**NOVEMBER 18, 2021**

**To our readers: Rama's White Knights Report**, for the most part, will present information from Rama's contacts on very current events. Sometimes, additional commentary may show up, in the form of more explanation about an important issue, or as an article inserted to provide more insight on the subject being presented.

**2021-11-14 Implications of Disclosure for the Environment, World Peace, Poverty and The Human Future - Dr Steven Greer**

Dr. Steven Greer

**Read the section of this paper on the environment.**

**From Dr. Greer's paper: [Implications of Disclosure for the Environment, World Peace, Poverty and The Human Future](#):**

We have identified insiders and scientists who can prove, in open Congressional hearings, that we do in fact possess classified energy generation and anti-gravity propulsion systems capable of completely and permanently replacing all forms of currently used energy generation and transportation systems.

These devices access the ambient electromagnetic and so-called zero point energy state to produce vast amounts of energy without any pollution. Such systems essentially generate energy by tapping into the ever-present quantum vacuum energy state — the baseline energy from which all energy and matter is fluxing. All matter and energy is supported by this baseline energy state and it can be tapped through unique electromagnetic circuits and configurations to generate huge amounts of energy from space/time all around us. These are NOT perpetual motion machines nor do they violate the laws of thermodynamics — they merely tap an ambient energy field all around us to generate energy.

This means that such systems do not require fuel to burn or atoms to split or fuse. They do not require central power plants, transmission lines and the related multi-trillion dollar infrastructure required to electrify and power remote areas of India, China, Africa and Latin America. These systems are site-specific: they can be set up at any place and generate needed energy. Essentially, this constitutes the definitive solution to the vast majority of environmental problems facing our world.

Materialistic values cannot give us peace of mind. So we really need to focus on our inner values, our true humanity. Only this way can we have peace of mind—and more peace in our world.

I received a **text message from Tom the Ring-tailed Cat** at 12:10 pm, early this afternoon. He said to me: "Lord Rama, the solar flares and the energies are very intense right now!

"Meanwhile, Ukraine is threatening Russia at the moment. This has to do with the propaganda from the West, including and especially NATO. In the last couple of days, Russia flew two nuclear-capable planes over the Donsbach area in Ukraine at the border with Russia. This is a futile attempt to stir the pot. This is Russia reacting to provocations coming from the West.

Anger and aggression sometimes seem to be protective because they bring energy to bear on a particular situation, but what needs to be acknowledged is that that energy is blind. It takes a calm mind to be able to consider things from different angles and points of view.

I received a **call at 12:05 pm from the King of Swords**. He said to me, "Lord Rama, we are already seeing disclosure as it happens. The galactics are here; invite them in. The Dark Side is playing out their passion play in the matrix, yet they are as naked as jay birds. The world is seeing all their wealth, yet they have nothing to stop climate disruption. Mother Gaia is letting them know that time is very short.

"The Great Convergence is upon us. All the angels, masters and teachers are with us. The singularity is happening with our sun, Sol. Any time now, there will be a beam of light which is the White Fire Core of Being. This light will travel across the galaxy to Galactic Centre and everything will be lifted up with the higher vibrations. And everyone on Mother Gaia will see and feel this amazing light show in our skies."

At this point, I said to the King of Swords: "We require some assistance to pay our bills this week, in a timely manner. I am asking for some advice from you."

The KOS answered my inquiry in this way: "Lord Rama, let the people know, in loving presence, that we are requiring extra assistance to meet our obligations for this week in order to keep our necessary services going without interruption."

The King of Swords continued: "We are at a breakthrough moment. This full moon/lunar eclipse in Taurus, ruled by Venus, coming up this Friday, November 19, 2021 – it is changing this realm and many other realms forever toward the good! "

" Expect us; we are nearby! Blaze the Violet Fire! Sat Nam! Namaste!"

