A meaningful life is not about material gain, power or fame; these are only of passing value. True meaning comes from an inner sense of peace and contentment, which in turn must be based on a sense of caring and love for others.

Lady Natasha

**Rama:** I received a text message from **Lady Natasha** at 11:51 am late this morning. She said to me, "Lord Rama, President Macron gave a speech today calling on the western allies to do a counter offensive against Russia. Mr Zelensky also gave a speech this morning in Brussels, Belgium, to the E.U., calling for the West to give Ukraine more weapons."

Natasha said at this point, "This would be a very bad move! What I could call this, Lord Rama, is nuclear sabre-rattling, and we all know where **that** leads! !! Captain Ashtar and the Galactic Federation said "NO NUKES!" and I say, Lord Rama, **BLAZE THE VIOLET FIRE!**"

"There was a huge X-class solar flare today. I am letting you know: just work with the gentle hearted energies of the deer today, as we go through this weekend and into the new moon on Monday the 20<sup>th</sup> at 2:08 am EST, and beyond.

"Regarding the so-called news that the British crown owns all of the United States territory: that is only on paper. And that paper is worthless! There is a very big, great reckoning happening right now. It is about the return of the Kachinas, the Native American term for the return of the Ascended Masters.

"See you in the Light of the Most Radiant One! Sat Nam! Namaste! Peace down! We are the ones we are waiting for! **Blaze the Violet Fire!**"

**Monday**

**Lady Nada**

**Rama:** I received a text message from **Lady Nada** at 12:10 pm, MT, early this afternoon. She said to me, "Lord Rama, I am in Budapest, Hungary, today, and what I can tell you is Aurora Ray's message today says it all: the dark ones are going down fast, and we are going up. What I mean by this is the solar flares, every day, are showering the earth with intense cosmic rays. This is affecting all of life in a very good way; it is raising our vibrations to match the energies which are coming in. As we embrace these energies, it brings in the harmony of the Spheres. That energy is the Great Silence, the Oneness.

"Please place Ukraine and Russia and the United States in the Circle of Support, along with Turkey and Russia. There were 2 more quakes in southern Turkey at the Syrian border this morning. One was 6.4 in magnitude, and the other was 6.3.

"The effects of this new moon at 2:06 am EST, early this morning, are rippling out across this local solar system, our Milky Way Galaxy, and beyond. These effects – higher awareness, compassion, and loving kindness towards all life forms – are increased in magnitude. Stay in the Light of the Most Radiant One! Sat Nam! Namaste! **Blaze the Violet Fire!**"

**2023-02 – 21 Tuesday**

**Mr X**

**Rama:** I received a text message from **Mr X** at 1:10 pm this afternoon. He said to me, "Lord Rama, the old empires – China, Russia, the United States – are playing with their final 2 cards. These two cards are #1 Fear, and #2 Toying with the possibility of a fake alien invasion."

Mr X continued at this point: "Lord Rama, we are in a new timeline. War is over. May peace prevail on earth. Sat Nam! Namaste! **Blaze the Violet Fire!**"

**2022-02-22 Wednesday**

**Darby O'Dell**

Rama: I received a text message from **Darby O'Dell** today at 12: 15 pm, early this afternoon. He is a long time friend of the King of Swords and he is as Irish as the day is long! Darby O'Dell takes people on tours to sacred ley line sites throughout Ireland, Scotland and England. He knows how to call in the fairies, the elves and the dwarves.

Darby said, "Lord Rama, this day, Wednesday, February 22<sup>nd</sup> is a sacred day. Numerologically, it adds up to the number 11, a day of Mastery. "As above; so below." Magic and Miracles are afoot. Leave the dark side to wizards and the other magical characters – like me! - I know how to use the Force. It is only for the highest good of all concerned. May the Luck of the Irish be with you! Sat Nam! Namaste! **Blaze the Violet Fire!**"

**Blaze the Violet Fire!"**

**2022-02-23 Thursday King of Swords**

**Rama:** I received a text message from the **King of Swords** today, at 1:10 pm this afternoon. He said to me, "Lord Rama, I'm over here in Budapest, Hungary; I am meeting here with some ambassadors from both the Pleiadian and Sirian Star Nations. They are concerned about the increase in solar flares because there are X2 and X3 Class solar flares going on. There have been radio black outs across various parts of Mother Gaia. The earth's magnetic field is expanding and contracting now, more than in previous periods. This increased expansion and contraction of the magnetic field is putting more pressure on the tectonic plates than usual. This indicates more climate disruption.

"Meanwhile, the dark ones continue to play with false flag events. The solar flares are increasing their agitation because they refuse to embrace the Divine Light coming in. The time draws near; I will see you at that special hill in New Mexico, a bit north of where you live. **It is time for the completion of the transition process out of the old system, and into Sat Yuga, and the new dispensation of NESARA law!!!** The dawning of the Age of Aquarius draws ever near. See you in the Light of the Most Radiant One! Sat Nam! Namaste! **Blaze the Violet Fire!**"
