Compassion and love are not a luxury; they are essential to our existence. Without a sense of caring, there can be no sense of community. We must learn to work not just for our own self, family, or nation, but for the benefit of all humankind.

Lady Nada

Rama: I received a text message from **Lady Master Nada** at 12:30 pm, early this afternoon. She said to me, "Lord Rama, there were two massive solar flares today – X2 and X3 class. The energies continue to be as high as they can go. Listen to Theresa Bullard's message "*Down the Quantum Rabbit Hole*" ***; she was talking about the Kabbalah and the mystical arts.

"Leave the dark side alone. Things are extremely imminent. Sat Nam! Namaste! **Blaze the Violet Fire!**

Rama: I received a text message from **Tom the Cat and Sweet Angelique The Cat** at 12:38 pm this afternoon. They said to me, "Lord Rama, intense gamma ray light is coming in from Great Central Sun to our sun, Sol. Everything is being raised up. All the galactic forces are here. Earth is becoming 5D earth RIGHT NOW!

"Pay no attention to the Dark Side. They have used up all their power. They can embrace the light or they can go kicking and screaming. Ascension is assured. Sat Nam! Namaste! **Blaze the Violet Fire!**"

Lady Nada

Rama: I received a text message from **Lady Master Nada** at 12:20 early this afternoon. She said to me, "Lord Rama, the massive solar flares continue to go on. These ones are geo-magnetic storms that are of the G2 and G3 class and there are big aurora borealis showing up in such places as Sweden, Maine, Lake Superior and even as far south as Colorado.

"There are secret, high level meetings going on in an undisclosed location. These secret meetings are going on between galactic ambassadors and the world's so-called leaders, primarily the G7 and the G 20. the Galactic Ambassadors have shown these so-called world leaders the red line in the sand AND they have crossed it! ! ! Therefore, it is the prerogative of the galactics to step into the affairs of Earth!

"There have been rumours of nuclear threats put out by the fake Putin and the oligarchs of Russia who control him. They are threatening to deploy tactical nukes on the battlefield of Ukraine.

"Meanwhile, the US AND Ukrainian representatives at this secret meeting are threatening to do the same!"

At this point, Nada said; "Lord Rama, **THE NUKES WON'T WORK! ! !** Lord Michael's legions upon legions are here; this IS THE END GAME FOR THE DARK SIDE!

"All I can tell you about this end game unfolding is – I will see you, Lord Rama and your beloved, for a cup of tea at the Tea House up on Canyon Road! See you in the Light of the Most Radiant One! Embrace this light coming in! It is a gift from Creator Source. Sat Nam! Namaste! **Blaze the Violet Fire!**"

