If we look at the buildings we live and work in, the roads we travel, the clothes we wear, or the food we eat, we must acknowledge that all are provided by others. None would exist for us to enjoy and make use of were it not for the kindness of so many people unknown to us.

Natasha

**Rama:** Today, I went out to The Garden of the Gods which is a UFO corridor, about 20 minutes west of the far west end of Santa Fe. It was 12:30 pm, early this afternoon. There are many large rock formations with numerous stone beings you can see in the rocks. As you tune their vibrations, they will indeed communicate with you.

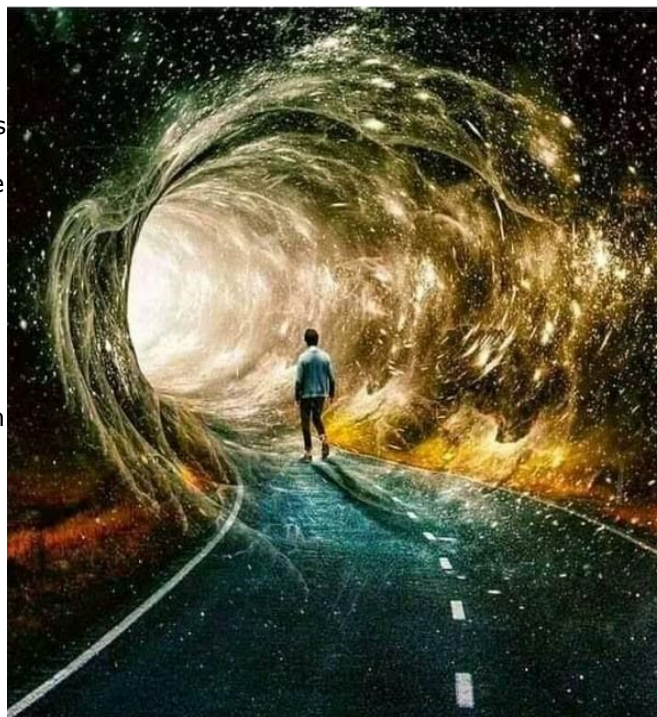

I walked up to one of the very large rocks, pulled out my cell phone and opened the Genius app, and I began to play the Solfeggio tones of my vibration that I created with my technology a while ago. Then a portal opened, and I saw **Natasha** yet she didn't see me! So I sent a text from my cell phone to Natasha on her cell phone to get her attention.

Natasha then said to me, "Greetings, Lord Rama. I see you have opened a trans-dimensional portal so please be careful, as these portals send out trans-dimensional waves or gravitational waves across space and time that the M I Bs can pick up.

"What I can tell you is that Mr Zelenskyy bombed Odessa, Ukraine, and blamed it on Russia again.

"At this critical juncture, the astrology at this time is saying to go within to the High Heart. The energies are as high as they can be for us to integrate at this time.

"See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!"

Compassion naturally gives rise to tolerance and forgiveness. It allows us to appreciate that even someone we think of as an enemy is a human being with a right to be happy. Your enemy can be your best teacher because he or she teaches the possibility of unconditional compassion.

Tuesday

Scottie

**Rama:** I went to an organic plant store today at 11:35 am, and I met an old hippy veteran who has a local radio show about gardening. I asked him about one of our plants, an amaryllis that has some type of parasite called scales, formed on the leaves. He told me what to do, and I thanked him.

My new friend wants me to call him **Scottie**. Then Scottie piped up and said to me, "Lord Rama, I have heard your radio show, and I know about the ships. I saw them over Viet Nam and I see them here in Santa Fe every day! I can't talk about what I know yet; however, what I know goes into the realm of what Dr Steven Greer talks about.

In order to make contact, you must meditate and have peace in your heart. This is how galactic folks of our Milky Way Galaxy interact with each other. I will see you again soon, Lord Rama! See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!"

**Wednesday Tom the Ring-tailed Cat and Sweet Angelique the Cat**

**Rama:** I received a text message from **Tom the Ring-tailed Cat and Sweet Angelique the Cat** at 11:55 am late this morning. They said to me, "Lord Rama, we were at Stonehenge at sunrise – again! The news we have heard is that 2 members of the British Parliament have resigned because Boris Johnson is refusing to look into sexual misconduct charges against certain MPs as well as sexual misconduct against himself.

"The Quantum Field and Schumann Resonance is going sky high again! The Violet Flame is permeating everything and everyone. You can actually see these purple particles of light out of the corners of your eyes. What we are telling you is that your reality is changing, right now! As you have an open heart and greet us - 'us' meaning all of the galactic beings who are landing their shuttle craft all around the world - as you greet us with an open heart, we will show up and share the next step in your evolutionary development which is Starfleet Academy!

"See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!"

Thursday

Kathryn and Heidi

**Rama:** I received a call from **Kathryn and Heidi** today at 12:15 pm early this afternoon.

**[Here is some background on Kathryn and Heidi and their roles in the story, both past and present:** we've heard nothing from them for quite some time, so this was quite a surprise call!

- Kathryn works with the King of Swords, and also with other Faction 3 White Knights who work behind the scenes with MI 5 and MI 6, England's versions of the United States' C.I.A.
- Heidi, another one of our Faction 3 White Knights, played an important role while stationed in Geneva, Switzerland, for 6 years – 1993-1999. She worked with the Bank of International Settlements in order to zero out the economies of all the countries in the world, and to make things ready for the presentation of the NESARA bill to Congress on March 9, 1999.
- On March 9<sup>th</sup>, 2000, all of Congress was escorted by Faction 3 White Knights through the White House and on to the King of Swords' star ship, where they were surrounded by Faction 3 White Knights with their phasers on. They were told 'You will pass the original NESARA BILL into law – NOW!' Which they did.
- And finally on October 10<sup>th</sup>, 2000, Bill Clinton signed the original NESARA bill into law.

Today, at this time, Heidi no longer lives in Geneva, Switzerland, nor does she work for the Bank of International Settlements. Both Kathryn and Heidi are living together in Tonsberg, Norway, where they are studying the neutrinos and other elements of the cosmic light rays coming in from space. They went on to say: "Lord Rama, we are here witnessing the transfiguration of our sun and translating what we are watching into science.

"See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!"
