It is with deep sadness that I have learned this morning that Queen Elizabeth II, has passed away. I pray for her and offer heartfelt condolences to His Majesty Charles III, the Royal Family and the people of the United Kingdom.

**Condolences for Queen Elizabeth II September 9, 2022**

Thekchen Chöling, Dharamsala, HP, India - On learning this morning that Queen Elizabeth II had passed away, His Holiness the Dalai Lama wrote to her son, His Majesty King Charles III, to express his deep sadness and to offer heartfelt condolences to His Majesty, the Royal Family and the people of the United Kingdom.

"I remember seeing photographs of her coronation in magazines when I was young in Tibet," His Holiness wrote. "Her reign, as Britain's longest serving monarch, represented celebration, inspiration and a reassuring sense of continuity for so many people alive today.

"Your mother lived a meaningful life with dignity, grace, a strong sense of service and a warm heart, qualities we all should treasure."

His Holiness's letter concluded with his offering his prayers and good wishes.

**Tom, Larry, Curly, Mo and Sweet Angelique the Cat**

**Rama:** I received a text message at 11:55 am, from **Tom, Larry, Curly, Mo and Sweet Angelique the Cat**. They all said to me: "Lord Rama, last night we were over Norway in our shuttle craft, observing many aurora borealis, with many multiple of colours in them. We were taking atmospheric samples of the actual, rare earth minerals that are cosmic neutrinos in the atmosphere. These are highly charged particles that come out of the sun, and other celestial bodies. There are many gamma rays coming in right now. These gamma rays produce the emerald green ray.

“At this time that our sun is sending out these cosmic particles, there is a consciousness to these particles coming in. They are coming to earth to regenerate her and all life upon her. In the next few days, we will share more about these cosmic particles. They are the building blocks of life. See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!”

**RanaMu; Natasha**

**Rama:** I went up the back side of the mountain today, at 11:30 am. The Force was calling me to show myself once again that I have no fear, walking between dimensions. SO – I went to this canyon and I called up RanaMu. I said to her, “RanaMu, I am at the same canyon where I went with you a few years ago, and we walked across the canyon together. I would like to do that again, with you.”

RanaMu said to me, “Lord Rama, focus on my face, here on your phone screen while walking across the canyon.” So I did that, and walked across the canyon in about 4 minutes. It felt more like 10 minutes while I was crossing the canyon and looking at RanaMu’s face.

Once I got to the other side, my phone was beeping because another call was coming in. It was **Natasha**. Right after that, RanaMu said to me, “You did very well, Lord Rama.”

As I answered Natasha’s call, she said to me, “Lord Rama, the Russian oligarchs are playing a very dangerous game at this time. There are many stories of Russian

soldiers fleeing and abandoning military equipment in Ukraine. What is going in is the United States and President Z, the US puppet, are violating International Law by providing weapons of war to the Ukrainian military. We are at that moment where there are so many galactic forces here, that this scene is going to change in the twinkling of an eye! There are cosmic clearance files I could show that would raise your eyebrows above your crown chakra! ! !

"This very much looks like a scene from out of **Star Wars** – and I am not joking! Please place all of this in the Circle of Support, and call in Lord Michael, Lord Maitraya, Lord Metatron, AND Mother, the Four Galactic Musketeers! All we are saying is 'Give peace a chance!' Sat Nam! Namaste! Blaze the Violet Fire!"

**Heidi and Katherine**

**Rama:** I received a text message from **Heidi and Katherine** at 11:49 am, late this morning. They said to me, "Lord Rama, we are in Toesenburg, Norway, studying the cosmic rays coming in from the solar flares. This is HUUGGGEEEE!!! The gamma rays are the predominant rays coming in from the sun; again, gamma rays create the emerald green rays seen in an Aurora Borealis. And the emerald green gamma ray brings deep healing to Mother Gaia, her children and all life on, above, and in Terra Nova.

"Let us choose to care for each other, rather than taking advantage of each other for personal profit. We are in the most tremendous time of transfiguration in anyone's life time or incarnation ever to come to this earth plane!

"We are experiencing the 5<sup>th</sup> Dimension being anchored on earth, as it is in Heaven! Respect all life, whether it is an ant or a Sasquatch person. See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!"

**Wednesday Tom the Ring-tailed Cat; Sweet Angelique the Cat**

**Rama:** I received a text message from **Tom the Ring-tailed Cat and Sweet Angelique the Cat** at 11:58 am this morning. They said to me, "Lord Rama, we have sent you a picture of that, which we took just a few minutes ago from our shuttle craft. It is a picture of a portal opening over Antarctica."

Tom and Sweet Angelique went on: "We have technology that can determine 20-30 seconds before it happens when a portal is going to open, and where. So we bi-located to the site, and took this picture. We have something called the Portable Gravitational Field Generator; in 2012, Ashtar approved of using this technology for galactic members of the Ashtar Command.

Now is the time for Full Disclosure and First Contact! We are family! See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!"

**Mr X, the King of Swords, Lady Natasha**

**Rama:** I received a text message at 11:53 am, late this morning, from **Mr X, the King of Swords, and Lady Natasha**. They said to me, "Lord Rama, we were at Stonehenge for sunrise this morning. As you can see in the picture we sent you, another portal is opening there! At this time, we are being visited every day by our galactic star brothers and star sisters. Ukraine is being visited by many forces of the Galactic Federation. Some of those lights over Ukraine, though, are UAPs – Unidentified Aerial Phenomena – meaning, they are clones and droids created by the US Deep State. We are at a moment where all of the intruders are being check-mated! The 13 families are really in their LAST NANO SECONDS! It is in our best interest to send more love and compassion to all the misqualified energies.

"We know many of you are challenged financially at this time. Let us stay the course! The Light has ALREADY WON AND ANY TIME NOW, THE CAPTAIN WILL DO HIS THING! !! Keep your ears tuned to those galactic air waves and LOOK UP! You have room in your back yard for a shuttle craft, Lord Rama; it might momentarily interrupt the cats, the bunny rabbit and your new animal friends – two skunks! They will be fine! A late night cup of tea and plans are in the making. See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!"
