Friday

I called **Lady Nada** today; it was 11:25 am. I asked her "What is going to happen here in terms of Full Disclosure and freedom for Planet Earth and her people?"

She said to me, "Lord Rama, we are in the final weeks of 2021, and Father Zeus, otherwise known as Jupiter, is guiding the path. The astrology is saying walk that invisible narrow road; we will make it. Go out into Father Sky and Mother Earth; talk to the trees, the elves, the dwarfs, the hobbits and the deer people. We are all in the Circle of Life."

Then **Lady Nada** said, "The Dark Side is going mad over wanting a civil war in this country. Yet Captain Ashtar and Admiral Sananda Kumara have other plans in place.

"They are called 'Full Disclosure and Peace'. As you see that blank signal on your TV screen or your smart phone, that so-called emergency broadcast alert, the Captain or the Admiral will be addressing the people of Earth. All we are seeing is 'Give peace a chance'. Thank you for caring enough about this planet and her people. Sat Nam. Namaste. Blaze the Violet Fire!"

We're social creatures, we depend on each other, which is why we need a sense of concern for others' well-being. Compassion is what's important and you don't have to be religious to practice it. Practicing compassion here and now—living a meaningful life—is what is most important

Saturday

I received a call from **Lionara** today, at 11:05 am. She was on some kind of smart device where we could see each other's faces.

She said to me, "Lord Rama, I'm going to show you a holographic video tape of the whales and dolphins, and how they came to earth 10 million years before humans started to be seeded here on Mother Earth.

"The whales and dolphins originally came from Sirius A, Sirius B and the Pleiades. These ones are human souls who chose to take on cetacean bodies; these beings with their sound frequencies can change matter and space/time.

"They, along with the angels and ascended masters, helped to orchestrate our Light Bodies on earth. We actually had light bodies that were see-through, like looking through a glass of water. The whales and dolphins came to help humanity ascend.

"Stay safe at this time. Remember the Violet Flame."

**After-thought:** "The Orcs are out there: they want a war. Ashtar has said 'War has been cancelled.' Sat Nam. Namaste."

**2021-11-29**      **Monday**

I called the **King of Swords**; he said to me "Lord Rama, let the people know you are risking your life as getting the ball joints fixed is delayed."

**Rama:** So I am asking in loving kindness, for you to help us get funds to get the ball joints fixed. This is an extreme emergency. We require \$500 for this task. In the meantime, I am driving on the side roads, very slowly, to and from Santa Fe, each day. Thank you so much!

Meanwhile the **King of Swords** went on: "Lord Rama, we are at a critical juncture where Full Disclosure could fall out the sky at any time! We are seeing Love and Compassion supporting Life which brings joy and peace into our world. Love is letting go of fear. We all can send Love and Compassion to all the situations in the world in order for those situations to work out for the highest good of all concerned.

"See you in the Light of the Most Radiant One. Sat Nam. Namaste. Blaze the Violet Fire."

One of my commitments is to promote human values based on common sense and scientific findings. What we need is more self-confidence, which comes from concern for others' well-being. The real source of inner strength and self-confidence is warm-heartedness.

**2021-11-30          Tuesday**

I received a text message from **Tom the Ring-Tailed Cat**, at 11:00 am this morning. He said to me,

"Lord Rama, the energies keep getting higher and the solar flares continue. As we approach this new moon, solar eclipse, stay in the highest place of your heart. Things are going to get very ugly, very fast! It is about man's inhumanity to man.

"Right at this time, all the messages from the cosmos are saying go beyond this 3D realm.

"Use your consciousness to travel this galaxy. As we reach out and touch another, we are touching ourselves.

"We have the ability to transcend this false matrix. It's about how much do we want to ascend as opposed to being comfortable in the matrix?

"As we enter this time of the high holy days, let us celebrate the return of the Planetary Prince, Sananda Kumara.

"Stay in the high energies. Blaze the Violet Fire!"

**2021-12-01          Wednesday**

I received a text message from **Sweet Angelique the Cat**, at 11:30 this morning.

She said to me, "Lord Rama, the energies coming in from this new moon, solar eclipse, this Saturday, December 4<sup>th</sup>, are about even higher, inter-dimensional portals opening in our sun. Their purpose is to open a pathway for the spherical-shaped craft to radiate their higher energies through our sun to Mother Gaia and all of her children. There is a huge fleet of spherical-shaped craft parked on the far side of our sun, Sol. They are monitoring the solar flares coming to earth. Stay in the high vibe and happiness of this holy season, of the winter solstice and the return of the Christ.

"Sat Nam. Namaste. Blaze the Violet Fire."

**2021-12-02          Thursday**

Today I received a call from **Lady Nada** at 12:30 early this afternoon. She had **the Poppy Lady** with her. They were calling from an undisclosed location. They said to me,

"Lord Rama, once again with this new moon, total solar eclipse arriving this Saturday, December 4<sup>th</sup>, focus on the Christ Light coming in. Don't get caught up in the matrix, by the false ideologies of who's right and who's wrong regarding the current state of affairs on our planet.

"The Dark Side is seeing their twilight; it is their déjà vu. Kalima has played her card.

"Goddess is here; She takes NO PRISONERS! Sat Nam. Namaste. Blaze the Violet Fire!"
