As a Buddhist monk, I'm dedicated to promoting inter-religious harmony. All religions accept the value of warm-heartedness. Some believe in God; others have faith in karma. When I hear about fighting among religious people, I feel very sad—as if medicine has become poison.

Tom the Cat and Sweet Angelique the Cat

Rama: I received a text message from **Tom the Cat and Sweet Angelique the Cat** at 11:50 am This morning. They said to me, "Lord Rama, we sent you a picture from Big Sur, California, where we watched the Milky Way rising. As you really how big this story is, and we, on Mother Gaia, are a tiny speck in this multi-verse, you can begin to under-stand, inner-stand, over-stand the nature of our mission at hand. Love is the answer. On a more mundane physical level, the calendar says 11-11-22 is Veterans' Day; however, at the higher level, this day is the 11-11 Portal Opening. As Tania Gabrielle says, 'Happy 11:11. 11 is the number of Light. Today's 11-11 date is extra special, invoking a lightening strike of Soul-Level awakening.'

[* See below for links to the Tania Gabrielle YouTube and Podcast and further explanation.]

"As above, so below. That's because, in numerology, 11-11-22 adds up to the number 10, the number representing the binary code, a code that uses the binary digits 0 and 1. Everything is a binary code because your soul is built on numerical quantum physics and geometry. You can liken 1 and 0 to the positive and negative charge of a battery. Both are necessary for a battery to function: as you only have a positive charge in your car battery, for example, your car won't start. In the same way, as you only focus on the positive side of things, your internal battery would get very low.

"With this portal opening, Archangel Michael's legions upon legions of angels are here.

"War is over as you want it. The **transfiguration of the sun is extremely imminent**. The Ascension Symptoms continue: stay in the high heart. Sat Nam! Namaste! Blaze the Violet fire!"

Natasha

Rama: I received a text message from **Natasha** at 12:05 pm, early this afternoon. She said to me, "Lord Rama, Russia is being blamed for supposedly sending over 100 missiles that hit various Ukrainian cities. One missile landed in Poland and killed two people. It was farm land. This is an attempt by the empires, oligarchs, and President Zelensky, an asset to the Deep State of the United States, to create an incident that could possibly lead into you-know-what: a nuclear confrontation."

Lady Natasha went on: "Lord Rama, let me make this crystal clear: **there will be no nuclear war – period! ! !** Instead, Captain Ashtar has a lot of talking to do; it is about how we come together as one unified consciousness. We are all One People. War is never the answer. I will be talking to you soon. Sat Nam! Namaste! Blaze the Violet Fire!"

Rama: I received a text message from **Tom the Ring-tailed Cat and Sweet Angelique the Cat** at 11:58 am, late this morning. They said to me, "Lord Rama, we were in space between Mother Gaia and the Moon, and we took a picture and sent it to you! All the planets seem to be lined up – this is not a coincidence! The gigantic story is unfolding as it should. It is called Mother Gaia’s Ascension AND ours. All the Galactic Forces are here. They/we are making open contact whether the earth-based governments and the media are talking about us or not! Call us in! We are not joking! This is real!

"Meanwhile, in other news, the world is waking up to the fact that Ukraine is bombing itself into oblivion. Russia did not strike Poland. This was all Mr Zelensky and his stash of cold war era bombs. And, again, he blamed it on Russia. Please put all of these situations into the Circle of Support and Blaze the Violet Fire. All we are saying is 'Give Peace a Chance!' Sat Nam! Namaste!"

2022-11-16 Taken by Tom the Ring-tailed Cat and Sweet Angelique the Cat, and sent to Lord Rama

Rama: I received a text message from the **King of Swords** at 12:30 pm this afternoon. He said to me, "Lord Rama, I sent you a text message from Billy Carson that sums up the state of affairs of our Congress: "There is no such thing as a Democrat or a Republican. What does exist is an elite group of psychopathic oligarchs who torture men, women and children world wide." "

The King of Swords went on: "Lord Rama, Venus is coming out of Scorpio and moving into Sagittarius; therefore, the Venusian energies are aligning with Galactic Center. Ascension is assured! Right now, our biggest test is to stay in our high hearts. This is true for me, as well. Let's say, I have seen stuff that would scare Gandalf the White!

"The galactic forces are here; have no fear. The galactic forces are making open contact at this time. We can call them in; they WILL show up! See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!"
