**Rama:** I received a text message from **Tom the Ring-tailed Cat and Sweet Angelique the Cat** at 11:38 am late this morning. They said to me, "Lord Rama, there are hundreds and hundreds of starships around the globe. The galactic forces are making themselves known.

"Leave the mainstream, the lame stream, media alone.

"Yesterday is history; tomorrow is a mystery. Today is a gift.

"Be Love Now. We are in that portal of the Christ Light coming in. Stay in THAT moment. Mother Goddess is here. She can walk through walls. Sat Nam! Namaste! Blaze the Violet Fire! Merry Christmas! Happy New Year!"

**GOLD DUST - from Lord Rama**

**Dalai Lama**

[Dalai Lama@DalaiLama · Dec 26](#)

From the moment of our birth, love and compassion are important as the basis of our survival. It's fundamental human nature to be compassionate. Scientists say that since human beings are social creatures, they naturally care for others. We can't survive by ourselves.

**2022-12-22 More Gold Dust – from Lord Rama**

**Rama:** I WENT and sat in **The Plasma Field** at 11:25 am this morning. It said to me, "Lord Rama, we are in a new heaven and a new earth. The 5<sup>th</sup> dimension is being fully anchored on this new heaven/new earth. The Rainbow Diamond Crystal children are helping to anchor this new heaven and new earth at this time. In spite of what you are seeing, the monoatomic gold, in the form of tiny particles, is pouring in at this time. As we approach the end of this old timeline, those remnants of the matrix continue their sabre rattling."

At this point, the Plasma Field said, "We have reached that critical mass. We can change this old timeline in an instant. All the Galactic Forces are here. Call us in. Stay in the High Heart. Sat Nam! Namaste! Blaze the Violet Fire!"

Then I received a call from **The Poppy Lady** and her Sasquatch Friend, They said to me, "Lord Rama, what is going on in Afghanistan goes back to 9/11. The United States is holding hostage the Aghani people's money; the Taliban is just another extension of OUR Black Ops.

" I can tell you, Lord Rama, the Galactic Forces are here, and they will end this soon. I'm not going to give you dates, yet I can tell you the time is NOW! It has to do with the energies which are changing; Mother Gaia is weary of war! This cycle is completing itself with the end of this year. As you keep looking up, you will see us! Call us in; we are here. Sat Nam ! Namaste! Blaze the Violet Fire! Happy New Year!"

**Wednesday**

**Tom the Ring-Tailed Cat, Sweet Angelique the Cat**

**Rama:** I received a text message from **Tom the Ring-Tailed Cat and Sweet Angelique the Cat** at 1:10 pm this afternoon. They said to me, "Lord Rama, 5D is fully anchored on the ground! Everything is shifting up into the higher octaves of Love. In order to be in 5D, we must be fully present in this NOW moment. The Realm of Infinite Possibilities and Probabilities is here now. All the multi-verses are interacting with this Local universe called Nebadon. We are family and friends, and there are millions of us here on this planet. In order to interact with us, we must come from that place of Infinite Compassion and Divine Love."

Meanwhile, the old matrix continues to collapse. Former Pope Benedict XVIth with the family of Ratzinger, is very ill and is expected to soon go over the rainbow. Send more Love and Compassion.

All the Jedi Masters, Ascended Masters, are here; as we call them in, they will come. Stay in the High Heart! Sat Nam! Namaste! Blaze the Violet Fire!

**Thursday**

**Lady Nada, Rosa of Palestine**

**Rama:** I received a text message from **Lady Nada and Rosa of Palestine** at 12:45 pm this afternoon. They said to me, "Lord Rama, Israel has created the most right wing government in Israel's history And it is filled with religious zealots who want to play out the last chapter of Revelations right now. Armageddon is cancelled, per the orders of Captain Ashtar, as well as of Admiral Sananda Kumara who serves jointly with Archangel Michael, in the role of Planetary Prince of the Universe of Nebadon."

Meanwhile, here on Mother Gaia, the matrix continues to collapse. Portals are opening everywhere. Everyone, set another plate at the table. We have some things to cuss and discuss; it is about the muggles (from Harry Potter) who think fairies are fake and UFOs are figments of people's imagination, and who are getting a wake-up call – NOW! I am here to tell you, as the head of the Solar Tribunal on Saturn, as well as a special lawyer for the International Criminal Court and the International Court of Justice, that the 5<sup>th</sup> Dimension is absolutely real! AND is in our midst right now!

May you enjoy these last days of 2022 as we dance our way on into the Number 7 new year of 2023. See you in the Light of the Most Radiant One! Sat nam! Namaste! Blaze the Violet Fire!

Captain Ashtar  
and the Ashtar Command

A A Michael and all

Then there are the  
rest of us!! ! !

**27:27 USA Pluto Return: Powerful Healing + Feeling**  
[newsletter@taniagabrielle.com](mailto:newsletter@taniagabrielle.com)

We are in the final days of 2023 and many pivotal celestial events are unfolding...

Pluto is transiting through the final degrees of Capricorn, and on December 28 Pluto will return to its birth position in the U.S. astrology chart *for the third and final time*.

- On **2.20.2022** transiting Pluto first reached its exact birth position (July 4, 1776) for the first time ever, **246** years later.
- Now Pluto reaches  $27^{\circ}33'$  Capricorn **for the final time on December 28**.
- Then in March, 2023 Pluto will leave Capricorn and dip into Aquarius for three months followed by a final sojourn in Capricorn until the end of 2024.

It takes Pluto around **246 years** to travel through all the signs of the zodiac - *which is why humans don't EVER experience a Pluto return!*

At the end of Capricorn, Pluto is even more resolute in pulling back the veil to reveal what was hidden – in particular the structures and people behind the scenes yielding power and control.

As the planet of power, purging and transformation, **Pluto guarantees a clearing out of old, toxic structures and paradigms.**

Pluto is currently at **27°** a number that reduces to **9**.

**9** is the final single digit symbolizing endings, wisdom and unconditional love.

**9** lies in the 3-6-9 triad of self expression and love, so your feelings are especially deep and profound.

- The result is that you have many opportunities to not only purge, but to *feel and heal*.

Amazingly, **Mercury stations retrograde in the SAME sign of Capricorn** a day later - on December 29!

This puts a strong emphasis on being more aware of the power of the mind – to truly realize that your thoughts create your reality.

- *When a slow-moving planet like Pluto reaches the end of a zodiac sign, the lessons intensify.*
- *When Mercury stations retrograde in the same sign at the same time, the awakening is truly epic and profound.*

So take the time to notice what no longer works, **by how it makes you FEEL.** Notice how what you focus on becomes your reality.

Unplug from the noise and tune into your HEART. Enjoy this beautiful time of introspection, serenity and release!

Love and Blessings,  
Tania Gabrielle
