**REPORTS / ENERGY UPDATE FROM THE PANEL MEMBERS**

**O:** speaks of finding herself being in 2 energies – moving back and forth - an enlightening aexperience nd hallenging to get herself back into operating mode!  
• All of us on a very stressful path -  
• She's fine and is grateful for this; her youngest son has a 50<sup>th</sup> birthday soon; she's to address the gathering in his honour

**COR:** lovely to have Omena back – TC saying we may feel it's chaotic at the moment: extreme energies pouring in and all kinds of events going on – and there are new levels of galactic and angelic activity happening too – to keep us inspired; to hold the old energies in some kind of control –

- yet this is Divine Chaos that comes before huge change; we're moving into higher spirals all the time.
- It's an exciting time to be alive – the energies of the new Leo Moon started coming in a few days ago: they are offering a powerful lift! The human race is moving into a whole new role – we're not so easily being fooled; we don't need to know everything; we don't need to save the world – we're not alone !!!

**RGM:** humans have been around a lot longer than The Media: our own soul, gut instinct is always right – we are here on the planet for the experience of all the emotions to be here in 3D – Earth is the largest schoolhouses of the Galaxy

**Micah:** **SEE BELOW for the message from Galactic Federation of Light with a break-through message from Source**

**Penny:** review of headlines showing the positive outcomes of the Truckers Convoy

**RGM:**

**T, R:**

**Rama's White Knight Report:**

**SEE BELOW**

**T:** Pluto – 246 years to make a trip around the galaxy – 246 years ago, St Germain was sitting with The Founding Fathers, and he was orchestrating it all: the founding Fathers, the Iroquois Nation and others - the Founding Fathers had to do what they had to do!

- Pluto turns everything up from the deepest, darkest places to be cleaned and healed – the 13 families are being nailed for what they have done on Earth and across the Galaxy! ! !

**SEE BELOW**

**Rama:** Brings up Elon Musk who owes so much \$ to everyone; he gave false evidence at hearings as well

**T:** reference to the Grand Jury notes – there are now 3 sets of reports available!

**RGM:** went down to the Mt St Helen site two days before it blew – saw the white powder/manna on the earth which was a warning to the animals to leave!

**Micah:** another update: truckers convoy – now a world wide movement

- Feb 21 – a world wide strike: SHUT IT DOWN PROTEST FROM HOME – ANY EXCUSE FOR NOT GOING TO WORK and we'll see who's in charge!

**Vin to Rama** – it's been said that the possibility of setting up false flags to incite violence in the people and then blame it on the truckers and those in solidarity with them – is this true? What do Faction 3 White Knights have to say about this?

**R:** it's complicated because folks in Canada and the US – there are many things happening with different narratives that are connected with the controllers who don't want the truth to get out.

- There is only this AI, artificially created borg nanites, messing with the people as the 13 families know on a global scale that we have come to the end of the Grand Cycle – and Pluto is returning to its natal position and the sun is going through its transistion.
- The 13 families play with their old timelines and old technologies not based in love; at the same time pushing for violence – it's up to us to stand up for LOVE

- There are stories out there about trucker caravans with weapons, incidents occurring – and the same with Russia and Ukraine: individuals connected with 13 families want to keep the negative thought forms going and incite violence - we can send love and help this
- Today, Anthony Blinken was pushing the idea that Russia is only moments away from invading Ukraine: nothing is farther from the truth.
- And the Queen is having to pay Prince Andrew's court costs: \$14-16 million dollars: a desperate attempt to hold on to the planet
- so all the different names and stories trying to create ways to blame various groups with violence, etc – more than anything going on, it is about the Grand Old Pedophile party – out of money; but not out of love.

