DECEMBER 23, 2021

To our readers: Rama's White Knights Report, for the most part, will present information from Rama's contacts on very current events. Sometimes, additional commentary may show up, in the form of more explanation about an important issue, or as an article inserted to provide more insight on the subject being presented.

The impulse to try to solve problems by use of force is out of date and old-fashioned. Since we are now all so interdependent, the appropriate solution is to engage in dialogue—it's something to which we can all contribute.

Rama: I received a **text message from Tom the Ring-tailed Cat and Sweet Angelique the Cat** at 11:30 this morning. They said to me,

"Lord Rama, we are at Stonehenge again, getting ready for Winter Solstice. There are huge solar flares going on at this time. Lots of Aurora Borealis at this time, too. Black Moon Lilith is opposite the sun. The radiant energies right at this time are bringing in the Office of the Christ. Stay in the energies of the Violet Flame.

" The Matrix is getting more crystallized/polarized. The unenlightened ones often say 'It is my way or the highway!' Yet we all know it is in alignment with Divine Will that it is done with Love, Truth, Peace, Freedom, Justice [seasoned with Divine Mercy and Compassion], and Beauty for all it can be.

"Sat Nam! Namaste. Blaze the Violet Fire!"

Our lives depend on hope. If you have hope, you'll be able to overcome problems you face. But if you're without hope, your difficulties will increase. Hope is linked to compassion and loving kindness. In my life, I've faced all sorts of difficulties, but I never gave up hope.

Rama: I received a **text message from Natasha** at 11:50 am, late this morning. She said to me, "Lord Rama! The Russian people do not want a war with the West."

On another note, Lady Natasha continued: "I went ice-skating on an outdoor pond in Moscow yesterday, and had a lot of fun ice-skating for a few hours. There were lots of families there, with their children, enjoying the winter wonderland.

"The propaganda from the United States is coming from Anthony Blinken, Secretary of State, yet behind him it is coming from the Men in Black, meaning the 3 letter agencies. Anthony Blinken is a paid-for schill of the Clinton Foundation.

"Place all this in the Circle of Support. Merry Christmas! Happy New Year! Happy Solstice! Blaze the Violet Fire!"

Tuesday

Rama: I received a **call from Natasha at 12:15**, early this afternoon. She said to me, "Lord Rama, I have here with me a personal aide to the Foreign Minister of Russia, Sergi Lavrov. She was a colonel in the Russian F. S. B, formerly known as the KGB, and she used to fly a MIG jet! She told me her name was Zippy.

Zippy said to me, in a broken Russian accent, "Lord Rama, there will no war with the West! This is all propaganda from the CIA, DIA, Black Budget, Deep State, Men in Black, etc."

Zippy went on: "The West needs to prop up President Joe Biden's poll rating numbers because they are falling rapidly and are presently at 29%. So they need to create an incident, a false flag like the Gulf of Tonkin incident which triggered the Viet Nam war."

So Natasha at this point said: "Let us focus on the Winter Solstice which is upon us. This is the time of the return of the Christ, the return of the sun/son of the Living God/Goddess/All That Is. All we are saying is 'Give peace a chance'. Sat Nam. Namaste. Blaze the Violet Fire!"

Wednesday

Rama: I received a **text message** at 12:15 this afternoon from the **Nameless Ones and Lady Nada**. They said to me, "Lord Rama, we are up here in Siberia, near the Arctic Circle, in an undisclosed location. We are to call in St Nicholas and the Ascended Masters, Angels and Archangels.

"There was a solar flare today: the Christ energy is pouring in at this time. The Dark Side is trying their darndest to create eternal night as opposed to the Light of the Eternal Christ.

"Stay in your highest heart at this time. Remember – this is about the return of the sun/son. Sat Nam. Namaste. Blaze the Violet Fire!"

Thursday

Rama: I **received a call** at 12:30 early this afternoon from **Tom the Cat and Sweet Angelique the Cat**. They said to me, "Lord Rama, we are still here at Stonehenge. All the beings known and unknown are here. Focus on nature from the tiniest elven folk to the mightiest archangels right here beside us!

"All the old timelines have come to conclusion; the A I drama has an end. Right now, send more love. Forgive these ones for some of them are us. They are in Goddess's hands and She has her Eye of Ra focussed on them. It is all about Divine Justice.

"See you in the Light of the Most Radiant One! Merry Christmas! Happy New Year! Sat Nam! Namaste! Blaze the Violet Fire!"
