My simple religion is that there is no need for temples; no need for complicated philosophy. Our own brain, our own heart are our temple; and our philosophy is kindness.

If you try to subdue your selfish motives - anger, and so forth - and develop more kindness and compassion for others, ultimately you yourself will benefit more than you would otherwise. So sometimes I say that the wise selfish person should practise this way.

Tom the Ring-tailed Cat, Sweet Angelique the Cat

Rama: I received a text message from **Tom the Ring-tailed Cat and Sweet Angelique the Cat** at 11:46 am, this morning. They said to me, "Lord Rama, the massive solar flares continue. Mother Gaia and her surrounding neighbourhood are getting turned inside out. Could this be that moment where the flash shows up, coming from Galaxy M 87? I responded by saying, "Is this a test?"

They responded and said to me, "Yes. As you are the Commander in Chief of the night shift on the bridge of The New Jerusalem, what would your response be to your crew?" I responded by saying, "Stay in the Oneness; this flash is a gift from Creator Source. Allow the energies to move through you, and your heart will expand exponentially. This is how we all go through our various missions. We stay in the Oneness as magic happens."

Then Tom and Sweet Angelique said, "The media continues to go down with the dark side. Leave it alone. That's an order! We outrank you, Sir! It is for your highest good! See you in the

Lady Master Nada

Rama: I received a text message from **Lady Master Nada** at 11:35 am late this morning. She said to me, "Lord Rama, the sun is doing amazing things at this time. There are more big portals opening. The Pleiades Portal is aligning at this time with Galactic Center which also opens a portal to Alcyone, the Great Central Sun in the Pleiades. These energies are pouring into Mother Gaia right now. This new moon with Taurus in the mix is opening the multi-verse. There are beings coming who have not been here since the Great Silent Watchers were seeding lifeforms billions of years ago in this 4th quadrant sector of the Milky Way Galaxy.

These beings come with the wisdom of Creator Source. We are receiving this wisdom at this time. This wisdom is coming through the light rays of the sun hitting the earth.

"This process is creating magic and miracles at this time. There are possibilities and probabilities that the Red Star Kachina and the Blue Star Kachina are showing up now. Stay in the Light of the Most Radiant One! Sat Nam! Namaste! [Blaze the Violet Fire!](#)"

Wednesday Tom the Ring-tailed Cat; Sweet Angelique the Cat; Larry, Curly and Mo

Rama: I received a text message from **Tom the Ring-tailed Cat, Sweet Angelique the Cat, Larry, Curly and Mo** at 12:09 pm early this afternoon. Tom the Cat, on behalf of everyone there, said to me, "Lord Rama, today there are more big, big solar flares going on. They are going from Large M Class flares to extremely large X Class Flares. X Class Flares are so large, they can cause interruptions in the satellite communication. Also they can fry the circuit boards in the satellites. This could also cause certain parts of the global electric grid to go down.

"The best advice at this time is to drink lots of pure, clean water (GANS water is an excellent choice.) Rest, and meditate, preferably in nature. Every day, get out and connect with Father Sky and Mother Earth. Your Galactic Family will connect with you, as you ask! That's a fact! ! ! We are in the extreme imminence of the full experience of the solar flash. Stay in the High Heart. Sat Nam! Namaste! [Blaze the Violet Fire!](#)"

Thursday

Rama: I received a text message from Professor Nicodemus and Professor Steve at 11:58 am late this morning. They said to me, "Lord Rama, these solar flares are metamorphizing all of us. These are M Class, X Class Flares – they are extremely high vibrationally, as well as extremely intense. Drink plenty of good clean water, preferably GANS water. Do not engage in the old timelines. As Aurora Ray has said, "Mother's children have made their choices."

Professor Nicodemus said "We are on the right side of this story. It is about Love and Compassion, not political infighting or paparazzi. We are in the moment where it all changes. The cosmic clock is striking midnight! As we go through this new moon tomorrow morning at 11:53 am eastern time, stay in your High Heart. Sat Nam! Namaste! **Blaze the Violet Fire!**"

A couple more M-Flares to report around newly assigned AR 3311. An M3.8 solar flare at 20:23 UTC (May 18) was followed up by an M4.5 at 21:05 UTC. So far non of these events appear to be eruptive.