**T to Vin:** she can sense that humanity over all is not interested in more violence: only peace.. It's been a long road! Can see this mitigating circumstances greatly

**VIN:** is this the moment our Galactic brothers and sisters step in? If we hear, know about set ups to create violence and everyone's safety will be taken into account – some kind of intervention when others start with pipe bombs, for example, to make it look like the truckers et al

- has heard that 3 well-known banks in Canada not allowing any kinds of transactions . . . is that true? If so is what is taking place in Canada can happen in the US as we're neighbours – and President Joe has been encouraging Trudeau to issue the lockdown order and worse

**RGM:** update on the banking

- yesterday some ATMs allowed cash to be pulled out – soon were out of cash
- RT reported:** Royal Bank, CIBC, BMO – can't use electronic banking at the moment: all being downplayed
- stay in love; stay in your heart!

**R:** this is what all the folks he talks to are talking about – even tho' it's winter in some places, and summer turning to fall elsewhere, go out and talk to the elementals to find out what is going on: the real news

- the animals know it: the great shift is here

**T:** listening to this – in 1993 they started talking of this with Dove of Oneness – 30 years ago! ! ! and Rama went to the Holy Mans Jam in Boulder in 1968,69 – she gives the history of their involvement

- Today, 3 MAJOR Canadian BANKS NOT FUNCTIONING? ? ? How many in the US? ? ?
- power of intervention working very quickly now . . .

**VIN:** what is happening with the convoy scheduled for the US – west coast to east coast?

**T, R:** haven't heard anything

**M:** supposed to be happening – date seems to have been moved forward from March 1st

- They have a plan; not telling the world about it
- there is also the Monday SHUT IT DOWN PROTEST – everyone can take part from home -& not going to work

**Vin:** the momentous date of Feb 21 and then Feb 22nd – multiple 2s and several powerful presenters and presentations scheduled for Egypt and the Great Pyramid;

MISSING SOME WORDS Significant time for transformation for all

**Caller:** an unprecedented time with truth and unfolding

- Reiner Fuellmich's Grand Jury is bringing – setting up the accountability
- those with their hands in the cookie jar are the World Economic Forum – they groom those places in political place – she reads off those who have been placed in various positions in gov'ts around the world

- March 5 – date for US truckers -
- Reiner F has mentioned there would be help
- will it be the intergalactic council of elders – asking Rama to check it out . . .

**R:** they are taking themselves out: IT IS HAPPENING! ! Even though you can't see it

**Caller:** sees the Grand Jury – thought it would be every Saturday and would go on to the people are waking up

**T:** they have speeded up the calendar – they started DAY 3 the day after they finished the DAY2

**Caller:** talks of the Swiss lady and her brilliance

- and how Bill Gates paid off folks . . .
- Reiner brought up that those making policy have not been placed there democratically . . .

Thinks NESARA is getting closer and closer

**RGM:** when you see a politician saying I have covid and have to isolate – probably means a clone is being created

**COR:** Omena is the host for 2nd or 3rd night

**COR:** has a guest for next week

- To Rama: trying to pass regulations against anyone who speaks against the gov't – trying to institute a police state – have any of his folks said anything about this?

**R:** they are trying to equate free speech with certain forms of terrorism – or speaking truth to power; yet it has been twisted in the US because of the power brokers who have control over the media and when someone can't pay \$400 M to get on a show, that someone won't be heard –

- however, THERE ARE MORE OF US THAN THERE ARE OF THEM.

**RB:** has just watched Amanda Ellis – did a card reading with Ashtar – she's a good channeler! ! !

**Amanda Ellis – from the UK – YouTube**

- **did another one with Merlin and used the animals speak book . . .**
- **Find out that Vinayak, Rainbird and Penny are all Amanda Ellis fans**

**We were all present at the time of Merlin – in one aspect or another**

**RGM:** had a young lady come into the spa in Thailand; she was Joan of Arc – there are all kinds of aspects of Ascended Ones or Masters in people walking the planet

- That girl left some info with RGM, to be opened after she left
- **had no doubt she was who she said she was from there from someone who was there!**

**VIN:** encouraging everyone throughout the day for the next few days to take a few deep breaths and quiet the mind; image the Violet Fire and see ourselves as the light that dispels all blackness, and know that our light is contributing to the over all good of humanity.

