To our readers: Rama's White Knights Report, for the most part, will present information from Rama's contacts on very current events. Sometimes, additional commentary may show up, in the form of more explanation about an important issue, or as an article inserted to provide more insight on the subject being presented.

Giving is recognized as a virtue in every major religion and in every civilized society, and it clearly benefits both the giver and the receiver. The one who receives is relieved from the pangs of want. The one who gives can take comfort from the joy their gift brings to others.

Tom the Ring-tailed Cat

Rama: I received a text message from Tom the Ring-tailed Cat at 12:20 pm, early this afternoon. He said to me, "Lord Rama, the solar flares are only increasing! What I can tell you is that Mother and I and a few other Paschats are taking care of Jedi Business! This involves the 13 Families; this is the story of the Planet Nibiru and Mother's Wayward Children, led on by the fallen angels - otherwise known as the Nephilim! These earth-bound wayward children, numbering 500,000, are being taken to Dracos, to be held accountable for inter-galactic war crimes! Stay in your High heart! It's only going to get more intense! Sat Nam! Namaste! Blaze the Violet Fire!"

Warm-heartedness leads to a healthy mind. Peace of mind allows us to sleep soundly. I'm not talking about the benefits of the next life or of finding God, but of being a peaceful person with a calm mind and a warm heart here and now.

Tom the Ring-tailed Cat

Rama: I received a text message from **Tom the Ring-tailed Cat** at 12:30 pm this afternoon. He said to me, "Lord Rama, there are monstrous solar flares going on now! And there have been radio black outs across Mother Gaia. Short wave radio operators have been having problems with their equipment.

"This is about sending the Violet Flame into the Heart of Darkness, so to speak, to shine the light on the old, fallen matrix and dissolve it into the Light of 10 Trillion Suns! Pay no attention to that old man behind the curtain who is trying to play the Wizard of Oz; he's just a holodeck program as well!

"Stay in the High Heart, always! Sat Nam! Namaste! Blaze the Violet Fire!"

Sweet Angelique the Cat

Rama: I received a text message from **Sweet Angelique the Cat** at 12:15 this afternoon. She said to me: "Lord Rama, the solar flare activity is way up there today! Stay in your high heart! The Dark Side is pushing very hard to get their way and keep their old world order in control of Mother Gaia and her people.

"We are in a new cycle. As the Light continues to pour in, the Khazarian Mafia are at their end. Stop the war on consciousness! All we are saying is 'Give peace a chance.' Sat Nam. Namaste! Blaze the Violet Fire!"

Wednesday

Lianara

Rama: I called Lianara at 12:10 early this afternoon. I initiated, on my smart phone, a way to see each other while we were talking!

Lianara said to me, "Lord Rama, there was an X-1.38 class solar flare early today. As a result, ascension symptoms are very high today – again! The electro-magnetic field is fluctuating wildly!

"The Dark Side has made their bed; let them sleep in it! Remember – we are beings of Divine Love and Infinite Light. All 500,000 of our recalcitrant sisters and brothers are being ushered to Dracos by Mother Sekhmet's Paschat warriors. We are watching their demise as we speak.

The Khazarian Mafia – aka the United States Deep State – have bombed over 70 hospitals and medical centers in Ukraine. This is NOT Russia; it is our Black Ops with the complicity of President Zelensky of Ukraine, as he is an asset of our Deep State.

"Blaze the Violet Fire into the Heart of Darkness! They will get it, even as they reject it! Blaze the Violet Fire! Sat Nam! Namaste!"

Note from Rama: I heard on *Native America Calling* today, Don Miguel Ruiz, a Mayan Shaman. He was talking about the program recently set up by a group of young doctors who are using psychedelic medicine to help veterans release their PTSD and come back to wholeness.

This is an alternate path to wellness, alleviating the side effects of using allopathic medicine. It is awakening these ones to higher consciousness and Freedom's Holy Flame.

Aho mitakuye-oyasin.

King of Swords, Lady Nada

Rama: I received a call from the King of Swords and Lady Nada at 12:15 pm early this afternoon. They said to me: "Lord Rama, the solar flares are a gift to Mother Earth as she is raised up by these energies to the level of a star. In conjunction with Helios and Vesta, the Sun behind the Sun, we are in for a royal ride to a new reality. That Reality is where all the Rainbow Nations are here.

"The 13 Families are in their final moments once again. We say this to let you know that the 13 Families' old paradigm reality is part of a simulated reality of the last 13,000 years and, again, IT IS AT ITS END!

