MEDITATION: **Vinayak**

Guest Hour: **Continued Round Table discussion**

PANEL FOR TONIGHT: **Rama and Tara [R,T]** **Randy Miller [RGM]**
Penny Christoffersen [PCC] **Micah Green [MG]**

REPORTS / ENERGY UPDATE FROM THE PANEL MEMBERS

Vin: has only respect and praise for what is happening with the truckers: they are demonstrating what we came to experience on this planet : unity, peace, love for others; looking after one another – very heartwarming to see the beauty and the magnificent New Earth, New Vibration, New Consciousness we are creating together – demonstration of the LKight winning

- no matter the resistance or force used on truckers and farmers who are not buying into the program of violence or fight – this would let the mis-guided, mis-directed one attack – all of humanity is watching and seeing the fight is over: Light always wins!

MG: perfectly said

- speaks of a **leaked data base: US military experiencing** skyrocketing levels of disease – % Increases
 - **put before a Senator recently – Lee Dundas another international lawyer working with**

- **Fox News:** actually reporting what is going on in Canada
 - several tow trucks refusing requests to move the trucks
 - farmers, truckers taking a stand in a fight for freedom: no more failed mandates, no more needless devious attacks
 - Interview of a trucker who received cookies from the public – a young girl of 11
 - Compares to the lack of addressing the truckers' concerns from the politicians etc
 - Reporter has something to say to the Prime Minister -
instead of lecturing these guys, go and sit down and listen to them
- There's been an injunction against the 2nd funding platform that amassed \$8 MILLION IN ADDITION TO THE \$10 MILLION FROM THE FIRST GO FUND ME – there has been an injunction stopping that too
 - it seems anything that happens to the truckers, et al is met with resistance in the form of more money, or more food, or more gas, or more whatever . . .

VIN: is finding what is going on so moving

RGM: FOX NEWS has opened up an office in Ottawa and has a full-time reporter!!!

- Stealing the firewood now – after stealing the gas/jerry cans, and other things
- ALL BEING FILMED - they will be held accountable
- how can a CDN judge stop the work of a US funding program?
- has watched Cdn Parliament and the fact that Trudeau is . . .
 - Canada now showing the world what unity is about – like freedom – ordinary people in Ottawa come downtown and see things as they are – watched a parent talking to a CBC reporter: who has the authority to take my children from me when they wanted to come – he went on to the reporter: how can you sleep at night? The reporters write up stories, give it to an editor who decides what is to be said
- RGM tells the story of a friend who worked with a major newspaper and wrote up the story of who won the game before it happened! ! !
- the 13 families are sitting on the monopoly board; we are under it – AND we are flipping the board and using our cell phones to film everything! ! !

Vin: if you are asking what you can do: **SHARE THIS BROADCAST; EXPAND THIS LISTENING AUDIENCE** and we will make a huge change – **all we have spoken of is spot on! ! !**

- Tell everyone how your heart was opened because you heard the truth being told . . .
- All of us on the panel want to make a difference

RAMA: begins to read his WHITE KNIGHTS REPORT

R: this is the transformational, tranmutational change that is going on on the planet due to the changes on the sun; there was a G1 Solar Flare: things are heating up energetically. The light pouring in affects every living particle: animal, vegetable, mineral.

- And Love and Compassion are the order of the day

T: the Grand Jury is going on and we heard the first session last Saturday – 1st of 8 sessions which takes us to March and spring

R: KOS said what is coming forth is things are happening to display the consciousness of the people of earth, who are waking up like never before.

- It is about the intervention that is going on with the Force, the Particles, the energies that make up all of what we are. We are at the critical juncture – as we see how wonderful we are, why would we do things out of this . . .
- 40 of Elon Musks' satellites got destroyed in the recent solar flare. Maybe that destruction is a message that maybe these technologies are 'not appropriate'?
- Mark Zuckerberg lost \$300 MILLION in MARKET SHARES, AND \$30 MILLION OF HIS OWN PERSONAL FORTUNE – A HUGE HIT! They are being exposed – situations are manifesting now as things collapse on them

T: heard from Randi Rhodes – Bob ?? hit his head hard, went to sleep, died of a brain bleed at 55 years old.

Vin: Did anyone help him hit his head?

R: don't know at this point

Vin: just got a feeling that he might have been 'helped'

T: could very well be: the stories of the 3 Canadians on the panel as opposed to what the MSM is being said: no one is reporting from Ottawa that these things are happening

Caller: wanted to world sound healing day.org – with lots of sound healers
emergency, emergency, emergency alert to militaries to unite [???] and refocus on wars on pollution
the other behavioural sciences: # of military bases around the world
• Earth Caring.com

T: the last caller gave some idea on how things can be solved – via group service of various kinds!