- The shackles are off; the doors are open; we don't need keys – remember who we are in our heart of hearts: we will change consciousness. We are raising the bar of consciousness and shifting all dimensions for this planet and ourselves! ! !
- We have – and are – THE POWER – no need to look outside ourselves and yes, we will always invite more Light and more Love with every breath we take . . .

**COR:** thanks to the listeners, fellow cohosts – all the beautiful stuff is happening

**Read by Micah Green tonight:**

### **A Breakthrough Message From The Galactic Federation**

Dear beloved ones,

We are the Galactic Federation of Light and we come with a breakthrough message from the Prime Creator to all of humanity.

The Prime Creator knows that there has been a lot of tension on your planet recently because of the failure of your systems to deal with the great change that has been taking place.

You have been through a lot, but now it is finally time for relief and reassurance. Rise up, shine your light and prepare for a very special message from The Prime Creator – a message of higher wisdom and hope.

The Prime Creator has given us permission to descend throughout your planet in large numbers, thereby triggering a massive positive chain reaction that will fall into place as soon as enough people receive our presence as a sign that what they have been waiting for has started manifesting on Earth.

Many of our ships will come by at low altitudes and make themselves visible to the general public. They may be seen in the sky at night, or during the day if they reveal themselves.

We are sending greetings of peace, hope and love to all of you. We want to prepare you for what is coming. The Galactic Federation has moved heaven and earth to be able to step forward openly with Disclosure, the announcement that we are visiting Earth, and our presence here.

The time for this event has been chosen carefully by our cosmic planners, as it is shortly after the end of this year's solar maximum cycle and therefore the energetic conditions on earth will be particularly ripe for our arrival and teachings and therefore maximally beneficial and timely for you.

From now on, we can openly interact with the people of this planet. It is true that we have been helping you secretly for a long time but now it is time to let you know that your prayers have been answered -- the initial contact has been made.

We are now allowed to communicate with the people of the world, and we will be translated into all languages and broadcast through various media, television and the Internet.

We will use the mass media to awaken and inspire people into a greater understanding of themselves and of humanity. Also Messages of unity, oneness and equality that we will broadcast to the whole world from enormous screens placed on the sides of our mother- ships.

The Galactic Federation will host open meetings on ships, where people can meet us in person.

There are many people in the world that are sick that don't have anyone to help them. Or they just can't afford healing treatment. So, we will provide free healing treatment to all of these people around the world that are sick.

We are getting ready. We are making the final arrangements to make the disclosure, and your world will change forever. Soon, you will recall who you really are. "Disclosure" has reached an all-time high, in accordance with the divine plan of the creator.

We are prepared for any obstacle or problem that is presented by what would seem like nefarious beings who want to delay the truth.

The most important thing we decided is to extend the end of this cycle and give way for the preparation for the people of this world and to allow the secret controllers of this world a chance to give up and surrender.

This includes the dark forces, who know about this and do not yet know how to proceed. The process will turn out smoother than we had thought. This will avoid chaos.

Now is the time when you will find out who is lying to you, who has used you in some way, who has not cared about your welfare or that of humanity.

We are all very excited about this wonderful, life changing opportunity for each and every one of you. The moment is now, the time to act is upon us, the time to discover your true Galactic origins.

This is something that has never happened before in history and it will be happening now! The Earth's population will see firsthand the origins of who they are in regards to their Galactic roots.

February 11 to February 17, 2022

**FEBRUARY 17, 2022**

**To our readers: Rama's White Knights Report**, for the most part, will present information from Rama's contacts on very current events. Sometimes, additional commentary may show up, in the form of more explanation about an important issue, or as an article inserted to provide more insight on the subject being presented.

**2022-02-11 Friday Dalai Lama****Dalai Lama@DalaiLama-Feb 11**

True compassion is not just an emotional response but a firm commitment founded on reason. Therefore, our compassion for others does not change even if they behave negatively. Our sense of responsibility gives rise to a wish to help others actively overcome their problems.

