REPORTS / ENERGY UPDATE FROM THE PANEL MEMBERS

T: Yesterday, there were five 2s – and 2 is about the Divine Feminine – and there will be one day with six 2s
Positive is male action; 2 is feminine energy which receives – this is what Shirley Bolstock said, who
spoke of numbers

- Shirley of the # 8 – the loop in the centre where both sides meet, is the place of manifestation

COR: has been badgering the ascended master friends about timing of NESARA and the Collective gave us a good indication

- St Germain has been talking to her to – see tomorrow's channel. Speaks of our energies are shifting – the nature of time is shifting, and sometimes no idea of time at all – we are coming out of the linear timeline and we are choosing more often to visit the past of this lifetime and move all our focus to NOW, and realize all we desire is here, now
- not only is it about earth changes, but about inter-galactic influences as well

Rama: concurs what COR is describing, as he watches timelines converge, and people wake up and choose either the dark side or the light side; seeing more and more that all the angels, masters, teachers being spoken of are coming out of the wood work – people are asking for a shift on a global level these things are happening as we shift inside of ourselves . . . all of us are in living colour as it is being proposed to have a black Justice – and some have their torches all ready

- Reference to a book called MOUS on Democracy Now
Rama lost 2 uncles he never met: were lost in the internment camps in Germany – based on what he's seen in the past, he knew the galactics would intervene and so we are seeing it

COR: Brian Stevenson – she went to the same college as he did – Equal Justice ????

Micah:

1. Report on the Freedom Convoy 2022

- no more mandates
- Trudeau in hiding; doubles down on his position about all getting vaccine -

2. Massive courtcase in Canada – living on unceded territory and according to the law, need to vacate – now in Supreme Court

3. Keshe Foundation testing enhancement units at the moment – we gave the gov'ts the opportunity to work with us

4. the Rainbow around the Sun: the 4th world will soon end, and the 5th will begin a sundog – full circle around the sun is very unusual
Rainbow orbs around the sun showing up

T: the 5th world has always been here
at Harmonic Convergence, ?? touched the Photon Belt – for 35 years, the 5th dimensional energy has been coming in slowly and gently

Penny:

Randy: not the job of lions to wake the sheep, but to keep forging ahead and keep the path clean – and awaken all the other lions – and the lions are awake: being the people in Canada

The 1/2 brother to Justin made a passing reference to the idea that Justin is a World Bridger as per Mayan tradition: says the Justin he sees now is not who the 1/2 bro grew up with

Those doing the convey are cleaning up and feeding the homeless, etc – these are not points that the main media is not willing to point out . . .

The fake humans have lost their leaders

Mr Keshe's last night presentation about the – worth the time to understand - 418th workshop
the whole universe is watching us: earth is being held back because only a few people . . .

January 28 – February 3, 2022

2022-01-28 **Friday** **Dalai Lama**

[Dalai Lama@DalaiLama](mailto:DalaiLama@DalaiLama) · Jan 28

I would regard a compassionate, warm, kindhearted person as healthy. If you maintain a feeling of compassion, loving kindness, then something automatically opens your inner door. Through that, you can communicate much more easily with other people.

2022-01-29 **Saturday**

Rama: I received a **text message** this morning at 11:10 am from **Tom the Cat and Sweet Angelique the Cat**. They said to me, "Lord Rama, we are over Norway in our shuttle craft and there is an awesome Aurora Borealis in the sky above.

"What is happening is the plasmatic light from the Great Central Sun is drifting into our atmosphere. The solar flares are infusing higher and higher uplifting frequencies into our atmosphere. All we need do is open our hearts and receive."

Meanwhile, I asked Sweet Angelique and Tom the Cat about President Biden announcing that he is sending boots on the ground to Ukraine in the next few weeks. They responded by saying to me: "Lord Rama! Joe Biden's ratings are in the toilet right now and he has become more of a burden than an asset to everyone. By the way, President Biden is now a hologram! Please send more love!

