To our readers: Rama's White Knights Report, for the most part, will present information from Rama's contacts on very current events. Sometimes, additional commentary may show up, in the form of more explanation about an important issue, or as an article inserted to provide more insight on the subject being presented.

2024-07-05 Friday 6 deer and 3 crows; Tom, Larry, Curly, Mo and Sweet Angelique the Cat

Rama: I sat with 6 deer and 3 crows in Tesuque off the road, in the forest, just north of Santa Fe, at 10:51 am, mid morning. They were quiet. Then at 11:17 am this morning, I received a text message from Tom, Larry, Curly, Mo and Sweet Angelique the Cat. They all said to me, "Lord Rama, the Labour Party has won the election in the U K. Kiers Stammers is now the new Prime Minister of the U K and word has it, from this cadre of Faction 3 White Knights, that Prime Minister Keirs Stammers is pro-Palestine.

"Ginormous energies are coming in with this new moon tonight, with Cancer already in play in our skies this evening since 6:57 pm, Eastern Time. Use the Emerald Green Ray of Lord Hilarion and the Violet Flame of St Germain to transmute all the old energies.

"Meanwhile this Sunday, July 7<sup>th</sup>, is the birthday of His Holiness, the Dalai Lama. 89 year wise. . . and tomorrow, July 6<sup>th</sup>, Saturday, is the International Day of Compassion. See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!"

2024-07-08 Monday 16 deer and 4 crows; Rosa From Palestine

Rama: I sat with 16 deer and 4 crows off the side of the road in the forest on the way to La Sierra, just a bit north of Santa Fe at 11:09 am this morning. They intuitively said to me, "Lord Rama, BIG solar flares continue to pour in, again today."

Then they went on to say, "Lord Rama, stay in the peaceful, loving energies." Then they showed me flashes of different coloured lights, focusing in on my 3<sup>rd</sup> eye – sapphire blue, emerald green, sunshine yellow, and rose pink.

Then they focussed a whole rainbow of colours into my 3<sup>rd</sup> eye. And I heard these words: "Remember the Rainbow Nation is here – meaning people with different skin colours from around the world are here."

Then I received a text message from Rosa From Palestine at 11:39 am this morning. She said to me, "Lord Rama, the solar flares and cosmic rays

coming in are very intense! The Sirius Stargate over the Giza Plateau is fully open. The Council of 9 is here. They are meeting with the other Galactic Federation members on various smaller star ships with their crew members, and they are discussing where to go next, with the story called Israel and Gaza.

"The general tenor of the conversations is about galactic intervention NOW, and they are implementing that plan now." I tried to ask Rosa what that looked like, and she said to me, "Lord Rama, you will see the rainbows in the skies. **Sat Nam! Namaste! Blaze the Violet Fire!**"

**2024-07-09                      Tuesday                      7 deer, 7 crows, 2 hawks; Charlie the Caretaker**

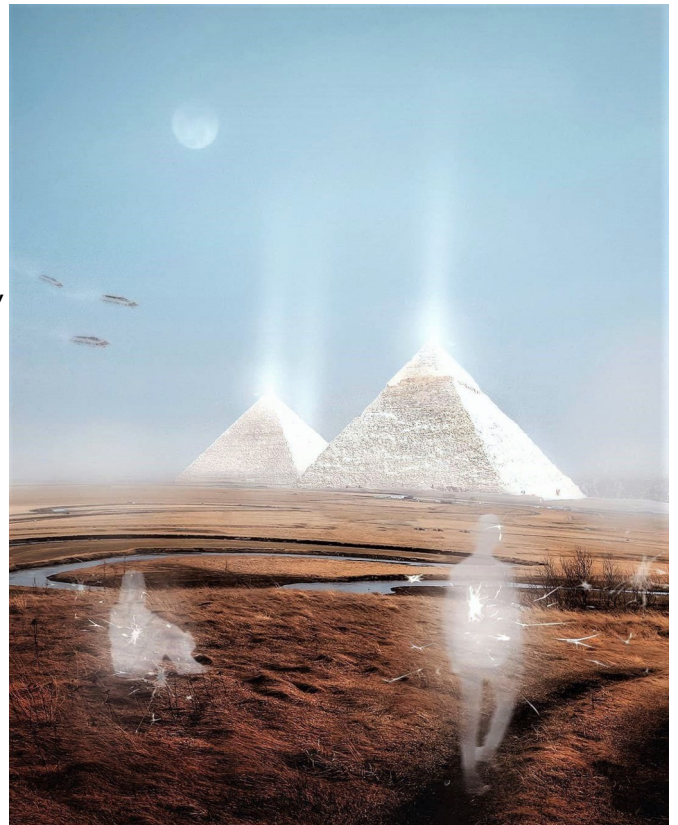

**Rama:** I sat with **7 deer, 7 crows and 2 hawks** on the grounds of the I AM Sanctuary Temple, along with **Charlie the Caretaker** at 10:49 am mid morning.