**2022-02-11 Friday Natasha**

**Rama:** I received a text message from Lady Natasha at 12:10 pm early this afternoon. She said to me, "Lord Rama, the United States Empire is working hard to create an incident in the Donbas Region, in Ukraine at its eastern border with Russia. Russia has no intention of invading Ukraine, yet today Anthony Blinken warned all Americans to leave Ukraine within the next 48 hours.

Natasha continued, "The United States is hysterical about creating a False Flag event which could be connected with the Super Bowl and the 13 Families moving the chess pieces, hoping to create a major distraction and blame it on Russia.

"All the Galactic Forces of Light are here; let's call them in! Let us focus on St Valentine and Love. Sat Nam! Namaste! Blaze the Violet Fire!"

**2022-02-12 Saturday Tom the Ringtailed Cat; Sweet Angelique the Cat**

**Rama:** I received a call from Tom the Ring-Tailed Cat and Sweet Angelique the Cat at 11:35 this morning. They said to me, "Lord Rama, we are over Antarctica today. There is a glacier that could break off that is roughly the size of Mexico."

They said to me: "Remember the three things Greg Braden talked about: climate disruption, consciousness and conflict. How we heal this is by talking to the elementals: earth, air, fire, water, ether. Remember the movie **The Fifth Element**; in that movie, Love answers everything!

"Sat Nam! Namaste! Blaze the Violet Fire!"

**2022-02-14 Monday Dalai Lama****Dalai Lama@DalaiLama-Feb 14**

We may sometimes feel that we can't do much as individuals, but humanity is made up of individuals; together we can make a difference. As individuals we can influence our own families. Our families can influence our communities and our communities can influence our nations

Monday

Rama's Adventure

**Rama:** I went up to the Tesuque Area of the Santa Fe Ski Basin. I created a crystal ring and it lit up like spotlights in the area. There was an elderly couple walking by; they just sat down and watched.

Then Tom and Sweet Angelique appeared before me, as I was sitting in the crystal ring. The image was wavy because the energies were very high. They said to me, "The United States is pushing the river and the fear factor on the subject of the Ukraine / Donbas region connected with Russia. Place all of this in the Circle of support. Sat Nam! Namaste! Blaze the Violet Fire!"

At the end of this, the elderly couple got up, didn't say a word but winked at me, and continued their walk.

Tuesday

Tom the Ringtailed Cat; Sweet Angelique the Cat

**Rama:** I received a call from Tom the Cat and Sweet Angelique the Cat at 11: 50 am today. They said to me, "We are at Stonehenge - again! The news of the day is that Prince Andrew has settled out of court with Ms Virginia Giuffre, sexually abused by him on Jeffrey Epstein's Caribbean island and at Ms Ghislane Maxwell's home in London. At the time, she was 17.

"Prince Andrew, in addition to his settlement with Ms Guiffre, made a considerable contribution to her charitable trust for sexually abused women and girls."

Tom and Sweet Angelique went on to say, regarding western media about Russia threatening to invade Ukraine: "This never happened! Leave all the news alone, and focus on the transmuting Violet Flame of St Germain. As the Admiral, Sananda Kumara, has said, "We are the Light of the World"

Rama: Remember to be that Light; stay in the Office of the Christ and only in the Office of the Christ. All we are saying is 'give peace a chance.' Sat Nam! Namaste! Blaze the Violet Fire!

Thursday

Lady Nada

**Rama:** I received a text message from Lady Nada today. It was 12:05 pm early this afternoon. She said to me, "Lord Rama, I am at today's UN Security Council Meeting, and Russia has not AND WILL NOT INVADE UKRAINE! Nor has Russia ever threatened to invade Ukraine! I have visited Kyiv; the people are going about their business calmly and normally. They all know this is a False Flag Event of the United States and the West kind. Yet the only rabid barking dog IS 'the West'. I will repeat the Captain's and the Admiral's words: NO NUKES! NO WAR!

