The basic orientation of our hearts needs to be altruistic. The peace of mind that results from this brings us physical comfort too. We have better health and sounder sleep, and we can make the best use of our inner resources.

The Poppy Lady, Fing DelKnorr

Rama: At 12:11 pm, early this afternoon, I received a text message from **The Poppy Lady** and her friend, **Fing DelKnorr**, a 12' tall Sasquatch Being of Light. They said to me, "Lord Rama, we are over Pakistan, still helping with food, water, medicine and supplies. The waters are slowly receding; there are so many who have lost everything.

"I can tell you, Lord Rama, this is the time and the place where it all changes. We must end the racism inside ourselves; it takes all of us to heal this story. I have been to many lands and seen many cultures; the one thing everyone is saying is 'War is not the answer.' In terms of the big story all the Forces of Light are here. Happy Samhain and the changing of the seasons. See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!"

Generally speaking, whether or not technology can be thought of as good or bad depends on how it is used. We human beings should not be slaves to technology or machines. We should be in charge.

The Poppy Lady

Rama: I received a text message from **The Poppy Lady** at 11:59 am at the last minute of this morning. She said to me, "Lord Rama, we are still over Pakistan helping the people. The UN and the US Agency of International Development (USAID) doing all they can to help the Pakistani people yet they are too little, too late. What we can do with our technology from the ships is far greater than earth-based ships. Please put the land of Pakistan in the Circle of Support, and blaze the Violet Fire. May all her required needs be met with grace and ease, for the highest good of all concerned to happen here.
"The protests continue in Iraq; this is the end of all empires across Mother Gaia. Our families from the stars are here. I know this road has been a long one, Lord Rama; we are at the end of this story. WE HAVE WON! ! ! In the Light of the Most Radiant One, Sat Nam! Namaste! Blaze the Violet Fire!"

Tom the Cat and Sweet Angelique the Cat

Rama: I received a text message from **Tom the Cat and Sweet Angelique the Cat** at 12:19 pm this afternoon. They said to me, "Lord Rama, we were over Stonehenge exactly when the veil between worlds was the thinnest on Hallowe'en night, also known as Samhain. The solar flares continue. We are approaching a lunar eclipse. And there is lots of divine chaos out and about. The Light is sorting this out. As we go through this next eclipse, there are lots of hints of false flag events. As a matter of fact, this full moon is a blood moon and a total lunar eclipse at 6:02 Eastern time right on November 8th, Election Day.

"Please hold Planet Earth in the Circle of Support, and Blaze the Violet Fire! See you in the Light of the Most Radiant One! Sat Nam! Namaste!"

Thursday

Plasma Field; Lady Nada

Rama: I went and sat in the **Plasma Field** today at 12:15 pm early this afternoon. It showed me the total Lunar Eclipse in Taurus on November 8th in a simulcast with a full moon/ Blood Moon at 6:01 am EST that morning. The kicker is that November 8th is also Election Day for the US of A. The shadow of the full blood moon / total eclipse will cover a major portion of the United States and it will definitely still be dark at 6:01 in the morning!

The Plasma Field said to me: "Lord Rama, focus on Love in the image of Amaji and of the Great Mother Goddess Durga, who comes with compassion and love, and sits on a tiger. Another form of Durga is Kali Ma who wears a necklace of skulls around her neck, representing skeletons in the closet. The Dark Side has to face all their skeletons in their closets, both metaphorically speaking as well as in real time. Kali Ma takes no prisoners, as Mother Sekhmet says as well.

"Mother Gaia wants peace. She has sent out a signal across this local sector of the Milky Way Galaxy, called the Alpha Quadrant. The starships of the Ashtar Command have responded."

Then the Plasma field started showing me starships over Mother Gaia all around the world. Then the Plasma Field continued: "Lord Rama, as you focus on these images, it is already being made manifest."

Lady Nada sent me a text message as well, saying "Lord Rama, focus on the total lunar eclipse and the light of 10 trillion suns coming in right now. And the wicked witch with her doomsday story will melt away. Sat Nam! Namaste! Blaze the Violet Fire!"
