- Will get it transcribed and immune systems destroyed, 2nd one knocks down the immune system just as it is beginning to recover from the 1st shot; the 3rd one is straight HIV and the booster shots just keep you going
- Time for Divine intervention. Speaks of silent protests against the vaccine – and 400 nurses walked off the job as they didn't want the jab – they cannot work if their faculties are diminished, either physical or mental

O: from Randy and the idea that women standing up: it is the old way of having babies – only in modern times is lying down the way to do it

- Trying to get her mind around the idea: don't take the shots, yet the virus is killing people
 - Not getting any clarity: maybe it's a free will choice if we don't want to get the virus wants – WANTS TO KNOW where the info is coming from about the destruction of the immune system etc etc

COR: vaccine manufacturers are clear: the vaccine does not stop you from getting the virus nor does it stop people from passing it on – yet the mixture is incredibly toxic

- it's harming people especially young people – endometrial cancers, heart issues
- they are supposed to make it less harmful – not happening!
- the vaccine is a RNA modifier – Moderna has just put something out: they do RNA design, **not** make vaccines
- maybe some people feel they are protected – so why not just believe you'll be OK
- Yes, it's a big issue – glad Omen is sharing her view points

Micah: the covid criminal network has been mapped out and exposed

- a German IT manager has dropped a bombshell document - 170 pages long, 7200 links including the financial flow - will post the link
- Brings up Anna Von Reitz – hears later in the show that she is not the best source
LATER HE LEARNS THIS . . . she is Faction 2, we only rely on FACTION 3 sources
- a book by Bradley Nelson – **The Emotion Code** – lays bare the workings of the sub-conscious mind - reveals how events from the past can entrap us
- studying alchemy and divine alchemy – the basic premise is about creating the life you want to live by holding in your heart and mind – actions
- last thing: his message – cannot stress enough of not allowing the dark lower vibrational energies to infiltrate our hearts and minds

COR: the show is about open dialogue – we are all working out who to trust and to listen to

VIN: will pass

COR: has just put out latest Message – St Germain is interviewed by her – a beautiful message

Rama, Faction 3 White Knight & Tara :

- Begin by talking about Anna Von Reitz – she certainly knows the law,
 - she believes the Great Global Reset will happen – **AND IT WON'T**
AND SHE believes in the Faction 'White Knights' and they are not WK
 - the Committee is just getting started; going after the 4 folks who worked with DJT

- the story of January 6th could have gotten a lot worse than it did, and the media is not doing a good job of reporting
- Anna supports Gesara – WHICH IS NOT EVEN CLOSE TO NESARA
- connected with Q Anon – everything being played out in the lame stream media and the stories tied in with Alex Jones and Steve Bannon and those with the idea of taking over the planet with dark forces – THIS HAS BEEN CANCELLED EVEN though they push it.
 - Anna supports Cobra which is also Faction 2
 - FACTION 2 SUPPORTS EVERYTHING EXCEPT NESARA!
Want to keep the same people in power and continue
- How can you support people who condone mass murder – like the Empire
 - on another level, it's about the idea that if you are anything but White, you are subject to being executed – THIS IS THE RACE WAR GOING ON at a deep core level and has to end . . .
 - TX- law unborn childrens act [from the Thom Hartmann Show)– from the movment there is a zygote in the womb space you are considered to have a human being THERE – EVEN THOUGH THERE IS NO HEART BEAT TO GET AN abortion after that they are guilty of criminal homicide – would put a woman to death if she gets an abortion and THIS IS BEING SAID TODAY!

RAMA'S REPORT:

2021-09-23 Rama's Report A Night at the Round Table

2021-09- 17 Friday

I got **to see Rana Mu at Whole Foods today**; it was 12:30 early this afternoon.

She said "Lord Rama, this upcoming full moon is a catalyst for great transfiguration.

- Neptune and Pluto are dancing with peace, Higher love and transformation are dancing for humanitarian vision.
- Sat Nam! Namaste."

2021-09- 20 Monday

I went up to the Fairy Ring this day at noon. There I created a Jedi Council; Natasha, Sweet Angelique the cat and Tom the Ring-tailed Cat showed up.

They all said to me: "Lord Rama: Water is the key element in this story. We are all made of water [about 85%] - the flow of Life within us.

- Right now with this full moon, Neptune and Pluto are the key elements, along with the Pisces Full Moon.
- Remember what Dr Emoto said to us: As you play music to the water, as you bless the water, it creates the crystalline snowflakes. That is the key to inner peace."

At this point, Natasha and Tom the Cat said: "The Universe is asking us to stay in the high vibrations and love. As we may hear disconcerting news, stay in the Violet Flame and send more love. Blaze the Violet Fire. Sat Nam. Namaste."

2021-09-21 Tuesday

I received a text message from Abby Martin at 12:30 early this afternoon. She said, "Lord Rama, this is my husband, Michael Prysner, in Beverly Hills, CA calling out former President Bush Jr."

