D: Opening Meditation: **Vinayak**

NOTE: THE USUAL ORDER OF EVENTS FOR THE PROGRAM WAS REVERSED:

After the Opening Meditation, **GUEST FREDDY SILVA** spoke. He was introduced by **Caroline** and later he took questions.

After he left, THE PANEL MEMBERS spoke and Tara and Rama gave their report.

GUEST: FREDDY SILVA

Website: <https://www.invisibletemple.com>.

Intro to the website:

Ancient architects created a global network of temples and megaliths to mirror the perfection of the universe. With an unerring knowledge of the mechanics of nature, these magicians built sacred sites with precision to outlast the ravages of time and human folly. They understood the flow of subtle energy, located its hotspots, and applied a combination of geomancy, sacred geometry and earth magic to create living spaces capable of influencing consciousness. Behind every pyramid and stone circle there exists a symbolic language containing the keys to ancient systems of knowledge, codes of creation, sound, sacred geometry, and how they can be applied to influence the everyday world.

For decades I've researched countless temples, pyramids, megalithic sites, ancient churches and Gothic cathedrals, and discovered that they are intermediaries between the material and the spiritual. Essentially, sacred sites are portals. And in addition to tracking the sun, moon and stars, they have been used for healing, divination, the teaching of the Mysteries, and initiation into the Otherworld.

You could say ancient temples are the ultimate self-help centers.

Sages, scholars, mystics, even the Knights Templar, hard-wired a library of information at sacred sites as an insurance policy for times when we'd forget why we are here. My research will make you aware of this legacy so that you may improve the quality of life within and around you.

Once you engage with ancient temples, the fringe benefits are beyond imagination.

From *The Missing Lands: Uncovering Earth's Pre-flood Civilization*

He is also a documentary filmmaker, and leads sold-out private tours to sacred sites worldwide.

We'll be talking with him about his book ***The Missing Lands: Uncovering Earth's Pre-flood Civilization***.

TONIGHT'S PANEL

**Randy Miller (RM)
Dr Vinayak (VIN)**

**Tara & Rama (T, R)
Caroline Oceana Ryan (COR)**

VIN: Invites people to listen to this presentation: lots of information, love, clarity, beautiful wisdom from Freddy Silva who is being guided and doing his mission!

COR: hopes that Freddy will come back and talk about the Knights Templar

RM: This planet is rockin' and rollin' – the technologies about to be released will blow our minds!

351st Work Shop – please listen to this: it's on Youtube

He said that some of the younger members of the 13 families are talking about investing in the Life Enhancement Units of Mr Keshe – they want to get away from the way things are in their families

WE are walking GANS units – the more we enhance ourselves with the energies of the Universe, the closer we get to spirit

COR: The Collective: telling us not to fall for the energy traps for all kinds: they are there to harass us and sidetrack us and set us against each other— rather than watch things that upset you, leave them!

RAMA, TARA: The Faction 3 White Knights [R; T]

[See <https://www.rainbowroundtable.net/rama-s-contacts> for info on Rama's contacts]

RAMA: Greetings! Very wild and intense times in these moments!

