"Please accept my heartfelt condolences," he wrote, "and convey the same to your mother and other members of your family. I pray for him.

"As you know, over the years, your father and I enjoyed an enduring friendship. I remember the many occasions we spent time together, including the week here at Dharamsala in 2015 when we were able to share our thoughts on how to increase peace and joy in the world. The friendship and the spiritual bond between us was something we cherished.

"Archbishop Desmond Tutu was entirely dedicated to serving his brothers and sisters for the greater common good. He was a true humanitarian and a committed advocate of human rights. His work for the Truth and Reconciliation Commission was an inspiration for others around the world.

"With his passing away, we have lost a great man, who lived a truly meaningful life. He was devoted to the service of others, especially those who are least fortunate. I am convinced the best tribute we can pay him and keep his spirit alive is to do as he did and constantly look to see how we too can be of help to others."

My favourite prayer says: "For as long as space endures,  
And for as long as living beings remain,  
Until then may I too abide,  
To dispel the misery of the world."  
And, in trying to fulfill that aspiration, I feel my life has been of some benefit.

I received a **call from the Poppy Lady** today at 12:10 pm. She said to me, "Lord Rama!  
Please place Afghanistan in the Circle of Support. There is so much samsara going on.  
There have been over 100 extra-judicial killings going on the Taliban/CIA-Deep State  
in Afghanistan since the end of August, as the United States officially left and today.

"We are still travelling around Afghanistan, helping the people who don't have anyone  
else to help them besides the Galactics.

"May you and your Beloved have a happy, healthy and safe new year for 2022. Sat  
Nam. Namaste."

Meanwhile, I called **Rana Mu** at 12:20 pm today. She said to me, "Lord Rama, I am at the  
top of Monakea Mountain, at the planetarium on the Big Island.

"My message to you is: from Cape Canaveral Florida, NASA - Never A Straight Answer  
- had launched a new telescope into space. As this telescope fully opens its sun shield,  
it will look back to where the Big Bang began, 450 BILLION YEARS AGO and relay this  
information back to earth. The name of this telescope is The Jim Webb Telescope. With  
all this new information about our origins coming in to humanity's conscious  
awareness in real time, it is the Quantum Field talking to us, letting us know we are  
One With All that Is, where All that Is expands beyond anything we would have  
imagined before this NOW moment. Awesome! ! !

"May peace prevail on Earth as it is in this NEW HEAVEN! Blaze the Violet Fire!"

From the moment of birth, every human being wants to discover happiness and avoid  
suffering. No differences in our culture our education or our religion affect this. From  
the core of our being, we desire joy & contentment. But so often these feelings are  
fleeting and hard to find.

I received a text message from Lady Master Nada today, at 11:00 am. She said to me, "Lord  
Rama, with this 2-2-2 year, my Twin Flame, Admiral Kumara, the Office of the Christ,  
is anchored here on beloved Mother Gaia. What is being taught is loving kindness.

"May we send Love to the darkest places on the planet. The time is now; Sat Yuga is  
here – a 100,000 years of peace. See you in the Light of the Most Radiant One! In  
Love, Truth, Peace, Freedom, Justice, and Beauty for all it can be. All we are saying is  
'Give peace a chance.' Blaze the Violet Fire! Sat Nam! Namaste!"

I received a text message from #15, the head of the A.C.I.O. – the Alien Contact Intelligence Organization. It was 11:25 am this morning. He said to me, "Lord Rama, the media on earth is compromised by the 13 families, and the 13 families are in their final hours. Send more Love.

"They, the media moguls, are terrified of what their overlords, the dark ones, will do to them as they start telling the truth. Something HUGE is coming in. It is US meeting ourselves, and WE are those galactic ones! This is about the return of the Goddess. Stay in the high vibrations. Do not get swayed by the Faction 2 news; focus on the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!"

I received a text message today from Sweet Angelique the Cat and Tom the Ring-Tailed Cat. It was 12:12 pm early this afternoon. They said to me, "Lord Rama, we have been here at Stonehenge since sunrise. The light coming in is coming from Galactic Centre and it is the Light of The Atone, the One Creator Source. And this Light is saying 'Stay in the High Vibes!'

"The Matrix is a hollow shell of itself and is quickly running out of ways to control the new energies coming in. Any time now, we will all see that signal where the regular programming ends, and you will see the Captain, or Commander Vrillon, or Captain Soltec, or another member of the Ashtar Command.

"We can give you no dates, yet the time is NOW! Look all around you with your inner eye, as well as your physical eyes. The Light of Sat Yuga is here. We will be seeing you soon. Sat Nam! Namaste! Blaze the Violet Fire!"

Thursday

I went and sat in the plasma field today; it was 11:25 am. I spent an hour in there; the plasma field showed me different geometric images that were diamond-like code particles. They were shaped like different kinds of diamonds, and the plasma field explained to me that our sun, Sol, was discharging these diamond-like codes.

The diamond-like codes are affecting the Dark Side negatively; since they are full of venom, they are fit to be tied and cannot handle these energies at all. The Republicans are still claiming that the election was stolen, but truth is neither party is worth a hill of beans because this is all part of the old matrix which is fading away fast!

“The Wise Councils of Elders are here” is what I heard next. They are asking us to call upon them; how we best down to that is slow down, sit down, and breathe, and listen to the Great Silence. In between moments, we will hear the music of the spheres. And we can see it, taste it, touch it, feel it. This is what resonates from the higher heart realms. Sat Nam! Namaste!

**NOTE from Rama:** I see Quetzalcoatl, Lord Lanto, Lord Kuthumi, St Germain, Lord Maitraya, Lady Master Victory, Lady Master Hope, Lord Michael, Sanat Kumara, Lord Aramu Meru and Lady Master Meru, Lord Anton of the Silver Fleets of the Inner Earth, Lady Master Quan Yin, Captain Ashtar, Lady Master Athena, Admiral Sananda Kumara, Serapis Ray of the 4<sup>th</sup> Ray of Spiritual Disciplines.

These are just some members of the Wise Councils of Elders who are here and are talked to by Grandmother Beatrice, Zuni elder from the Zuni Pueblo, Grandmother Chandra, and Grandmother FleurdeMayo, a Mayan Elder. Call them in; they will come and sit with us. This is not a joke; this is real. Trust your inner wisdom of the Force. Sat Nam! Namaste! Blaze the Violet Fire.

This drawing is of the diamond-like shapes Rama was seeing in the plasma field today, January 6, 2022.

Whew...the Sun may be quiet but Cosmic Energies are pouring in to help to firm up the New Earth timeline. I have been feeling intense energies in my head and high pitched noises in the ears, all indicative of incoming high level Diamond Light Codes.

Also feeling very tired and just want to sleep.

Pain in joints and muscles.

Well you know the protocols, rest, hydrate, and stay centered in your heart.

It is also very important to stay grounded, as this intense energy in the head can make you feel disconnected and dizzy, leading to falls and similar small accidents.

I am resting up and taking it very easy for the first few days of 2022!

Love to everyone!