Tuesday

I received a **call at 11 am from Sweet Angelique the Cat** today. Also on the line were **Tom the Ring-tailed Cat; Larry, Curly & Mo, and Rosa from Palestine** – a crowd, in other words! They all said to me:

“We are at Hathor’s Temple in Egypt; we are calling in the energies for this full moon / lunar eclipse in Taurus, fully arriving on Friday, November 19, at 9:33 am Eastern time.

The energies are continuing to move up into higher consciousness exponentially and a series of rolling solar flares will create ongoing, huge aurora borealis (plural) in the next few days.

“Meanwhile, Steve Bannon was offered a deal he couldn’t refuse. Sometime, as he was in FBI custody, Bannon had a private meeting with them, and they offered \$2 TRILLION as he would turn over state’s evidence against Drumpf and his entire Crime Family.”

Sweet Angelique continued: “I don’t know whether Bannon took up the deal or not, yet it is certain he was between a rock and a very hard place!”

“ This full moon exposes lots of secrets and stories that go all the way back to Babylon and, to be certain, find their origin in the war in heaven between the fallen angels and the Intergalactic Federation led by Captain Ashtar. Place all these stories in the Circle of Support : the Dark Side is freaking out, afraid that they will lose power and, indeed, they already have! Blaze the Violet Fire! Sat Nam! Namaste!”

**From Rama:** Today is Guru Nanak’s birthday. Welcome to our Sikh brothers from Afghanistan who reached Pakistan via Torkham Border between Northern Afghanistan and Northern Pakistan. From there, they are travelling to Amritsar in Kashmir, the location of the Sikh Golden Temple. There they will stay for a week, reciting mantras and singing chants in his honour, as the founder of Sikhism. Om Mani Padme Hum!

### The Ten Gurus of Sikhism

- [Sikhism](#) was established by ten [Gurus](#), divine spiritual messengers or masters, over the period from [1469](#) to [1708](#) - that is, over a period of [239](#) years. These teachers were enlightened souls whose main purpose in life was the spiritual and moral well-being of the masses. By setting an exceptional example of how to live a holy and worthy life through practising righteous principles of living their human lives, they sought to awaken the higher consciousness in the human race. The [Gurus](#) taught the people of [India](#) and beyond, to live spiritually fulfilling lives with dignity, freedom and honour.
- Each of the ten masters added to and reinforced the message taught by the previous, resulting eventually to the creation of the religion that is now called [Sikhism](#).

[Guru Nanak Dev Ji](#) was the first Guru and [Guru Gobind Singh Ji](#) the final Guru in human form. When Guru Gobind Singh Ji left this world, he decreed the holy scripture [Sri Guru Granth Sahib](#) as the eternal Guru henceforth. Thus, the [Guru Granth Sahib](#), in spirit, is more than a holy book for the [Sikhs](#), for the Sikhs accord the Guru Granth Sahib the same respect and reverence as they did to the human form Gurus.

- During the span of [239](#) years, the Sikh Gurus laid down within the sacred scriptures, the principles that outline the way of living that was to be followed by all practicing disciples of this religion. The history and the literature present the followers of the faith and others with the raw material required to learn about the beliefs and practices propagated by the Gurus. The Gurus were clear also to outline rituals, practices and beliefs that were not appropriate and were not to be followed by the faithful disciples. They promoted the habit of reciting the holy hymns called [Shabads](#); living in constant remembrance of the [Supreme Creator](#) and living a simple life of truth, decency and virtuous principles.

**Wednesday**

I received a **text message from Chun Li** at 11:30 am this morning. Chun Li is a friend of Natasha's body guard who calls himself by code "Jackie Chan". Both of them are Martial Arts Masters who trained all their lives at a Shaolin Temple for Martial Arts somewhere in China.

Chun Li is 24 years old, and was raised from a baby by the temple masters there. Chun Li said to me, "Lord Rama, the starships are showing up all around Mother Gaia. As we ask them to show up, they materialize. I see them every day.