Tom the Ring-tailed the Cat, Sweet Angelique the Cat

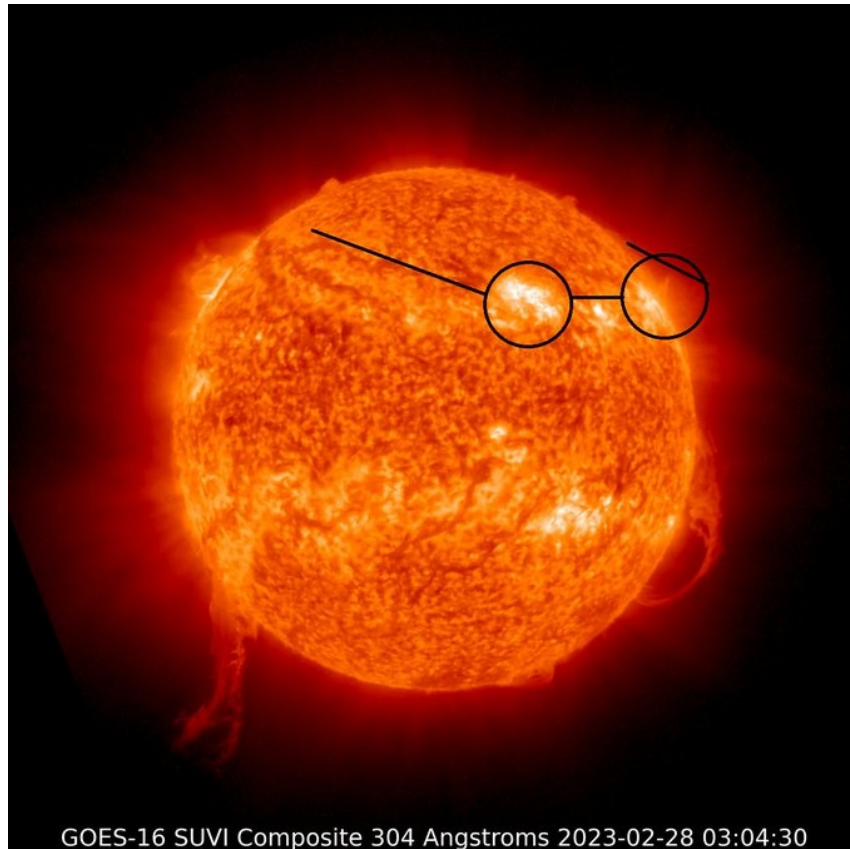

Rama: I received a text message from **Tom the Ring-tailed the Cat and Sweet Angelique the Cat** at 12:09 pm this afternoon. They said to me, "Lord Rama, there are BIG solar flares again today! The aurora borealis continue to be amazing. These auroras are the manifestation of the Quantum Field for us to see. Please embrace this light which is coming

in from Great Central Sun for us to heal and celebrate! Everything that is going on is moving us up another octave. The Captain and Lord Michael's legions are at the ready!

"The Dark continues to go down in flames. We must continue to hold each other in the Light of the Violet Flame and in the monoatomic golden light of the Most Radiant One.

"Whatever is being said about nuclear war – SET IT ASIDE! War is NOT the answer! **WAR IS CANCELLED! ! !** What we have got going on here is a group of immortal beings who have conveniently forgotten their divinity, yet Mother is here to remind them. We hold you and everyone in the Circle of Support who are having difficult times right now.

"The Ascension is assured. Stay in the Light of the Most Radiant One. Sat Nam! Namaste!
Blaze, blaze blaze the Violet Fire!"

The Poppy Lady

Rama: I received a text message from **The Poppy Lady** at 12:10 pm early this afternoon. She said to me, "Lord Rama, we are still over southern Turkey and the northwest corner of Syria. There are well over 50,000 + people who have gone over the rainbow in that area since the quake began, 3+ weeks ago. Yet this has become a back page story. Where are the main media cameras pointed at? They are pointed at the last dead President of 2017 to 2020 and the present dead President of 2021 to the present! They always talk about aid that comes in trickles and then peters out and the story is forgotten. This is about the pattern of lies that began in the early 80s with Ronald Reagan's famous statement: "I'm from the government, and I'm here to help."

"There are many starships assisting here in this area of Turkey / Syria and beyond. I can say no more. Send more love.

"The Solar flares are bringing in the shift we want to see. See you in the Light of the Most Radiant One! Sat Nam! Namaste! **Blaze the Violet Fire!**"

