It's important to recognize that if human conflicts are created by the misuse of human intelligence, we can also utilize our intelligence to find ways and means to overcome them. When human intelligence and human goodness are used together, all our actions become constructive.

Tom the Cat, Sweet Angelique the Cat

Rama: I received a text message at 12:55 pm from **Tom the Cat and Sweet Angelique the Cat**. They said to me, "Lord Rama, there are huge aurora borealis going on around the planet - large solar flares – X and M Class. Ascension symptoms are way up there. There are lots of emerald green gamma light rays coming in. Stay in the Oneness and the bliss of the spring Equinox, which is really today because there are exactly 12 hours of daylight today, and 12 hours of night which defines the Spring equinox.

This new moon is going to life everything much higher; as you feel off-center, stay in the Oneness. Don't try to force it; just allow it to happen! See you in the Light of the Most Radiant One! Sat Nam! Namaste! **Blaze the Violet Fire!**"

If children only sharpen their brains at school, there's no guarantee they won't go on to make trouble. To balance their keen brains, they need a warm heart. The more compassionate they learn to be, the more useful members of society they're likely to become.

Lady Nada

Rama: I received a text message from **Lady Nada** at 12:45 pm this afternoon. She said to me, "Lord Rama – Happy Spring Equinox! The portals are opening all over Mother Gaia.

"We are in the 5th Dimension.

"All the old is disappearing before our eyes! Accountability is on the table. It has been 20 years to the day that we invaded Iraq. Iraq had nothing to do with 9/11. Remember the

book **My Pet Goat** – the real story about Iraq is the stargate. This is a very ancient story about Enki and Enlil. It is not about Saddam Houssain or OIL (Operation Iraqi Liberation). This was about occupation of Iraq and the acquisition by the United States of many of the artifacts of the ancient Iraqi civilization. We are in a new timeline. The sun is pumping forward the ascension frequencies of the 5th dimension. Stay in the frequencies of St Germain and the Violet flame, and the Office of the Christ.

“We will be talking shortly. Keep your phone on! Sat Nam! Namaste! **Blaze the Violet Fire!**”

Tom the RingtailedCat, Sweet Angelique the Cat

Rama: I received a text message from **Tom the Ringtailed Cat and Sweet Angelique the Cat** at 12:20 pm, early this afternoon. They said to me, “Lord Rama, we have been at Stonehenge for the equinox. The gold dust continues to pour in. The dark continues to go down. They are close to the bottom! The old timeline is done. There are new energies coming in. All the galactic forces of light are here. As we reach out with the Force, we touch the consciousness of our galactic family. All we have to do is trust the energies.

“ This is the biggest moment – ever! We have the power, as Mother says! See you in the Light of the Most Radiant One! Sat Nam! Namaste! **Blaze the Violet Fire!**”

Mustafa Kahn

Rama: I received a call from **Mustafa Kahn** at 12:15 pm, early this afternoon. He is a former warlord of Afghanistan and a friend of the Poppy Lady. He said to me, "Lord Rama, I have met your hairy, furry friends who live high up in the mountains. They took me into their huge stone royal palaces in the Himalayas. There are underground passages that go all the way from Afghanistan to Mount Kailosh in Tibet. He told me that there are huge, ballroom-sized rooms filled with stone columns and off-world metals. These columns are embedded with the off-world stones as well as rubies, emeralds and diamonds. These structures work with the magnetic fields from Gaia.

"At the moment, I am working with other first responders to help with earthquake victims from the recent 6.5 earthquake, right at the foothills of the Hindu Kush, near the border where India and Pakistan meet.

"Ramadan is here; it began at sundown yesterday. I am learning more about how to meditate in order to calm my warlord consciousness. May we see peace ASAP. The ships are everywhere. As-Salaam-Alaikum. Sat Nam. Namaste. **"Blaze the Violet Fire!"**

Thursday

Professor Nicodemus

Rama: I went and saw **Professor Nicodemus** today. It was 11:58 am, late this morning. He said to me: "Lord Rama, Pluto has entered Aquarius at 8:13 this morning. Pluto has a bit of a bad reputation. He is one of the 12 gods of Mt Olympus; his other name is Hades.

"This story is a very ancient one. It was about the 12 kings of Atlantis and somewhere in that period, the dark side crept in. Since that time, the Shining Ones have arrived – ie, the Ascended Masters, the Space Commanders and Angels have arrived. With Pluto in Aquarius now, we are going to make quantum leaps in science, medicine, education etc. the old ideas of controlling gods are out the window! We are all creator goddesses and gods of the Most High. Expect Magic and Miracles right at this time! See you in the Light of the Most Radiant One! **Blaze the Violet Fire!**

From Tom the Ring tailed Cat to Lord Rama: Over Quebec, somewhere! Sometime this week.
