DECEMBER 30, 2021

To our readers: Rama's White Knights Report, for the most part, will present information from Rama's contacts on very current events. Sometimes, additional commentary may show up, in the form of more explanation about an important issue, or as an article inserted to provide more insight on the subject being presented.

Material development and physical comfort alone don't relieve unhappiness, but if you're relaxed and have peace of mind, whatever goes on around you won't upset you. It isn't the sophistication of the devices we own that brings us peace of mind, it's love and compassion.

2021-12-26 Sunday

I received a text message at 1 pm this after noon from Lady Nada and Lady Natasha. They said to me, "Lord Rama, the West is pushing the river with the Bear. And Putin is withdrawing his troops from across the border. This is all propaganda from the West.

"The events unfolding right now are about the Deep State, the Black Budget, the Clinton Foundation, the DIA, the CIA, all trying to prop up Mr Biden's poll ratings which, at this very moment (Dec 26th), are at 29% and put on a good face for the world. The United States and NATO want to create an incident, a false flag of sorts, where something is instigated by the West, yet Russia gets blamed for it."

(**NOTE: On RT News**, in the last 3-4 days, there have been reports that the United States under secret activities have moved the stockpile of poison gas to the Donbas region in eastern Ukraine, at the border with Russia, with intent to instigate a war with Russia.)

Upon my asking about this situation, Lady Nada and Lady Natasha said to me, "We can neither confirm nor deny this story." (In every previous case, when they say they can neither confirm nor deny, it has always been true.)

Lady Nada piped up and added, "Lord Rama, there will be NO WAR, nuclear or otherwise, with Russia! Sat Nam! Namaste! Blaze the Violet Fire!"

Monday

I received a text message at 12:30 pm, early this afternoon from Tom the Cat and Sweet Angelique the Cat. They said to me, "Lord Rama, we are at Stonehenge again. The portals are opening here and one of the stones has moved so that we can see a stairway going from the surface to a special room below. We went to this room; there was a quantum computer there that maintains the electro-magnetic of the Stonehenge portals. The scientists know about this room as they have technology that can see it, yet they also know they cannot enter, facilitate or remove the stone without having all strands of their DNA fully activated."

(Note: Tom and Sweet Angelique have all 12 strands of their DNA fully activated and, for this reason, the stone being accommodated them by moving itself out of the way.)

"We were guided to go there to check on the current programs running with this quantum computer to keep Mother Gaia in balance at this time.

"This activity by us is required for our galactic brothers and sisters to intervene on humanity's behalf on our civilization's development at this time. We are honoured to represent all of you in this endeavour for the sake of all our children!

"Let us remember to stay in the Violet Flame, and send more love! Sat Nam! Namaste!"

Tuesday

I went up the mountain to a spot close the Fairy Ring today; it was 11:45 am. I set up some of my crystals in a circle, on the ground. Then I spun two of my crystals and very quickly, Lady Nada, Lady Natasha, and the Poppy Lady showed up in the circle with me!

They all said to me, "Lord Rama, there are stories out there that the January 6th Committee is very soon going to indict former President Donald Drumpf, and his associates who planned together to engage others with them to attempt to overthrow the United States Government and initiate a coup d'état to re-instate former President Drumpf for a second term by means of insurrection, and thus, with mal intent, committing high treason.

"Right at this time, the astrology is saying there is going to be a shift in the power structure on Mother Gaia. Behind the scenes, heads are rolling and reeling psychically because the Light from the Higher Dimensions is pouring in at light speed and causing a great altercation in the status quo. This Light is saying 'you cannot serve two masters'.

Lady Nada, Lady Natasha, and the Poppy Lady all continued: "The old paradigm matrix is at its end; all the masters and teachers and angels are here; embrace the Light of the Most Radiant One. The Force knows. It is about the Oneness within each of us.

"Sat Nam! Namaste! Let there be peace on earth and let it begin with me! Blaze the Violet Fire. Mele Kalikimaka me ka Hau'oli Makahiki Hou!"

Wednesday

I received a text message from Professor Nicodemus the Rat, and Professor Steve, both contactees. Both have been living in a storage locker with all their art work - and stuff!- for at least 35 years since Rama met them in Santa Fe.

They said to me, "Lord Rama, at this time, stay in the high vibrations and send more Love. The energies coming in are tsunami-like, and we are riding this wave to a new heaven on earth.

"All the other stuff going on, on the planet, has to fall and disappear like the falling leaves. We of every colour and creed of the Rainbow Nation are bringing a New Heaven and a New Earth right now!"

At this point, Dr Steve said to me, "We the people of Earth have to unravel and reveal the story about the fallen angels taking over earth for the last 13,000 years, and now comes the end of the matrix they have created and controlled for so long. We are in this moment that Joni Patry, ayurvedic astrologer, spoke of, where secrets, lies and dirty deeds done dirt cheap are all being uncovered and exposed to the light/Light for all to see.

"All we saying is 'Give peace a chance!' Sat Nam! Namaste! Blaze the Violet Fire!"

I received a text message late this morning from the King of Swords and Mr X. It was 11:57 am, to be exact! They said to me, "Lord Rama, we want to wish you, your Beloved, and this whole Family of Light a Happy New Year!

"There are unprecedented events unfolding right now. It is about the Quantum Field right in our midst! As we can take the time to tune in and use The Force to connect to the 9 stars above our Crown Chakra, we can literally plug into our Akashic Records. Right in our present moment, there are all kinds of stories coming forth from the most ancient of timelines. As we view them through our 3rd eye, we can see the streams of stories that we are connected to."

Then the KOS said to me, "Lord Rama, be aware of the astrological aspect that Joni Patry, ayurvedic astrologer, spoke of concerning sudden revelations and revealings coming forward in the next few weeks or so, of the deepest darkest secrets of the Global 'ruling' elite.

"Stay in your High Heart vibrations at this time. I'll be seeing you soon. Sat Nam! Namaste! Blaze the Violet Fire!"
