MOTHER / ALCYONE

[M/A]

Greetings in the Light of the Most Radiant one! In the Office of the Christ and only in the Office of the Christ, we invoke the loving energies of St Germain and the Violet Flame.

Greetings Children of RA!

Indeed we pray peace on this night! The energies are very much high up there! And Our wayward children - let's say: they know we are here – that's why they are so desperate to create chaos. Send more Love to all these troubled spots!

T: Yes. It seems like this is so out of place for this to be going on now.

M/A: It is a bit out of left field

T: seems clear that they are looking for something to distract us.

M/A: Yes

T: Let's go blame Putin – oligarchs are oligarchs!

M/A: We can say with great certainty, **this is completion time.**

T: Thank you, music to my ears!

M/A: Yes, They want to create such chaos that's not possible, yet the times of changed - it's in our favour. The light of 10 trillions suns is pouring in.

- All of the galaxy, all of this local universe, know this is the time; this is the place.

T: And turning everything into rubble!

M/A: Yes, it's not pretty, what's going on

Stay in the high heart. Ain't no . .

T: They have to know. As we were talking on the conference call, giving away their guilt - big time!

M/A: Yes

T: Pulling RT from Dish network, for all of the corporate people we pay to have the right of the knowledge of freedom of speech - and they just pull it, just pull it!

M/A: Freedom of speech is a hunted animal at this time! And She can say thank you [to us] for what you [we] all are doing here, in these moments: keeping the candle lit. The light is already -
- we have won!

- How this comes about is a wise council of elders are here. Even at this hour let's say, there are things happening to end the conflict at this time.

T: I hear you, Mother - we haven't seen that lion lady with 4 paws on the ground: where are You?

M/A: Right where we should be! Look behind you

T: Oh, the paschats disappeared . . .

M/A: We can say it is a glorious time to be alive. And at the same time, what a challenge!

T: looking with nostalgia on the times before this kinda stuff - and they're doing it again!

M/A: War is never the answer! She can bring it up: long ago in a galaxy not so far, far away, this happened with the people of Orion, and we see the result of what happened. Now this is this moment where it all concludes.

- We can't give dates yet it is now: we can feel it. They can feel it as they come to a mutual understanding and trust that can be a change of heart; that is about the serendipity of the moment.
- The planets that are dancing at this time - let's say: trust Pluto, the great transformer. Everything that Pluto touches, gets destroyed and gets transfigured; we are not going to wait another 200 years - the time is now

T: This is the 246th year of Pluto return

M/A: Saturn, Jupiter, Uranus, Neptune, Pluto - all the outer planets - they haven't even begun to talk about Persephene, Phaedra, Vulcan. There is a Vulcan and with all due respect, Vulcan philosophy might help us get out of this situation. They gave up war millions of years ago.

- The time is NOW! How we do this with the grace, dignity of Love like His Holiness has talked about. The face of war is never pretty. Samsara is not inevitable; there can be a shift. We are in that moment. That is why all the stories, all the prophecies speak about us [them] - Patti just talked about "others" - we are the ones.
- Yes..

M/A: Body is over the edge; gotta give it a rest.

T: Rama doesn't take a nap and he needs to in the afternoon

M/A: Yes! We will make it happen now! We'd better be on our way, and let us listen to this

T: no Amy tonight [Democracy Now]

- will play Ray McGovern from Pilate TV - recorded this a month from today - he let the cat out of the bag

M/A: We could say - whether he's going to admit it or not, he's a white wizard of sorts. Yes.

T: Oh! She seconds the motion!

M/A: Yes It is about this untold story of and we've heard a part of it; all the stargates are here that are opening are about this particular time. No accident that we're all here together, learning about the ways of the Force.

- This is the greatest time to be here,! As (if) we are regretting our decision to be here on this planet, think again!

T: Let's put all these people living beyond and then pay \$6-7 a gallon for gas! ! !

M/A: And we have a master teacher telling us how to make GANS plasma energy-producing

T: something from Micah everyone excited about it - then he whacks Keshe one! [Ref to Brad Johnson. . .]

M/A: It is about those ones who don't quite understand the magic of the Force. He must go through that awareness of the Bardo state and come back

T: Mother has granted a Bardo state return – anyone since 9/11 who has left the planet can come back who's ready to handle the energies – and it is a free will choice

M/A: It is crystal clear: Love is the answer to all the situations going on. It is what made all of us volunteer to be there at this time, to say "Piece of cake! Let's go!"

T: thanks to Mother . .

M will try making tones - the voice not in good shape

Both: tones

M, A: Light language

Greetings in the Light of the Most Radiant One; Kadoish, Kadoish, kadoish, Adonai Sabeoth . . .

Rama Returns: Went to Shamballa the Greater. Lots and lots of folks speaking about the current situation.

- Lord Sanat Kumara and so many other folks are right here; they will be showing up soon with the rest of the Wise Councils of Elders to help us change this story – we are the ones. It takes all of us

AUDIO: [Cosmic Disclosure with Emery Smith](#) **Reptilian Installations on Earth**

S 16: Ep 4 28 mins <https://www.gaia.com/video/reptilian-installations-on-earth>

Do the Draco have AI technology installed on Earth to manipulate humanity? According to Tactical Advisor Tim, 15,000 years ago humans were in a more divine state of being, but not necessarily more evolved. Since then, a specific race of Reptilians implemented an installation on Earth in order to create a "slave planet." Through the destruction of social structures, eradication of individual free time, and creation of a material-based consumer culture, Tim conveys that humanity has been affected by time-traveling ETs to delay and divert our divine evolutionary potential.