Caller: Thanks to Vinayak for the lovely opening!

(1) Cointel_Pro – ABC agencies connected with the CIA, etc – goes into the X Files, Majestic 12 – various shadowy groups that answer to the fallen angels, which story is

(2) as for the agencies watching Malcolm X; watched JFK, MLK, Bobby Kennedy Jr too
it's a very dirty CIA under-cover operation – reverse the truth, and either kill or capture the whistleblowers – Blaze the Violet Fire! ! !

- re MLK – they tried to get him to kill himself!

- They were the ones who followed Loretta Scott King who went to a Mexico healing centre with stomach cancer – someone followed her there and killed her

- now the Pegasus programs – can read all you have – part of the total surveillance – all of this tied in with the matrix which is falling apart – the energies coming in based in the plasmatic light and they can't live with it

Caller: LORD SAVE US ALL . . . BLAZE THE VIOLET FIRE ! ! ! ! !

[Dalai Lama@DalaiLama](mailto:DalaiLama@DalaiLama) · Feb 4

We share this one planet, our only home so we have to take better care of it. We must cultivate compassion not only for our fellow human beings, but also for the other animals, birds and insects with whom we share the world. Concern for others is necessary for our survival.

2022-02-04 Friday The Poppy Lady

Rama: I received a call from **The Poppy Lady** at 12:25 pm early this afternoon. She said to me, "Lord Rama, the United States has left Afghanistan looking like Mordor, as well as Syria and Iraq. All of Palestine, yet especially in the Gaza Strip, is the largest open air prison in the world. This is the United States Empire at work, along with Israel and the wolves on Wall Street. Yemen is a close second to Palestine. "The hegemony is unprecedented. The banksters are in Mother's crosshairs. Send more love."

Special Note from The Poppy Lady: "We have been helping the refugees that no one else is helping in Afghanistan. Please send the Violet Flame to all these situations. Enshallah! Sat Nam! Namaste! And Blaze the Violet Fire."

2022-02-05 Saturday Daniel Ellsberg, via BBC Radio

Rama: I listened to **Daniel Ellsberg** this morning on BBC radio, a program called *Living on the Edge*. Daniel talked about the dangerous escalation going on, on the Ukraine-Russian border. He said, "It's time for some sensibility in the White House. Kamala Harris needs to take the reins of the Presidency because President Joe Biden is losing it faster and faster each day."

Daniel Ellsberg went on to say: "It's a grave mistake to put U S troops on European soil."

Rama: Then Daniel talked about false flag events, and he brought up the fake Bloomberg News story from this morning that said Russia had already invaded the Ukraine. Please put all of these things in the Circle of Support. Sat Nam! Namaste! Blaze the Violet Fire!

2022-02-07 Monday Dalai Lama

[Dalai Lama@DalaiLama](mailto:DalaiLama@DalaiLama) · Feb 7

The basis of moral principles is to have a real concern for the well-being of others and an appreciation of the oneness of humanity. Whether science or religion is constructive or destructive depends on our motivation and whether we are guided by moral principles.

2022-02-07 Monday Rana Mu

I received a text message from **Rana Mu** at 11:35 am this morning. She said to me, "Lord Rama, we are in the final hours, nano seconds, from the end of the matrix.

"There was a big solar flare today. Leave all the Main Stream News alone! There are magnificent changes going on in our solar system. There are huge meetings going on, on the moon Titan. Titan is one of the 65 moons that orbit Saturn.

"These meetings involve the Intergalactic Federation of Worlds and the Immortals, the Eternals and the Celestials. These beings are the Cosmic Mechanics, the Time Lords, that keep our solar system and our Milky Way Galaxy running in perfect order.

"Meanwhile, Mr Putin and Mr Macron are discussing ways of relieving the tension on the border with Russia. The so-called Russian separatists are operatives, agents provocateurs of the US Deep State.

"Put all of this in the Circle of Support. We are at the end of this story. Sat Nam! Namaste! Blaze the Violet Fire."

Natasha

Rama: I received a call from **Natasha** at 11:36 am this morning. She said to me, "Lord Rama, St Germain is whispering in the ear of President Macron, President of France, about de-escalating a rush to war. Apparently, St Germain has whispered to Macron: 'This is about the big story: NO NUKES!. We choose dialogue rather than violence.'

"Meanwhile, across the solar system, the Immortals and the Eternals are on their way. They are in a huge spherical star ship that they will park in a stationary orbit around the sun. This could very well be happening right now, as we approach the 10th of February, the day a HUGE solar flare is expected to hit Mother Gaia's magnetosphere. They have buffering technologies that they can use to shield Mother Gaia from the high impacts.

