JANUARY 20, 2022

To our readers: Rama's White Knights Report, for the most part, will present information from Rama's contacts on very current events. Sometimes, additional commentary may show up, in the form of more explanation about an important issue, or as an article inserted to provide more insight on the subject being presented.

Find more info on those folks Rama talks to - who are there to keep us in the loop as well - at <https://www.rainbowroundtable.net/rama-s-contacts>

One of my commitments is to promote human values based on common sense and scientific findings. What we need is more self-confidence, which comes from concern for others' well-being. The real source of inner strength and self-confidence is warm-heartedness.

I received a **call from Professor Nicodemus and Professor Steve** again today. It was 11:10 am this morning. They said to me, "Lord Rama, the sun has a huge coronal hole in its southern hemisphere, and there are M-Class flares hitting Mother Gaia's atmosphere. There have been radio blackouts all around the planet.

"Things are getting exciting! These solar flares are stirring the pot as the exposure of the Dark Side continues. This is about the return of the Goddess . . . Astarte, Inanna, Diana, Ostara: all refer to the Warrior Goddess of Babylon.

"Stay in the high heart; things are really going to heat up with the full moon in Cancer, coming up this Monday, the day we celebrate Martin Luther King's birthday."

"All we are saying is 'Give Peace a Chance!' Sat Nam. Namaste! Blaze the Violet Fire!"

We can learn from the great achievements of Martin Luther King Jr. to recognize that non-violence is the best long-term approach to redressing injustice. If the twentieth century was a century of violence, let us make the twenty-first a century of dialogue.

I received a **text message from Tom the Ringtailed Cat and Sweet Angelique the Cat** at 1:30 this afternoon. They said to me, "Lord Rama, we are at Stonehenge once again. The full moon, Wolf Moon, was setting on Stonehenge a bit earlier this evening. Let all the old energies go right now!

"Goddess is here; the energies are very intense at this time. There have been minor quakes today in Tonga, near where the volcano erupted under the sea along Tonga's coast yesterday.

"On this day, honoring Dr Martin Luther King Jr, there has been a virtual Council meeting with the Intergalactic Wise Council of Elders. Among them were Chairman Archibald, a Dene Elder; Dallas Goldtooth, a Lakota Elder; and Grandmother Flora de Mayo, an ancient Mayan Elder, all indigenous elders of Turtle Island. This gathering was concerning earth changes going on. The Pacific Rim of Fire is fully activated."

At this point, Tom the Cat and Sweet Angelique the Cat said, "The 13 families are being rounded up, whether we see it or not; it is real. The Light coming in is unprecedented. Stay in your high heart; it is going to get very testy now! Remain in unconditional Divine Neutrality. Sat Nam. Namaste. Blaze the Violet Fire!"

I talked with **Rosa from Palestine** by text today, at 12:30 pm early this afternoon. She said to me, "Lord Rama, there is a Palestinian family being kicked out of their home and off their land by the IDF – Israeli Defense Force, even though this land has been in this family's ownership since before the 6 Day War in 1967, thus before Israel had any false claims at all to Palestinian land."

Rosa continued: "There was a stand-off; things are tenuous at the moment! Meanwhile, Mr Netanyahu is in hot water for refusing to answer to a subpoena to testify in his corruption case. He's being charged with money laundering, bribery, and falsifying records. He is also being charged with domestic and international war crimes against the Palestinian people."

"The starships continue to come in all the time to Palestine, bringing food, water, medicine and other basic necessary supplies. The ships have the ability to vanish instantly as Israeli drones and war planes fly overhead. Place all of this in the Circle of Support. Enshallah! Sat Nam! Namaste! Blaze the Violet Fire!"

2022-01-09 **Wednesday**

At 11:38 am this morning, I received a **text message from Lady Nada and The Nameless Ones**. They all said to me, "Lord Rama, we are at the Taj Mahal. It is sunset; we are incognito - meaning we look like tourists. As Jimmy Hendrix has said: 'As the people of Earth overcome the love of power, with the power of love, there can be peace on Earth' and added by them: 'right here, right now!'

"Let all the old stuff go - NOW! It is just 'stuff'; we've all got 'stuff'. As we are in Sat Yuga, the old stuff does not apply any longer! Sat Nam! Namaste! Bless you! See you in the Light of the Most Radiant One! Blaze the Violet Fire!"

Thursday

I received a **text message from Larry, Curly & Mo** at 12:15 pm, early this afternoon. They said to me: "Lord Rama, there has been a big row going on in Parliament today. Boris is being called on the carpet to step down. As the saying goes, he's a party animal!"

"There is, around the Tory party, blackmail, corruption and fraud going on regarding one Tory party member who is threatening another Tory party member and saying, one to the other: 'You need to vote with the majority of us or we will cut off funding to your constituents in your district.' The threatened Tory party member reported this threat to the Speaker of the House of Parliament. The Speaker told the threatened Tory party member: "You need to report this threat to the Metropolitan Police in London, Sir!"

Meanwhile, the Sabian symbol for this solar/lunar year of 2022 has shown up in today's *Oracle Report*: " a woman in pastel colours carrying a heavy and valuable, yet veiled, load. This Sabian symbol is about transformational change on a planetary scale.

"As the Deep State of the United State, through NATO, is playing with creating a False Flag event, in the Donbass region of Ukraine on the border with Russia, there could be an interruption in planetary communication . . . AND Captain Ashtar or his representative of the Ashtar Command will take to the airwaves, and we will have a different kind of discussion about how we can all create PEACE NOW!

"Stay in the high vibrations; this is the time; this is the place. Sat Nam! Namaste! Blaze the Violet Fire!"