- I could say that we are in this highly credible time of being able to interact with these beings that [NATR guest] Freddy [Silva] talked about, and that I keep talking about. No, I haven't taken acid tonight, but they are absolutely real, in that as you talk to them, they will talk to you!
- Tahani Yahu, one of my teachers, speaks of the Stone People. As you talk to them, they will talk to you, and they will move and walk with you.
- Right now, what's happening all over the planet is this big upliftment, this great shift.
 - The 13 Families know it. They can't stop it because it's part of the evolutionary shift that's going on throughout the solar system and the galaxy. They can only embrace it or resist it. As they resist it, they get gone. That's the end of the statement. And that's what's happening right now, because the energies are moving so high, so fast.
- What I keep hearing, is "Stay in that centered heart place that Patti [Cota-Robles] is talking about with these YouTubes, "The Planetary Reboot."
 - How I'm seeing that, is that all of the masters, all the teachers, all the Angels—these Ascended Ones—Freddy calls them the Shining Ones—they're already here. That is part of our stories and legends and myths, only they're not myths. That word has been misconstrued. I would say that these beings never left.
 - We kind of screwed up in the sense that we allowed our fallen human egos to get in the way, and we lost our abilities, our Jedi powers, and we got caught by the dark side, fighting with each other and ourselves.
- All of these Ascended Beings—I call them the Wise Councils of Elders, whom Grandmother Flordemayo knows about, Greg Braden, and Bruce Lipton, and so many other people—
 - These Wise Councils of Elders know about Lord Muru and the Monastery of the Seven Rays. What Freddy was talking about with these stone structures in Peru and other places in South America where Matthias on Gala TV talks about the Blue Beings who came from the Pleiades and Sirius to help us build the super civilizations, and then once again, the fallen human ego got in the way, and we are where we are right now.
- What's happening in this moment—today I talked to Rana Mu and the Poppy Lady and they said,
 - *"Pay no attention to the talking heads going on, back and forth, right now. It doesn't have any basis in reality. Yet out of it comes the shift that has to happen, where we take our power back, with Love."*
 - I know that the folks who are, let's say, kind of controlling the matrix—they know their time is up, and they can't continue any longer, so something's going to pop! What that something that's going to pop is, how the energies keep moving so high, so hard, so fast.
 - As you're in the state of chaos and insanity like the Orange Man, it's only going to get worse. As you stay in a centered place, like Patti is talking about, you won't get thrown by what's out there. Like Caroline said, if it doesn't resonate with you, turn it off.

TARA: I was going to say, the Stone People—we were studying those beings 8 or 10 years ago, and looked up some stuff in the dictionary; they were talking about them being here for trillions of years. So they hold records that are beyond most.

R: Yeah. These beings came with Mother [Sekhmet]. The Great Silent Watchers. Freddy calls them "the Watchers." Many of them were the Elohi and the Elohim, and they got caught with Lucy in the Sky with Diamonds [fallen Archangel Lucifer], and we know the rest of the story.

T: I think that Mother [Sekhmet]'s going to help us out here. They're not going to let us repeat these lessons, and decide not to learn them this time.

R: That's right!

T: I think that's something we're all going to have a part in. As they're saying "By 2042--forget it!" if we haven't changed our ways.

- This is where NESARA really ups the timeline, because the focus is still "money equaling power", and then, of course, dysfunctionality as an art form continues. This new system is ending money as the motivating force, literally.
 - The \$10 million to each man, woman and child—as the re-indexing of the value of things happens a month later, after the enactment and public announcement, that \$10 million will be equal to \$100 million.
 - We're done playing money games for our whole existence. In other words, groveling to get to the top of some kind of set up called a pyramid. We're doing circles within circles. We're doing spirals. We're doing consciousness spirals.
 - Anything else you want to say about that, Rama?

R: What I can say, is that right at this critical juncture, we're approaching this next Full Moon on Samhain—Halloween, All Soul's Night. The next day is All Saint's Day.

T: Then the next day after that is All Soul's Day. Halloween is a very unique date to have a Full Moon!

R: It's also called a Super Moon.

T: We had a Full Moon on the 1st!

R: And what I'm hearing is, as we're leading up to this on All Soul's Day/Day of the Dead, there's a great shift, and it's about the upliftment of us and the planet. The old timeline is falling away faster than I can keep up with. Stay in that Violet Flame! That is our saving salvation.

T: Mother Earth is saying ENOUGH!

R: Basta! *Basta!*

T: [**Reading Rama's report**] Rama says, "I received a call late this morning from Rana Mu and the Poppy Lady.

- "They both said to me, 'Lord Rama, Ms Barrett is being railroaded into the Supreme Court right before the election—

R: This is an absolute kangaroo court, what they're doing! **T:** Yes! Be calm everybody!

[Reading] " . . . of the Supreme Court, right before the election, to try to kill Joe Biden's chances of being the winner. Yet President Trump will declare himself the winner, and throw it to the Supreme Court. And there are rumors that President Trump will invoke the Insurrection Act, that says—paraphrased—"If you try to go up against the government"—in this case, President Drumpf!—"you can be declared an enemy of the state or terrorist, and be arrested, and worse."

R: Just like what's going on with Julian Assange. Because he told the truth about what we did.

T: "Yet all of this is in the realm of speculation. The fates have already made their decision. It is about Divine Intervention coming out of left field.

"Lord Rama, She who was here before the gods were here is calling the shots. Focus on the high heart, and send Love. All we are saying, is Give Peace a Chance!"