"The Captain Lord Ashtar, and The Admiral Lord Sananda Kumara are on The New Jerusalem in orbit around Mother Gaia.

"Meanwhile we have a story to tell you: the last 13,000 years of mind control have been about Mother's wayward children, the Fallen Angels, the Elohim. Pluto is here. And on February 20<sup>th</sup>, 2022, it will return to its natal position. The old timeline has ended. We are seeing the last little bit of the matrix falling away and it takes all of us to do this! Tune into the Quantum Field – The Force. All answers lie there. Sat Nam! Namaste! Blaze the Violet Fire!"

## 2022-02-09 'Doomsday Glacier' proves elusive to scientists

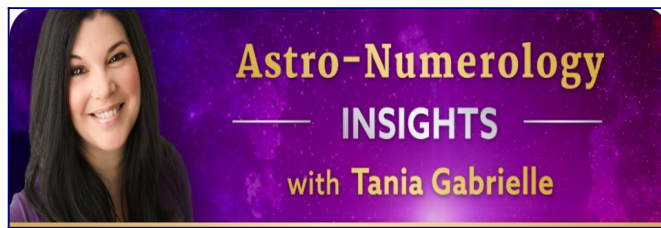

[https://theeagle.com/news/doomsday-glacier-proves-elusive-to-scientists/article\\_1512d8e7-ec67-5ae1-b152-31943774132e.html](https://theeagle.com/news/doomsday-glacier-proves-elusive-to-scientists/article_1512d8e7-ec67-5ae1-b152-31943774132e.html)

This Tuesday, Feb. 1, 2022 satellite image from the European Space Agency, annotated by marine geophysicist Robert Larter, shows the positions of research vessels RVIB Nathaniel B. Palmer and the RV Araon on Feb. 2., on the ice shelf areas extending from Thwaites Glacier in Antarctica. "EIS" indicates the Eastern Ice Shelf where a lot of work was conducted in 2020, and which recently published studies have suggested is likely to break up sometime within the next couple of decades. (Robert Larter/British Antarctic Survey, ESA via AP)

This photo provided by environmental scientist David Holland shows tents set up on the Dotson Ice Shelf in Antarctica on Monday, Jan. 31, 2022. A large iceberg broke off the deteriorating Thwaites glacier and along with sea ice it is blocking two research ships with dozens of scientists from examining how fast its crucial ice shelf is falling apart. The smaller Dotson ice shelf is about 87 miles (140 kilometers) west of the Thwaites ice shelf. (David Holland via AP)

## Happy Leo Full Moon!

Just days away is the first ever Pluto return for the United States of America:

- On **2.20.2022** transiting Pluto will have moved to its exact birth position on July 4, 1776.

This will happen for the *first time ever* – **246 years** later.

That's how long it takes for Pluto to travel through all the signs of the zodiac - and why humans don't ever experience a Pluto return!

Since Pluto moves so slowly through the 12 signs, *the impact of Pluto's return is already upon us and continues throughout 2022* - with two more meetings on July 11 and December 28, 2022.

Click below for the stunning Pluto Return [details](#):

<https://www.youtube.com/watch?v=uSoMFYaCDcY>

As the planet of power, purging and transformation, Pluto creates a myriad of opportunities to **clear out old, toxic structures and paradigms** - especially patriarchal systems, since Pluto is in Capricorn.

Pluto is *pulling back the veil* revealing the structures and people behind the scenes yielding power and control.

- The result is profound cleansing and healing over the next two decades.

Amazingly - the U.S. **Neptune half-return** (transiting Neptune opposite natal U.S. Neptune) is exact **two days before the Pluto return**, on February 18.

Neptune half-returns are every 165 years!

It's as if the universe made sure we transform without too much resistance!

For more on these incredible celestial events – *and how today's Leo Full Moon plays a pivotal role* – watch the new Pluto Return Star Codes forecast.

Love and Blessings,
