Tom the Ring-tailed Cat; Sweet Angelique the Cat

Rama: I received a text message from **Tom the Ring-tailed Cat and Sweet Angelique the Cat** at 12:10 pm, early this afternoon. They said to me. "Lord Rama, it's Friday the 13th. The Goddess who started this story is here and She is collecting Her wayward children. They know their time is up. As we approach the Solar Flash, more and more of the folks are going to get a bit off center - or more than "a bit" - and we need to stay in the center of the circle.

"What is happening has not happened in 26,000 + years. This is the time and the place where it all changes because we are aligned with the Lords of Love. The Solar Flares continue. Stay in the High Heart. Sat Nam! Namaste! Blaze the Violet Fire!"

Today, on [#MartinLutherKingDay](#), let's remember how Dr King was not only a great leader of the American Civil Rights movement, but also a committed proponent of nonviolence. Like millions of people throughout the world, I admire his dream of greater justice and equality for all.

Tom the Ring-tailed Cat; Sweet Angelique the Cat

Rama: I received a text message from **Tom the Ring-tailed Cat and Sweet Angelique the Cat** at 12:15 pm early this afternoon. They said to me, "Lord Rama, the Solar Flares continue to barrel in, and the energies are extremely high. One of the top mafioso bosses was arrested in Italy today; this guy had ties to former Prime Minister Berlusconi as well as President Erdogan of Turkey.

"All of this mafioso boss's underlings are being rounded up as we speak. There are so many galactic beings here with us; any time they will be taking to the airwaves, per the Captain's orders. The Solar Flash is extremely imminent. Stay Safe. We will be seeing you soon. Sat Nam. Namaste! Blaze the Violet Fire!"

The Poppy Lady

Rama: I received a text message from **The Poppy Lady** at 12:30 pm, early this afternoon. She said to me, "Lord Rama, Afghanistan is a mess, and it is because of the United States. 9/11 was an inside job! There are star ships everywhere here! The Taliban have tried to shoot us out of the sky, yet they are too slow.

"The solar flares continue to come in. They are increasing every day in frequency and magnitude. They will lead up to the Solar Flash – intense solar plasma light. The Solar Flash, as this intense wave of solar plasma light, will lift up all of humanity and all life on Planet Earth, despite those humans who choose to resist this light.

"Resistance is futile; you will be assimilated by Love!

"As we approach this new moon next Saturday, stay in the High Heart! The energies are very intense. The Dark Side might try to pull off a False Flag Event, yet they have already failed. We have won! St Germain may be speaking with the King of Swords who may then be speaking to the Provost Marshall General very soon. Pay no attention to the Biden Hologram out there! See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!"

Lady Natasha

Rama: I received a text message from **Lady Natasha** at 12:10 this afternoon. She said to me, "Lord Rama, as we approach the new moon on Saturday at 1:53 pm, Mountain time, we are very soon going to experience all the planets going direct. Then all the planets will stay direct on until April. AND Pluto will enter the first few degrees of Aquarius. All the energies are propelling us forward into this Sat Yuga!

"The 5th Dimension is here and NOW! In order to embrace 5th dimensional consciousness, we must go in through our hearts. Pay no attention to the Clown show [Horror Story!] that is going on in the House.

Meanwhile, the solar flares continue to come in at light speed. These higher energies are tweaking our DNA codes into higher awareness of who we ARE. Embrace this Light! As you open up your consciousness and open up your 3rd Eye, you will see these particles of Light; this is the Light of TEN TRILLION SUNS! ! ! Focus through our sun, Sol; it is changing everything. Stay in the Oneness, and you will see miracles occur. I will see you soon. Sat Nam! Namaste! Blaze the Violet Fire! Om Mani Pād Me[ay] Hum [who. . mm]!
