**RanaMu**

**Rama:** Happy Lammas! May we all honour Goddess Ceres / Demeter. Ceres is a goddess of agriculture, grain fields, fertility and motherly relationships. She was credited with teaching humanity how to grow, preserve and prepare grain and corn. Demeter is the Greek name of Ceres. Also in the Sumerian civilization, Ceres/Demeter was the goddess of grain and harvest, and her Sumerian name was Inanna.

I went to see **RanaMu** at 10:35 am this morning. I got on the bio bed and 3 lasers came out of the ceiling; they merged and became the Three Fold Flame, 3 in 1, right before me. Then RamaMu combined the sounds of the Hathors by Tom Kenyon; this went on for 20 minutes. I could say at first, it was intense and somewhat painful, and then it merged into a general warm sensation, concentrated on my neck and shoulders.

Then RanaMu reiterated the Secretary General's Message. We are about 5 seconds away from midnight on the Atomic Clock. Captain Ashtar is here; Starfleet Academy is a reality right now. Sat Nam! Namaste! Blaze the Violet Fire!

**2022-08-02**                      **Tuesday**                      **Natasha**

**Rama:** The Catholic Church and the White Evangelical Church have been going against women's rights to choose abortion as part of their reproductive freedom.

I received a text message from **Natasha** at 12:15 pm, early this afternoon. She said to me, "Lord Rama, the propaganda from the US regarding the situation with the Speaker of the House visiting Taiwan and ignoring the fact that Taiwan is in China's jurisdiction was a bad move.

"The energies are extremely high! There are comets and asteroids coming into our realm; they are living beings coming to visit us to bring their Divine wisdom to our world.

"The 13 families are pushing for war: **war has been cancelled.** They either didn't get the memo or they deleted it! There are enough of us on Mother Gaia to shift this story to Peace and Love. All we are saying is give peace a chance. Sat Nam! Namaste! Blaze the Violet Fire!"

**2022-08-03**                      **Wednesday**                      **Natasha**

**Rama:** I received a text message again today from **Lady Natasha**. This time it was 11:35 am. She said to me, "Lord Rama, today Taiwan flew 27 military jets over the disputed area of the Taiwan Strait between Taiwan and China. This was a provocative action!

"I will repeat the message of Secretary General António Guterres of the last couple of days: 'We are 5 seconds away from a so-called "nuclear accident"'. Yet we all know that there are no nuclear accidents. I am here to let you know, Lord Rama, that Captain Ashtar is on top of this!

"There have been numerous solar flares going on planetarily. I will be seeing you soon. Sat Nam! Namaste! Blaze the Violet Fire!"

**2022-08-04**                      **Thursday**                      **Tom the Cat and Sweet Angelique the Cat.**

**Rama:** At 11:45 am late this morning, I received a text message from **Tom the Cat and Sweet Angelique the Cat**. They said to me, "Lord Rama, we are at Rennes- le-Chateau in Southern France, near the city of Limoux. The stones here are vibrating. It is a sign that the transfiguration of our sun Sol is very near.

"The rhetoric of the 13 families is just that: propaganda.

"Right now, in the Wesak Valley, the Nameless Ones are leading an entourage of 3,000 lamas who are spinning prayer wheels and chanting "Ohm Mani Padme Hum"

"We are in this time of great transformation, transfiguration. All we are saying is 'Give Peace a Chance.' Sat Nam! Namaste! Blaze the Violet Fire!"
