."

They said to me: "Remember the three things Greg Braden talked about: climate disruption, consciousness and conflict. How we heal this is by talking to the elementals: earth, air, fire, water, ether. Remember the movie **The Fifth Element**; in that movie, Love answers everything!

"Sat Nam! Namaste! Blaze the Violet Fire!"

2022-02-14 Monday Dalai Lama

Dalai Lama@DalaiLama-Feb 14

We may sometimes feel that we can't do much as individuals, but humanity is made up of individuals; together we can make a difference. As individuals we can influence our own families. Our families can influence our communities and our communities can influence our nations

2022-02-14

Monday

Rama's Adventure

Rama: I went up to the Tesuque Area of the Santa Fe Ski Basin. I created a crystal ring and it lit up like spotlights in the area. There was an elderly couple walking by; they just sat down and watched.

Then Tom and Sweet Angelique appeared before me, as I was sitting in the crystal ring. The image was wavy because the energies were very high. They said to me, "The United States is pushing the river and the fear factor on the subject of the Ukraine / Donbas region connected with Russia. Place all of this in the Circle of support. Sat Nam! Namaste! Blaze the Violet Fire!"

At the end of this, the elderly couple got up, didn't say a word but winked at me, and continued their walk.

2022-02-15

Tuesday

Tom the Ringtailed Cat; Sweet Angelique the Cat

Rama: I received a call from Tom the Cat and Sweet Angelique the Cat at 11: 50 am today. They said to me, "We are at Stonehenge - again! The news of the day is that Prince Andrew has settled out of court with Ms Virginia Giuffre, sexually abused by him on Jeffrey Epstein's Caribbean island and at Ms Ghislane Maxwell's home in London. At the time, she was 17.

"Prince Andrew, in addition to his settlement with Ms Guiffre, made a considerable contribution to her charitable trust for sexually abused women and girls."

Tom and Sweet Angelique went on to say, regarding western media about Russia threatening to invade Ukraine: "This never happened! Leave all the news alone, and focus on the transmuting Violet Flame of St Germain. As the Admiral, Sananda Kumara, has said, "We are the Light of the World"

Rama: Remember to be that Light; stay in the Office of the Christ and only in the Office of the Christ. All we are saying is 'give peace a chance.' Sat Nam! Namaste! Blaze the Violet Fire!

Thursday

Lady Nada

Rama: I received a text message from Lady Nada today. It was 12:05 pm early this afternoon. She said to me, "Lord Rama, I am at today's UN Security Council Meeting, and Russia has not AND WILL NOT INVADE UKRAINE! Nor has Russia ever threatened to invade Ukraine! I have visited Kyiv; the people are going about their business calmly and normally. They all know this is a False Flag Event of the United States and the West kind. Yet the only rabid barking dog IS 'the West'. I will repeat the Captain's and the Admiral's words: NO NUKES! NO WAR!

"The Captain Lord Ashtar, and The Admiral Lord Sananda Kumara are on The New Jerusalem in orbit around Mother Gaia.

"Meanwhile we have a story to tell you: the last 13,000 years of mind control have been about Mother's wayward children, the Fallen Angels, the Elohim. Pluto is here. And on February 20th, 2022, it will return to its natal position. The old timeline has ended. We are seeing the last little bit of the matrix falling away and it takes all of us to do this! Tune into the Quantum Field – The Force. All answers lie there. Sat Nam! Namaste! Blaze the Violet Fire!"

2022-02-09 'Doomsday Glacier' proves elusive to scientists

https://theeagle.com/news/doomsday-glacier-proves-elusive-to-scientists/article_1512d8e7-ec67-5ae1-b152-31943774132e.html

This Tuesday, Feb. 1, 2022 satellite image from the European Space Agency, annotated by marine geophysicist Robert Larter, shows the positions of research vessels RVIB Nathaniel B. Palmer and the RV Araon on Feb. 2., on the ice shelf areas extending from Thwaites Glacier in Antarctica. "EIS" indicates the Eastern Ice Shelf where a lot of work was conducted in 2020, and which recently published studies have suggested is likely to break up sometime within the next couple of decades. (Robert Larter/British Antarctic Survey, ESA via AP)

This photo provided by environmental scientist David Holland shows tents set up on the Dotson Ice Shelf in Antarctica on Monday, Jan. 31, 2022. A large iceberg broke off the deteriorating Thwaites glacier and along with sea ice it is blocking two research ships with dozens of scientists from examining how fast its crucial ice shelf is falling apart. The smaller Dotson ice shelf is about 87 miles (140 kilometers) west of the Thwaites ice shelf. (David Holland via AP)

Happy Leo Full Moon!

Just days away is the first ever Pluto return for the United States of America:

- On **2.20.2022** transiting Pluto will have moved to its exact birth position on July 4, 1776.

This will happen for the *first time ever* – **246 years** later.

That's how long it takes for Pluto to travel through all the signs of the zodiac - and why humans don't ever experience a Pluto return!

Since Pluto moves so slowly through the 12 signs, *the impact of Pluto's return is already upon us and continues throughout 2022* - with two more meetings on July 11 and December 28, 2022.

Click below for the stunning Pluto Return [details](#):

<https://www.youtube.com/watch?v=uSoMFYaCDcY>

As the planet of power, purging and transformation, Pluto creates a myriad of opportunities to **clear out old, toxic structures and paradigms** - especially patriarchal systems, since Pluto is in Capricorn.

Pluto is *pulling back the veil* revealing the structures and people behind the scenes yielding power and control.

- The result is profound cleansing and healing over the next two decades.

Amazingly - the U.S. **Neptune half-return** (transiting Neptune opposite natal U.S. Neptune) is exact **two days before the Pluto return**, on February 18.

Neptune half-returns are every 165 years!

It's as if the universe made sure we transform without too much resistance!

For more on these incredible celestial events – *and how today's Leo Full Moon plays a pivotal role* – watch the new Pluto Return Star Codes forecast.
