It is important to avoid doing harm to sentient beings, helping them can be a source of great satisfaction. All of us, animals as well, have basic rights that we need to protect.

2022-10- 21 Friday **Delialah**

Rama: I received a call from **Delialah** who has a syndicated radio show called Magic 99, and she is a Faction 3 White Knight. She said to me, "Lord Rama! Heads up dude! It's coming down now! All the old time line, top layers are being contained. Let's say the Forces of Light in this realm and in the other realms of the multi-verse are here. The Galactic Forces are on stand-by, per the Captain's orders. There are many thousands of craft here. As we go through this eclipse coming up in Scorpio, remember the Phoenix always rises! I will be seeing you soon; we've got some papers to discuss. May the Force be with all of us at this time. Sat Nam! Namaste! Blaze the Violet Fire!"

As soon as I wake every morning, I remind myself that all human beings are the same as me—we all want to be happy. I resolve to use my life to ensure that other beings are happy. It's compassion that brings about peace of mind, not anger and hatred.

Rama: I received a text message from **Tom the Ring-Tailed Cat and Sweet Angelique the Cat** at 12:05 early this afternoon. They said to me, "Lord Rama, we are over Finland and earlier this morning, there was a huge aurora borealis, with emerald greens, ruby reds, and orange colours spanning hundred of miles across the northern Finish Skies.

"The energies are extremely high, yet the potential for false flag events is also extremely high! Love is the answer! We will be seeing you soon! We also have some business to discuss with your Paschats out back in your shed! As your Paschats in the house start to whine, you will know we are here! See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!"

Rosa of Palestine

Rama: I received a text message from **Rosa of Palestine** at 11:23 am This morning. She said to me, "Lord Rama, I am in an undisclosed location in an underground bunker in Palestine. The Middle East is on the move! Also there are tens of thousands of people in the streets of

Khartoum, Sudan today, marching to the Presidential Palace. They want an end there to military rule so they can create democratic rule. In Iran, more protests are going on in many cities protesting women having to wear the hijab. The people are calling to the end of the ayatollah's regime. I can tell you, Lord Rama, the end of the Kali Yuga is, indeed, at hand!

"I have been exploring the huge maze of underground tunnels that have been built by the Palestinian people in order for them to escape from being under the scourge of Israeli occupation to their freedom in Egypt. Once in Egypt, I have explored the underground tunnels there, that lead to two huge, underground Light Cities that are underneath the Giza Plateau and are part of the Agartha Network. There are deeper passage ways that go to the Far East from there, where you can board land speeders that can take you all the way to Shamballah the Greater which is literally located over the Gobi Desert in China.

"We are experiencing this major, super moon/new moon solar eclipse. We are being asked to stay in the High Vibrations of the Phoenix Rising. This is a major upgrade in the light frequencies. Simultaneously, the dark side is doing their utmost to create chaos. See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!" Om Shiva!

Tom the Ring-tailed Cat; Sweet Angelique the Cat

Rama: I received a text message from **Tom the Ring-tailed Cat** and **Sweet Angelique the Cat** at 11:35 this morning. They said to me, "Lord Rama, we are in an undisclosed location, monitoring the frequencies coming into the planet. The waves of the new moon/solar eclipse are rippling across the galaxy.

"The chaos in this realm is increasing; it is because the old timeline has ended. Anytime, there could be a sudden burst of energy from our sun, Sol. That energy could roll across the Solar system and then, a new heaven, a new earth is made manifest. We are very close now. We can see you! Sat Nam! Namaste! Blaze the Violet Fire! !!"

The King of Swords

Rama: I received a text message from **the King of Swords** at 12:03 pm, early this afternoon. He said to me, "Lord Rama, the moonies are out there; they are pushing the old Kali Yuga timeline. What they don't get is that Kali has already transcended. Sat Yuga is here and, with that, comes the 4 Musketeers: Metatron, Michael, Mother and Maitraya.

"The Light coming in now has never been here before. The five elements are asking us to listen to the 432 Htz frequencies in meditation and in song. See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!"