Mr X

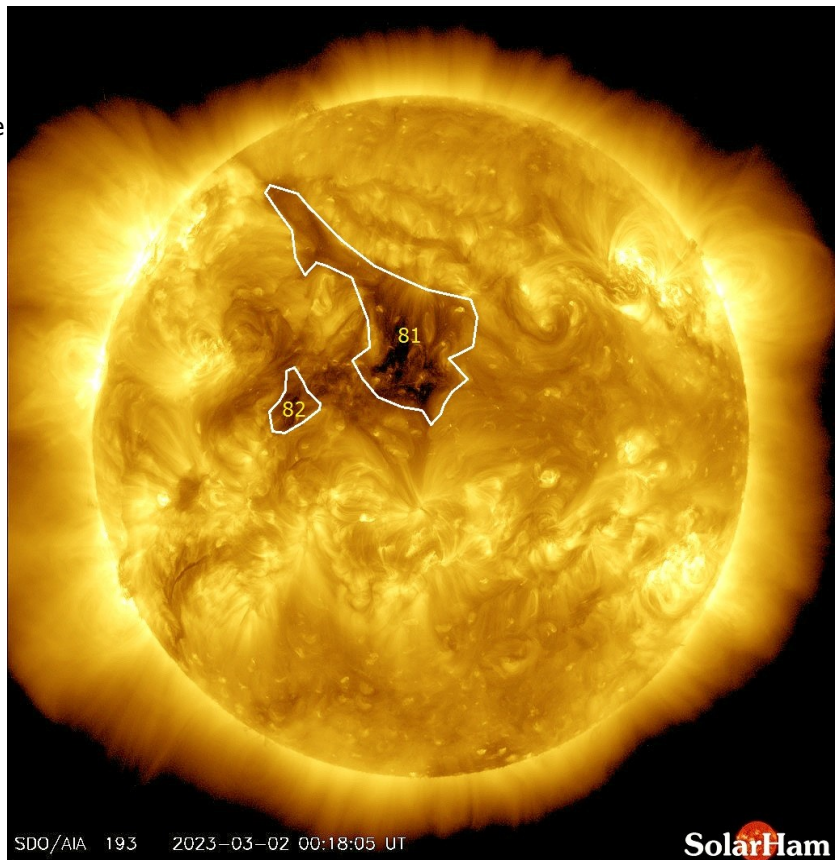

Rama: I received a text message from **Mr X** at 12:21 pm, early this afternoon. He said to me, "Lord Rama, a group of scientists have found a new passageway inside the Great Pyramid of Giza. This passageway could very possibly and probably lead to Pharaoh Khufu's sarcophagus which has yet to be found. (See article at the end of the Report.)

"Meanwhile, the solar flares continue to barrel in and the Aurora Borealis are amazing to behold! This is the Light of Creator Source coming in to grace us. Lord Michael and his legions and all the federations are here!

"There was a G20 meeting that began today in New Delhi, India. Prime Minister Modi presided. The biggest issue on the table was the Ukraine /Russia conflict. Russia and the United States, standing in for Ukraine, are haggling over how to create a cease fire as well as end the war. Russia is claiming Ukraine is sabotaging the efforts to end the war – WHICH IS TRUE!"

Mr X went on: "Lord Rama, let me state this for the record: **Russia never started this war; the US Empire DID!** It is time to stop all war! This is why our star family is here. Send only love. Sat Nam! Namaste! **Blaze the Violet Fire!**"

Note: The areas set out in white lines are of coronal holes aka portals. Interdimensional and inter galactic beings come through these portals to bring aid to us on the planet. (Rama)

2023-03-02 Scientists reveal hidden corridor in Great Pyramid of Giza

CAIRO, March 2 (Reuters) - A hidden corridor nine metres (30 feet) long has been discovered close to the main entrance of the 4,500-year-old Great Pyramid of Giza, and this could lead to further findings, Egyptian antiquities officials said on Thursday.

The discovery within the pyramid, the last of the Seven Wonders of the Ancient World still standing, was made under the Scan Pyramids project that since 2015 has been using non-invasive technology including infrared thermography, 3D simulations, and cosmic-ray imaging to peer inside the structure.

[An article published](#) in the journal Nature on Thursday said the discovery could contribute to knowledge about the construction of the pyramid and the purpose of a gabled limestone structure that sits in front of the corridor.

The Great Pyramid was constructed as a monumental tomb around 2560 BC during the reign of the Pharaoh Khufu, or Cheops. Built to a height of 146 metres (479 feet), it now stands at 139 metres and was the tallest structure made by humans until the Eiffel Tower in Paris in 1889.

The unfinished corridor was likely created to redistribute the pyramid's weight around either the main entrance now used by tourists, almost seven metres away, or around another as yet undiscovered chamber or space, said Mostafa Waziri, head of Egypt's Supreme Council of Antiquities.

"We're going to continue our scanning so we will see what we can do ... to figure out what we can find out beneath it, or just by the end of this corridor," he told reporters after a press conference in front of the pyramid.

Five rooms atop the king's burial chamber in another part of the pyramid are also thought to have been built to redistribute the weight of the massive structure. It was possible the pharaoh had more than one burial chamber, Waziri added.

Scientists detected the corridor through cosmic-ray muon radiography, before retrieving images of it by feeding a 6mm-thick endoscope from Japan through a tiny joint in the pyramid's stones.

In 2017, Scan Pyramids researchers [announced the discovery](#) of a void at least 30 metres long inside the Great Pyramid, the first major inner structure found since the 19th century.