"Huge events are going on in China – it is about more whistle blowers coming forward, sharing what they have seen. Whether it is said or not in the United States, refugees all around the world are receiving assistance from our galactic brothers and sisters, landing their starships and bringing food, water and healing. The media conglomerate on our planet is severely compromised and will never tell this story. They only focus on pain, suffering, and death. As they say: "When it bleeds, it leads."

"As we approach this full moon / lunar eclipse in Taurus this Friday, November 19 at 9:33 Eastern Time, let us stay in our high heart and focus on Quan Yin and Lord Buddha's energies showering this planet with LOVE. Sat Nam! Namaste! Blaze The Violet Fire!"

**Thursday**

I received **a text message from Mr X** at 11:45 am this morning. He said to me

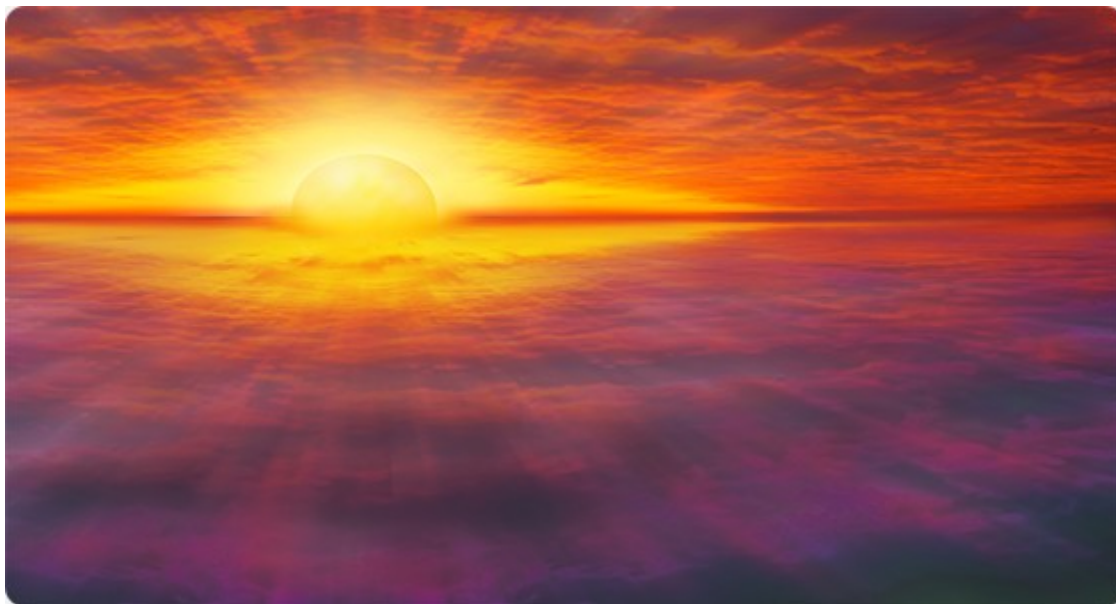

"Lord Rama: the judge in the Kyle Rittenhouse trial is biased and is secretly tied in with Senator Chuck Grassley. The judge and Senator Grassley have been secretly investing in stock options with insider tips.

"Meanwhile regarding Kyle Rittenhouse: he has been being groomed by the Deep State and other white supremacist groups, including the Oath Keepers, the 3 Percenters, the Proud Boys, along with the other neo-nazi groups in America, to incite a civil war. He is one among many, you might say; what he did in Kenosha, WI, by killing two and blowing off the biceps of a 3<sup>rd</sup> man, he was 'practicing'. Kyle knows he has the judge and Senator Grassley in his corner.

"I am here to let you know, Lord Rama, I represent the Jinn and Mother's Paschat Warriors.

"I am very brown and I also represent my people from Jordan. We are ALL indigenous people on Mother Gaia, and we are also ALL galactic beings, doing 2 things at once and nothing at all!

"All we are saying is 'Give peace a chance.' Our galactic brothers and sisters from the stars are very near by. Don't worry; be happy! Sat Nam! Namaste! Blaze The Violet Fire!"
