Monday RanaMu

Rama: I went and received a healing treatment from RanaMu at 11:30 am, late this morning. She said to me first thing: "Get on the bio bed, Lord Rama!" I did that and then lasers came out of the ceiling and scanned me from head to toe with their rainbow rays. Rana Mu then said to me, "Lord Rama, focus on your 3rd eye." So I did that for a little while, and then I felt the room change. I found myself in a spherical light house; I saw lights spinning very high above – maybe two storeys above me!

Then I saw a huge holographic earth, high above me. It was spinning slowly and there were windows on the earth, reflecting various ancient scenes from Earth’s past history. Then I heard a voice, deep and resonant, saying to me, "Lord Rama, you can go through any one of these portals as you so choose." I contemplated this as the deep resonant voice continued: "Take as much time as you need."

Then I heard another voice, and it was Rana Mu calling me back. It took me almost 4 minutes to come back. Then Rana Mu said to me, "Lord Rama, you have been out somewhere for an hour and 15 minutes" Then I told her what I had seen. I told her about the spherical light house and the various portals I was seeing, and she said, "Lord Rama, you were in one of the observation pods surrounding the earth. These pods are maintained by Lord Metatron. They contain all of the records of the quantum akashic record fields. As you learn to focus your thoughts, you can travel backward and forward in space time. As you are led to do this again, Metatron will give you a more indepth experience." Then Rana Mu said, "Lord Rama, it is time for me to go to my next appointment, and you must go. It will take you some time to integrate what you saw. We will talk again about this. See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!

Our local greenhouse created a Garden of Lights outside; here is the unicorn, and the tree reminiscent of Avatar!

2023-12-19 Tuesday 5 deer, 6 crows

Rama: I went and sat with **5 deer** and **6 crows** in Hyde Park, at the base of the mountain in Santa Fe, at 10:30 am this morning. They all said intuitively to me: "Lord Rama, we know you feel the sadness of what is going on. We asking you to let it go! Allow the light of the winter solstice sun to lift you higher. Allow that gold dust to sprinkle into your aura. WE HAVE WON!"

Big solar flares are going on today, as usual. And I received a message from Lady Natasha. She said to me, "Lord Rama, leave the matrix alone! THAT'S AN ORDER, SIR!" Then I was on my way!

2023-12- 20 Wednesday

Rama: I went and sat with the **caretaker of the I AM Sanctuary property** at 11:15 am this morning. He shared some of his wisdom with me and said, "Lord Rama, there are big energies coming in and I believe it is about this portal opening with the Winter Solstice." I said to him, "Charlie, the energies you notice are coming from Galactic Center. It is challenging to be here at this time, on this planet."

At this point, 15 deer and 6 crows joined us: they just crept up on us! Charlie piped up and said to me, "Let us get very quiet and do some deep breathing." So we did that and the deer and the crows settled down, and just watched us. We all did this for about 15 minutes. Then Charlie said to me, "Lord Rama, I have to get back to work. See you Soon! Thursday

Tom the Ring-tailed Cat, Sweet Angelique the Cat

Rama: I received a text message from **Tom the Ring-tailed Cat** and **Sweet Angelique the Cat** at 11:30 am, late this morning. They said to me: "Lord Rama, we are near Alaska, in an undisclosed location, and here there are HUGE aurora borealis going on every day! These auroras are showing up across the entire northern hemisphere as well. Lots of emerald green gamma ray lights are flooding the northern hemisphere. There are cosmic solar angels coming in, as well. These are the seraphim and the sepharoth; they are 25 - 75 feet tall! They work with the Cosmic Time Lords who keep this solar system intact.

Tom the Ring-Tailed Cat continued: "Lord Rama, there is a portal in the sun which goes to Super Galactic Center. We are telling everyone to ride these energy waves, drink lots of good water, and go easy on your selves. Leave the Matrix alone! See you in the Light of the Radiant One! Enjoy! Happy Winter Solstice on this long winter's night. Peace to all, and to all a Good Night! [Sat Nam! Namaste! Blaze the Violet Fire!](#)"