"Vice-President Kamela Harris may soon be taking over the reins of the presidency. Place all of this in the Circle of Support. As we can focus on raising our vibrations consciously into the higher quantum field, with loving kindness and compassion, we can create miracles and magic. We have got the power.

"Om Tac Sat**! Namaste! Blaze the Violet Fire! All we are saying is give peace a chance. All things are possible with Love." [**embracing the whole of All That is]

2022-01-31 **Monday**

Rama: I received a **text message from the King of Swords** at 12:15 pm, early this afternoon. He said to me: "Lord Rama, the Dark Ones are making their very final moves on the chessboard, and Mr Putin and Captain Ashtar are very good and patient chess players! Captain Ashtar has the final move!

"The Dark Ones are being rounded up. As you hear stories of war, it is about the defence contractors and the shadows of Wall Street who are broke. They need a war to pad their wallets. The return of the Goddess is here, and She has said NO to war!

The sun is sending out mass coronal ejections; they are getting bigger each time. These energies are affecting everyone. Stay in the high vibrations. Sat Nam! Namaste! Blaze the Violet Fire!”

2022-02-01 Tuesday Dalai Lama

[Dalai Lama@DalaiLama](#) · [Feb 1](#)

We live in hope, hope that something good will happen. As human beings we must be realistic and use our intelligence to look at things from different angles in order to see a more complete picture, but it is more constructive to remain hopeful than to become pessimistic.

2022-02-01 Tuesday

Rama: I received a **text message from Tom the Cat; Larry, Curly and Mo, and Sweet Angelique the Cat.** It was 11:30 am this morning. They all said to me, “Lord Rama, we are in the outskirts of Tønsberg.Norway AND right before us, a portal opened up to Asgard, the Celestial City, home to King Odin, Thor and Lady Frigga, Thor’s mother.”

Tom continued: “All the Nine Realms are here with us to help guide us in our ascension, as well as Mother Gaia’s ascension. At this time, send more love to Ukraine and Mother Russia; the US Empire is stirring the pot for war. On this day of Imbolc, February 1st, the light from our sun, Sol, is pouring in at light speed.

“All we are saying is Give peace a chance! Sat Nam! Namaste! Blaze the Violet Fire!”

Info from Rama: This is a Portal that opened up for Tom & Company when they went to Tønsberg, Norway!....All the Portals are opening!!

"Once, mankind accepted a simple truth: that they were not alone in this universe. Some worlds man believed [were] home to their gods. Others, they knew to fear. From around the cold and darkness came the Frost Giants (Annunaki) threatening to plunge the mortal world into a new ice age. But humanity would not face this threat alone." —Odin to Loki and Thor

The Battle of Tønsberg was a fierce and pivotal battle during the **Asgard-Jotunheim** War that occurred on Earth, in what is present day Tønsberg...

2022-01-03 Thursday

Rama: I received a **text message** at 12:15 this afternoon from **the 2 high Venerable Lamas who know His Holiness**, the Dalai Lama. They said to me, "Lord Rama, the Yetis or Sasquatch people are coming down from their high mountain dwelling places which are actually in another, higher dimension. They are coming down the mountain to the Lamasaries near Lhasa, Tibet, to help the people there because China has been cracking down on human rights activists who are protesting China's intention to demolish at least 7 of these ancient lamasaries.

"These lamasaries contain 100s of ancient books and manuscripts that are record keepers of hundreds of years of Earth's sacred and political history of the role of Tibetan Buddhism in the evolution of humanity. China wishes to eviscerate this story and replace it with Chinese Communism.

"We are here to let you know, Lord Rama, that Khalki Maitraya, the 10th and final incarnation of the Mahdi, is here. He will be speaking soon at the United Nations Security Council. He is backed up by the Sons and Daughters of Light, meaning the Seraphim and the Sepheroth, the archangels who sit before the throne of Mother/Father God.

"Stay in the high vibes. The return of the SUN is at hand. Om Mani Padme Hum. Sat Nam! Namaste! Blaze the Violet Fire!"
