If we focus too much on ourselves, we'll not be happy, whereas to concern ourselves with the well-being of others is the gateway to great joy. If we're really serious about happiness, we need to open our hearts and focus on others as well as ourselves.

I received a **text message from Lady Nada** at 12:30 pm this afternoon. She said to me, "Lord Rama, it is a gross breach of justice to send Julian Assange to the United States for telling the truth about US war crimes and genocide. What Julian exposed were the war crimes and genocide that we, our US military, committed in Iraq and Afghanistan.

"The story of the Middle East wars is not about terrorism and 9/11. It always has been about the stargates, yet nothing came of that. Right at this time, all the portals and stargates are opening. The winter solstice is fast approaching. Let us place Julian Assange and all the whistleblowers in the Circle of Support.

"The Great Shift is upon us; embrace your destiny by working with the Ascended Masters and Space Commanders each day. We shall overcome; the Force is with us.

"As Lord Kryon says, we are magnificent co-creator gods and goddesses of the Most High. Stay in that realm. We will be receiving further communication from Captain Ashtar. Tune in and you will hear the Oneness. Sat Nam! Namaste! Blaze the Violet Fire!"

I got to hear **Ralph Nader speak on New Dimensions Radio** at noon today on PRX Radio International. Ralph was calling out the biomedical-military-industrial-congressional complex and the 13 families. He talked about the financial hegemony and how the billionaires and central bankers make bets on the futures market, using corruption and plans for their own best interests rather than for the future interests of the will of the people.

Ralph Nader called out the Republicans in Congress for their involvement in the January 6th insurrection and the high treason then committed by them.

He went on to say that, in any other country, these people would have been summarily executed for their crimes.

Stay in the Light of the Violet Flame. Sat Nam! Namaste!

If the education system fostered inner peace, compassion and non-violence, or the idea of doing no harm, students would learn how to achieve peace of mind. This is what is required if we are to fulfill the goal of a genuinely peaceful and demilitarized world.

Monday

At noon, I received a **text message from Lady Nada and the Poppy Lady**. They were texting me from an undisclosed location; they said to me "Lord Rama, the West is stirring the pot for war with Iran. This is supposedly because Iran is slow-walking the Paris Agreement. [NOT TRUE ! ! !]

"Israel and the West want a war to distract from what is coming in [The Light of 10,000 Suns], along with the return of the Mahdi, Lord Maitreya – also called Mithra - and the return of the Jedi. Captain Ashtar and the Forces of Light have said NO to war!

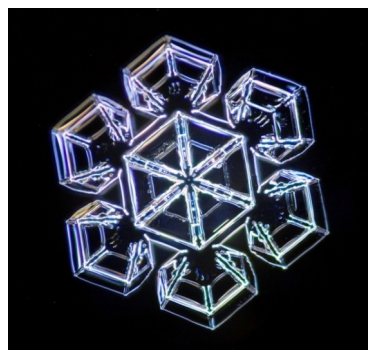

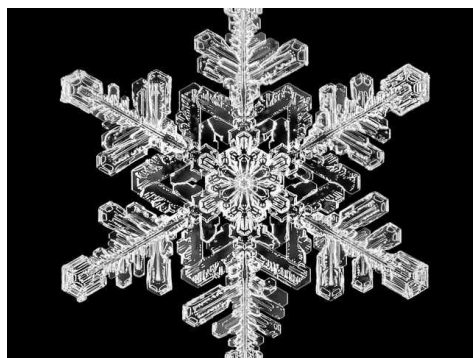

"This Winter Solstice is a major portal to the higher realms. Stay in the Violet Flame. Sat Nam! Namaste!"

Tuesday

Around noon, I went halfway up the mountain. It was snowing! I went by the water and spun my crystals for 15 minutes. Then **3 snowflake beings, misty and crystalline in nature, showed up**. They were about 7' tall and had a snowflake aura that extended about 6' from their core.

They telepathically said to me, "Take our hands." And I did. Then they continued, "Visualize Dr Emoto's snowflake pictures you have seen on the internet and project them out across the planet, forming a giant grid of snowflake beings. This will light up all the grid lines, all the song lines, and all the dragon lines across this world. All the elemental beings all the way up to the Archangels are with you at this time. There will be no nuclear war on your planet! The Goddess is here with the return of the Sun in 7 more days! Good journey on your way, Sir!"

Rama replied: "Sat Nam! Namaste! Blaze the Violet Fire! And the snowflake beings dissipated into the falling snow at this point."

Then I received a single sentence **text message from Mr X**. He said to me, "Lord Rama, Captain Ashtar has said 'no nukes'. I will be seeing you soon; keep your phone on! Namaste!"

Wednesday

I received a **text message from the King of Swords** at noon. He said to me, "Lord Rama, the West is playing a very dangerous game with the Bear, and the Bear will win! NO NUKES! ! !

"There is a huge coronal hole that has just appeared in the southern hemisphere of the sun – big solar flares are on the way! The ascension energies are going to get higher. Just to let you know, the Captain is on stand-by. He will be giving you and everyone The Signal. You will be given co-ordinates for where to go. Remember Ponfar Hill.

"See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!"

Thursday

I went and sat near the top of Sun Mountain; it was between 12:30 to 1:30 pm this afternoon. I put my crystals in a circular grid pattern, calling in all the beings known and unknown. Then 3 deer and a couple of ravens showed up. The deer were licking my hand, looking for something to eat. So I got out the carrots I brought for them and, as their tails started wagging, they stomped their feet; then they were happy and stayed for a bit and then were gone. The ravens stayed and watched.

The **message I received on the inner, from the Force**, said to me: "Lord Rama, the 5th and 6th dimensions are anchoring themselves right here and now and, yet, we are still seeing the 3rd dimensions – we are seeing climate disruption and the collapse of this reality. And we are bouncing between all of these realms.

"The Forces of Light are saying the 3rd dimension and its collapse are in the old timeline. Do not get caught up in the matrix. Listen to the Oneness all around us. The Dark Side is pushing and they are pushing on all fronts. Send them more love as they fade from this new timeline. We are only a few days away from the return of the sun. Remember to stay in the High Heart. Blaze the Violet Fire! Sat Nam! Namaste!"