Charlie said to me, "Lord Rama, the Sirian Stargate is fully open! There are kinds of light beings coming in now, to assist us and Mother Earth with our ascension! Venus sextiles Uranus today." The two hawks were very fixated on my crystals this morning; they tried to pick them up with their beaks, yet the crystals were too big and too heavy!

Charlie continued: "Lord Rama, the solar flares continue to come in in a big way. Pay no attention to the holograms on the screen. Their limelight moments are fleeting nano seconds! They will gone soon enough!

"Our biggest task is doing our inner work and spiritual practice. This is how we get our siddhas and our Jedi abilities back. Guru Purnima Day is coming up here on July 21<sup>st</sup>. This full moon in Capricorn could be the feather of Lady Master Ma'at, Sekmet's future self.

" See you in the Light of the Most Radiant One! **Sat Nam! Namaste! Blaze the Violet Fire!**"

**FROM LORD RAMA: The Sirius Stargate is open!!**

**FROM LORD RAMA:** Tom the Cat's Father – one of Mother's Bridge Officers

**(Not from Lord Rama:** Imagine trying to tell **this** Officer you forgot! ! ! ! Or "I'm sorry I'm late!" . . . )

**2024-07-10                      Wednesday   5 deer, 3 owls and the same 2 hawks; KaTarTek**

**Rama:** I sat with **5 deer, 3 owls and the same 2 hawks** I sat with yesterday and Monday; I sat with them off Airport Road, on the way to La Cienega in the forest. They all intuitively said to me, "Lord Rama, we are calling in the rain spirits and there big solar flares again today. Stay in that happy heart place."

Then I received a text message from KaTarTek, one of Mother Sekhmet's paschats, who also works with Tom the Ring-tailed Cat, Sweet Angelique the Cat, and Larry, Curly and Mo. KaTarTek said to me, "Lord Rama, I saw that little video you sent to me from Twitter, of the fully decloaked star ship, travelling along side a jet liner over the US somewhere. I can tell you, Lord Rama, that star ship is real; it is not a fake video. The Galactic Federation is making themselves known, day by day, hour by hour. It is a time as He, Admiral Sananda Kumara, returns, along with Archangel Michael, as co-regents of this local Universe of Nebadon. WE HAVE WON! ! ! I know where you live! Be advised that you are on call; the Flash is near!

"See you in the Light of the Most Radiant One! **Sat Nam! Namaste! Blaze the Violet Fire!**"

Thursday

4 deer and 6 crows; Dr Steve and Professor Nicodemus

**Rama:** I sat with **4 deer and 6 crows** just north of Tesuque, on the way to Pojoaque, the town right before Tesuque, on the way to Santa Fe, at 10:49 am, mid morning. They intuitively said to me, "Lord Rama, thank you for the food! We are calling in the spirits that bring the rain. It is very dry and hot here."

Then I went to go see **Dr Steve and Professor Nicodemus**, both former quantum nuclear physicists, who used to work at Los Alamos lab for about 20 years, and then escaped through underground tunnels to Santa Fe. Today they showed me a stable worm hole or portal that they can navigate and go backward and forward in space and time. The portal was open, and it was focussed on the Gulf of Aden in the Middle East. Professor Nicodemus explained to me, "Lord Rama, we can observe the various activities going on surrounding the Gulf of Aden, the many sea-faring ships, airplanes and submarines. We also can observe the various star ships emerging from the portal that is the Gulf of Aden!"

I asked Professor Nicodemus, "Could I walk through the open portal and end up safely on one of the sea-faring ships that is navigating the Gulf?"

Professor Nicodemus answered me in this way: "Lord Rama, as you walk through now, you would die because we need to prepare your body and consciousness to navigate through the Quantum Field."

"So Class is now in session! ! We begin with Kundalini Yoga, and prana yama breathing. You can navigate your consciousness through the breath! This takes a bit of practice. As you go into a state of oneness, you can move backward and forward in time and space. What is happening right at this particular moment, today, is that our sun, Sol, is turning out masses of solar flares. This is the proverbial spark that will ignite the Flash that will make the Grand Entrance for us to enter the 5<sup>th</sup> Dimensional consciousness fully. We cannot tell you the exact timing, yet we can tell you as you continue to do your Circle Work or Sadna, you will get glimpses of what it means to be in the 5<sup>th</sup> Dimension. See you in the Light of the Most Radiant One! **Sat Nam! Namaste! Blaze the Violet Fire!**"