"We are approaching a new moon as we enter a new Astrological Year tomorrow morning, April 1st at 2:24 AM, EDT. Happy New Years Eve! We are here to let you know, Lord Rama, as we approach this coming Easter, expect magic and miracles of the most wonderful kind! Go out and connect with Goddess! Spring is here! Go out and listen to the Oneness. Sat Nam! Namaste! Blaze the Violet Fire!"

'At night, the beacon of a candle flame in its window was like a lighthouse in the clouds.'

For a century, the **Abbot Pass Hut provided refuge for climbers high in the Rockies**. But now its glacial foundation is melting from climate change and the stone cabin is losing its footing. Read climber Sid Marty's [requiem for a mountain sanctuary](#).

2022-03-31 THE ORACLE REPORT An X-Flare on the Eve of a New Year" - Thursday, March 31, 2022

Tzolk'in/Soul Kin Sacred Count: 11 Deer (gently finding your place in the universe)

Moon in Aries

Balsamic Moon Phase: release

Higher Octaves: leadership, rationale, integrating age old wisdom, willpower, the truth in the image, The Savior, recognition, expanded sphere of influence

Lower Octaves: overbearing, undue reliance, too much attention based on appearance rather than substance, controlling behavior, assumptions, distortions

MISSION: assume control over your life by accepting yourself AS IS and know that a Higher Power is empowering you

Yesterday's X-flare occurred conjunct Jupiter at the familiar Sabian symbol of "a man bringing down the new law from Mount Sinai." Without a doubt, God's law is descending.

This means the "wild" in this astrological new year's theme of "a flock of wild ducks" will begin manifesting in earnest. Mindsets that are "human" begin to spread their wings to fly above and over toward freedom. Mindsets that are "archontic" begin to fold in to themselves to brace for impact.

The marking point in the spiritual battle came on Friday, March 25, 2022, with [Francis' "invoking" Russia and Ukraine to the Immaculate Heart of Mary.](#)

I say "invoking" because this was a strategic maneuver, one that would divide the nwo, which the Mahavidyas indicated the day before, Thursday, March 24th. From [Space Weather on Phoenix's show:](#)

On 4 Sun, purpose and direction are being re-examined. The four corners of insight, knowledge, experience, and our spiritual connection steer us through changing conditions today. The globalists will experience divisions and separations among their ranks because, at this point in time, they seriously disagree on how to implement their agenda of a new world order. This disrupts their usual method of order out of chaos because they are not in control of the chaos. They are at "cross-purposes." Some will go this way and others will go that way, creating an organic "divide and conquer" on themselves. There is no chaos with We The People. We have a line of sight on the future -- we already know we have won because tyranny always falls and liberty always wins.

This is a longer discussion, but the thing to take away from this is that Higher Powers are engaging (if you had any doubt) the archons and their minions as this astrological year ends and the new year begins. They are "setting things up." This drives things "wild."

The New Astrological Year begins overnight, (tonight) Friday, April 1, 2022, at 1:24 am EST. Today, the Sabian symbols reveal the energies that take us into "the night."

1 - RULE YOURSELF - The Sun is discharging "the ruler of a nation." This is such a grand symbol and it carries a great deal of power. The decision to take care of oneself is paramount with this symbol. One simple thought can change the balance of power in our own holistic "mind, body, and soul" that reverberates through the fellowship of humanity, and changes it.

2 - BALANCE - Three of the planets are disseminating themes of balance. Interrupted balance, emotional balance, and the balance between the past, present, and future are seeking equilibrium.

If something has become out of balance, interrupt its future chain of events by making a change.

If something has become distorted, contain it as is (stop it), and let the energy bring it into a perfect form.

3 - THE DOVE - Mars is discharging "a large white dove bearing a message." Mars will still be at this degree when the New Year enters, and thus *will be with us all year long*. Mars suggests that peace will emerge from what is happening.

The X flare said it.

Light a candle for the new year, wise owls, and ease into the energies. Come together in spirit. We have a lot (of beautiful work) to do!

Much love!

Aspect of the Aeon Sophia (Wisdom): Dhumavati, Who Sorts and Winnows

Aspect of the Aeon Thelete (Will): Seth, Who Leads

Sabian Symbol for the Solar-Lunar Month: "a sword used in many battles in a museum" (war, influenced to peace)

Sabian Symbol for the Solar-Lunar Year: "a woman in pastel colors carrying a heavy and valuable, but veiled, load" (revelations)