Rama plays 2 minutes of the message; it explains why Julian Assange is in Belmarsh Prison
 "Mr Bush, when are you going to apologize for the million Iraqis that are dead because you lied?
 "You lied about Weapons of Mass Destruction. You lied about connections to 9/11. You lied about Iraq being a threat.
 "You sent me to Iraq; you sent me to Iraq in 2003; my friends are dead. Joshua Castille, . . . [at this point, the goons grabbed his list and tore it up].
 "You killed people. You lied. You lied about WMDs: a million Iraqis are dead because you lied. My friends are dead because you lied.
 "You need to apologize. Apologize! **You need to apologize! Apologize! Apologize!"**

MP: He was dragged out; cops after him – when he tried to read the names of his friends who died there and later, the names of Iraqis who died – he managed to get some names the crowd was very mad . . .

T: now we begin the real accountability story
COR: amazingly brave of the man to speak up like that!

I called Lady Nada at 12:30 this afternoon. She was at the UN General Assembly.

She said to me:

"Lord Rama, President Biden gave a great speech for the Corporation, not for the people of the world.

- Justice will prevail. Lady Master Ma'at along with Anubis are here. There are going to be some folks crossing the River Styx.
- We have got 3 huge things going on right now. First we have climate disruption. Then we have consciousness raising.

Rama: Like was said: the Schumann Resonance is going higher and higher; today the sun went through solar flares at the southern end of the sun –(he saw purple when he looked at the sun, not yellow or white.)

And finally we have conflict going on.

- The sun is going through its massive transfiguration. This affects all of us in every sector of our lives
- As we can BE CALM and meditate, we can massively change time lines. All we are saying is 'Give Peace a Chance!'
- Blaze the Violet Fire. Sat Nam. Namaste."

Tuesday Dalai Lama @DalaiLama · Sep 21

Creating a more peaceful world requires a peaceful mind and a peaceful heart. As human brothers and sisters, we must live together with affection and respect. The only way to solve human problems and preserve the peace is to meet, talk and engage in dialogue. [#PeaceDayChallenge](#)
 this is the place where the galactics are saying – call on us! This is where we meet with love ? ? ?

2021-09-23 Thursday

I received **a video call from Tom the Ring-tailed Cat.**

(Rama: I saw him in human form. He looked like a dark skinned man with his hair combed straight back – he is 7' or 8' tall. In his real form, he is 12' tall!)

- He was in that place on site in Arecibo, Puerto Rico where there was a big radio telescope that fell into disrepair recently. Now they are re-building it.

Tom said to me:

“Lord Rama, there was a big solar flare today that emanated from the southern region of the sun.

- Meanwhile, the matrix is having conniption fits because the Light is winning. So the Dark Side wants to send out a feeling of despair and no hope.

All of this is MAYA! Let it go!

Focus on the Violet Flame of St Germain.

- Lord Rama, remember your training from your father, Ashtar! Goddess is here! She is doing her magic. It is the changing of the seasons. Mabon is the name of the goddess of the autumn equinox.
- The Great Eye is opening. It is called The Light of one True God/Goddess/ All That Is, our sun Sol.
- I will be seeing you soon. I like Chi Rubios Tea – hot! Blaze the Violet Fire! Sat Nam! Namaste!”

COR: we can feel honoured as we are on the earth at this time to see the transformation . . .

- we can't depend on the usual channels of information – they are being used even more dangerously – more than disinformation: working to

R: LM Nada used Patti Cota Roble's I AM meditations and

T: nor does Patti CR believe in Nesara -

R: and she knows her stuff about the Violet Flame – has been doing it for years

T: same as Anna Von Reitz knows the law! ! !

Vin: has R heard anything about the patent that anyone who has received the jab – is now been altered and as an altered human is no longer considered 'human' and are considered property of the corporation?

R: yes- he has, in the sense that as the people that get it get assimilated by the Borg nanites It can be transformed – and they DO want to consider you as property and when they want to exit you, they can just do it

VIN: do you know that the jab – for a fact – is an experiment and so needs a control group?

- so 25% of the serums being given are supposedly blank or completely harmless
- are you aware that 25% are a control group study that has been using the Internet of Things for tracking and so know who they are

T: yes, they are – the first thing about the experiment

- this being an experiment: they intentionally did this to destroy our immune system and so we would get sick and die – their intention was to reduce the human populatuon to under 2% - **this was the Vatican's edict**
- and not at all, the Vatican has not lost its power – those of us who are awake have more ability to respond and even those who have taken the shots can still feel love as love cures everything
 - and ST G is intervening in our civiliztions – and this is the most heinous crime
- we are in the window where we are almost inside the enactment of the NESARA LAW – this IS PART OF THE PROCESS; THEY WENT AFTER MARK MEADOWS, STEVE BANNON AND 2 others – the ones who planned and executed the Jan 6th 5 people died which is murder: this is the beginning of the end - and Nada said some of these are going over the rainbow