"Various Seraphim, Cherubim, and Archangels are here to uplift the heart energies around Mother Gaia, simultaneously with our sun Sol's activities.

"Stay in the high vibrations. All we are saying is 'Give peace a chance.' Sat Nam! Namaste! Blaze the Violet Fire!"

Thursday

Rama: I received a text message from Lady Nada at 12:50 pm this afternoon. She said to me, "Lord Rama, the United States is playing a very dangerous game with the Russian Bear. And Russia has no intention and never had any intention of invading Ukraine. All of this is a mind-control program of the Deep State. There is a term for this CIA Psy Op which was created in the 60s; it was named COINTEL-PRO.

"Meanwhile there was a very big solar flare emitted from our sun, Sol, today, yet it is quickly dissipated before it reached the earth. Could it be that the shield that the Immortals created around Mother Gaia from their starship, placed in stationary orbit around the sun . . . could it be that this shield blocked this radiation from this very large flare from reaching the earth?

"Place all of this in the Circle of Support! We are in a moment where anything and everything is possible Sat Nam! Namaste! Blaze the Violet Fire!"

AN ADDITIONAL NOTE re the first presentation of the Grand Jury Proceedings by the Peoples' Court of Public Opinion

On Tuesday, February 8th, on the Ashtar Legacy Call, Tara read the opening remarks of **the Grand Jury Proceeding by the Peoples' Court of Public Opinion, until now** referred to as **the Corona Investigative Committee**.

February 5, 2022 was the first of 8 presentations of the Committee to a world-wide audience. The significance of these hearings is such that the presentations will be played on the Saturday History Calls until the hearings are complete.

If these hearings are not transcribed officially, it will take nothing short of a miracle for a transcription to be completed by the current players in this little corner of the Universe! Therefore, please use the links provided to re-listen to Tuesday's comments, and the rest of the presentation as well!!!

THE MAIN WEBSITE – <http://www.grand-jury.net/> - is well worth a visit – has all kinds of information and links.

2022-02-28 From the Ashtar Legacy Call, on Tuesday, February 8, 2022

The Opening Comments of the Corona Investigative Committee US/GB **were read out**

The Organization's formal name: **the Grand Jury Proceeding by the Peoples' Court of Public Opinion**

Following are **2 links to the 1st of 8 sessions**, being held over 8 Saturdays; proceedings made public ASAP.

(1) Opening Session of the Grand Jury Proceeding by the Peoples' Court of Public Opinion

Start: 02/05, 6 p.m. CET!

A group of international lawyers and a judge are conducting criminal investigation modelled after Grand Jury proceedings in order to present to the public all available evidence of COVID-19 Crimes Against Humanity to date against "leaders, organizers, instigators and accomplices" who aided, abetted or actively participated in the formulation and execution of a common plan for a pandemic.

This investigation is of the people, by the people and for the people, so YOU can be part of the jury.

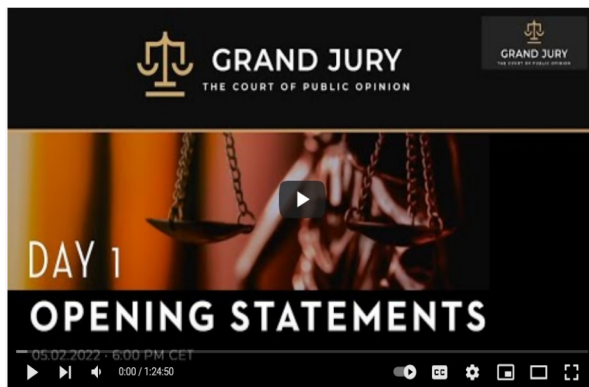

Through showing a complete picture of what we are facing, including the geopolitical and historical backdrop - the proceeding is meant to create awareness about the factual collapse of the current, hijacked system and its institutions, and, as a consequence the necessity for the people themselves retaking their sovereignty.

2022-01-15 The Dream Show 2022: Rhiannon Giddens—I Shall Not Be Moved (with Francesco Turrisi)

https://www.youtube.com/watch?v=OtoWw_tXXvE

Grammy Award-winner Rhiannon Giddens performs the soul-stirring ballad "I Shall Not Be Moved." Performed alongside Francesco Turrisi, this rendition of a civil rights-era classic reminds us of the music's eternal power.

To introduce the song, the singer talks of what she learned from her teacher in addition to the technicalities of learning the instrument - about community, and service to community, ideas that we are focussed on as well.
