**The Nameless Ones**

**Rama:** I called the Nameless Ones today, based on an intuitive nudge. They said to me, "Greetings, Lord Rama! We are here in the Wesak Valley doing the meditations, decrees and prayers for all the people who have experienced violence in this last little moment of time! We are expecting some galactic visitors from Alpha Centauri; they are galactic ambassadors for Ministers of Science and Geology. They are here to help us fit together some of the missing puzzle pieces of what happened as the Flood occurred, as well as what happened at the destruction of Maldek.

"This is a very large story. Enki and Enlil knew about the incoming asteroid that would cause the flood. Conveniently, they failed to tell the people of Earth yet Noah and his son, Shem/Melchizedek, gathered the people in an amphibious star ship and took them into the Inner Earth, entering through the Turkish portal, Mt Ararat. Forty days and forty nights later, they re-emerged on the surface of earth, yet they remained in the amphibious starship and Noah and Shem/Melchizedek, took them on an air tour over Earth's surface. They could see, for example, that mountains had become seas, and seas had become mountains. Clearly this was a polar shift which had occurred. They could see that the entire surface of Mother Gaia had been transformed.

"What has not been revealed is that Noah and Shem were black.

"As we go through this Memorial weekend, let us focus on Venus and the love pouring in to this planet, Mother Gaia. Stay in the High heart. Sat Nam! Namaste! Blaze the Violet Fire."

Various emotions are part of our mind and part of our life. Jealousy that amounts to competitiveness can stimulate us to achieve more—then it's good. When the result is that we try to harm others to beat them, it's to be avoided.

**Tom the Ring-tailed Cat, Sweet Angelique the Cat**

**Rama:** I received a text message this morning from Tom the Ring-tailed Cat and Sweet Angelique the Cat at 11:55 am. They said to me, "Lord Rama, we were at Stonehenge again, at Sunrise, honoring all people of Earth who have left at this time. We worked with crystals and geometric forms; we sang to the stones; they began to vibrate. They sent out a frequency across the galaxy to raise the frequencies up for the sake of all humanity.

"Then we went with our star craft up over the island, north of Norway, where the World Food Bank is stored deep inside a mountain there. We were taking atmospheric samples of the air quality in that region. We were uncloaked at that moment, and two US F16s came out of nowhere. They were tracking us on their radar. We quickly activated our cloaking device and vanished from their screens. What we can say about this area is that Russia, China, and the United States are still patrolling the skies in the area. The potential for earth-bound aircraft to collide in this airspace is quite high."

I asked Sweet Angelique the Cat: "Why would the United States be so lax in tracking this area?" She answered, "Possibly the United States wants to create a trauma drama, meaning they want to create a serious accident and blame it all on Russia. This is a repeat performance of what the United States-backed President Zelensky is doing in the Ukraine.

"Let us put all of this in the Circle of Support and pray Peace. The energies coming in from our sun, Sol, are extremely high. See you in the Light of the Most Radiant One. Sat Nam! Namaste! Blaze the Violet Fire!"

**The Fairy Ring; Lady Nada and Mr X**

Rama: I sat in the Fairy Ring today, beginning at 11:23 am. I called in all the Hosts of Heaven and all beings, known and unknown. Then my phone started beeping, and I got a text message from **Lady Nada and Mr X**. They said to me, "Lord Rama, the United States and Germany are playing a very dangerous game with the Russian Bear."

**Mr X** said, "Lord Rama, this is called sabre-rattling by giving Ukraine heavy weapons! In response to this, Russia is doing military drills at the orders of the Russian oligarchs, **NOT AT THE ORDERS OF PUTIN! ! !** Captain Ashtar knows what's going on.

"The transmissions of lame stream news could change at any second. It will be interrupted by special news and information by a galactic representative of the Ashtar Command. We are in the most transformational time. Please send loving kindness and compassion for all the troubled spots on Mother Gaia. Sat Nam! Namaste! Blaze the Violet Fire!"

**Tom the Cat; Larry, Curly and Mo**

**Rama:** I received a text message from **Tom the Cat; Larry, Curly and Mo** at 11:50 am, late this morning. They all said to me, "Lord Rama, we are in London for the hologram Queen's 96<sup>th</sup> birthday celebration and her Platinum Jubilee. There was a grand parade; the jets flew overhead. The Queen watched from her Buckingham Palace balcony. Harry and Meghan were visibly absent from this soirée.

"Meanwhile Yemen, of all things, has declared a cease fire in the last 24 hours, and Ukraine (US) and Russia are still going at it. We are watching the Schumann Resonance go off the charts – again! - today. Stay in unconditional Divine Neutrality and love. We are in the biggest test of our lives! Do we pick up the flower or the gun?

"See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!"

NOTE: Stonehenge has a sub-etheric generator under it, as do Giza and the pyramids in Romania, Bulgaria, China and elsewhere on the planet. They are like central super computers that talk to the core of earth and keep the earth stable; if one of them went off line, Mother Earth would be de-stabilized

If someone were to try and play with some kind of nuclear device in an effort to affect the field – the electro-magnetic field around the Giza Pyramid or Stonehenge or Romania for example – the Ashtar Command would be there so fast, it would make your head spin! ! ! And that would be called CHECKMATE!
