D: Opening Meditation: **Angelsu**

Tonight's Panel **Omena(O), Vinayak (VIN), Carolyn Oceana Ryan (COR)**
Randy Miller (RA), Marietta Robert (MR), Tara & Rama (T, R)

Vin: Greetings .having a wonderful week; looking forward to new eclipse and new energy.

- Has really 'got' that he and everyone else are truly spirit – we are the energy of love – there's nothing we need to do other than to feel that energy within ourselves
- It's always present: it's an allowing with which we are to permeate every action and thought we have so we know and remember who we are and what we are capable of –
- Nothing is outside the realm of possibility for us – if we can think it and if we can feel it before it manifests, it has to come into our beingness.
- It becomes our experience, the more we can feel and be the energy of All That Is, and connecting with every living thing everywhere

Randy: Greetings – will hear some good news tonight – will play a snippet of what Dr Keshe released yesterday. The guest is one of the Knowledge Seekers in Canada – a person who is interested in changing the planet's vibrations using the Keshe Technologies –

- The earth is the home and we can't go anywhere else – we have to change our attitudes and our emotions – with the GANS technology can make GANS water to drink
- Talks about the Life Enhancement Units – we'll hear more about it tonight

O: last 2 weeks has been slow paced and she's learning lots!

- Thinking about people making decisions and worrying if it's the right one or the wrong ones – she's done a couple of virtual groups: if you ask if it's right or wrong, it's not the right one.
- When you know what you want, you make the decisions – you know. You can ask for input from people, yet if you're asking for assurance about decisions, you're not ready to do it yet.
- Always ask your HS and your guides – they'll help you get clarity – you'll get to the right decision by totally trusting your Self – listen to your gut, not your mind!

COR: From The Collective:

- They want everyone to breathe and relax and not to feel like we're at the end – that might be the intended message but that's not what's going on.
- You are being helped and supported by the ET s and the angels in human form – things look rough but that indicates someone is scared as they are losing ground –
- put the golden light of protection around yourself – you'll be shown who to reach out to – whether it's a place to live, food to eat,

Rama, Tara: R / T

R: Greetings! Thank you everyone for being here!

T: Thank you, all of you!

- As you are able to donate to keep this going at this hairy time, we are so grateful!
Thank you for that.
- Justice is and will continue to be served

Rama Speaks: **I heard on the [King of Sword's](#) message machine** today, "Remember, Remember the 4th of July!" he said. Similar to "Remember, remember, the 5th of November!" from Guy Fawkes's attempt to blow up the English Parliament in 1605.

T: That refers to an insider who squawked on those characters who were plotting [against the British throne in 1605]. Guy Fawkes was caught with all the explosives, so he was executed.

- Referring to that being the 4th of July now—knowing that we've been told this will be done with Love and in good ways, but I wouldn't put anything past what could happen this Saturday.

R: We can just say, "leave it to the infinite realm of infinite probabilities and possibilities," as Deepak Chopra says.

T: Everybody [in the old power structure- and others too!] knows their day in the sun is waning rapidly!

R: In metaphorical terms, "Dr Who" has told me their time is up—very, very little time is left.

T: The rest of the poem on KOS' message machine:

"Treason and Gunpowder are being cussed and discussed [in the halls of power].
In the words of the Real Planetary Prince: 'Lord, Forgive them, for they know not what they do.' "

- He's referring to the pandemic: they've taken out 1.5 billion people in the last three-quarters of a year.
- I want to refer to [the information compiled by Daniel N. Paul]:

THE DOCTRINES DECREED BY ROMAN CATHOLIC POPES, beginning in 1452, were adopted by European Christian Nations for the purpose of providing them a legal cover to pillage and destroy non-White Civilizations around the World. The citizens of which were indiscriminately slaughtered by the tens of thousands, enslaved, raped, and dehumanized. Daniel N. Paul

T: And in 325 AD, the Nicean Council **after the fact**, declared Yesu [or Yeshua—Jesus of Nazareth] a heretic.

T continues reading from Daniel Paul: "With regard to heretics two points must be observed: one, on their own side; the other, on the side of the Church. On their own side there is the sin, whereby they deserve not only to be separated from the Church by excommunication, but also to be severed from the world by death.

T: Indeed, that's what they did at the time of the apostles, who had been disciples, and were apostles further down the road—they were killing them [the apostles], and they declared the teachings of Christ—Jesus—as heresy.

- We must remember, he was a Palestinian, a person of color. You can see that those who claim to be the true Chosen People, the people of Israel—something close to 94% of everybody living in Israel is not a real Jew.
- The real Hebrews are the Palestinian people, so they [the Israeli government and military] are attempting to eviscerate them [the Palestinian people] from the planet. That's really what's on the table here.
- Everyone of us witnessing this and volunteering to show up for this—we decided to be here in for a reason. We've all been asking ourselves if we lost our minds, to come in at this time. I remember laughing about this, because in the '60s and '70s, those decades, you would just barely get over one tragedy, and another would happen.

- So we're resolving this now, in terms of the turning of the page, where the Children of the Sun, we are One!

TARA continues reading:

"For it is a much graver matter to corrupt the faith which quickens the soul, than to forge money, which supports temporal life. Wherefore if forgers of money and other evil-doers are forthwith condemned to death by the secular authority, much more reason is there for heretics, as soon as they are convicted of heresy, to be not only excommunicated but even put to death.

On the part of the Church, however, there is mercy which looks to the conversion of the wanderer, wherefore she condemns not at once, but "after the first and second admonition," as the Apostle directs: after that, if he is yet stubborn, the Church no longer hoping for his conversion, looks to the salvation of others, by excommunicating him and separating him from the Church, and furthermore delivers him to the secular tribunal to be exterminated thereby from the world by death." - Thomas Aquinas (1271) "

T: Now, this was a different time, back then. SO this time, as Dr Keshe is presenting—playing God to what was going on and putting people to death—that's not going to be a thing here.

- You've been told that, right, Rama, by your folks?
- In other words, we're ending the death penalty!

R: I can just say that the so-called ideologies of the fallen Angels, who played like [they were] messengers from the Office of the Christ, created these fake religions to use mind control and the matrix for thousands, maybe millions of years, leading up to right now, where we're waking up.

- Every day, I am being told by all the folks [who are Rama's contacts], there are so many ships coming in, so many different kingdoms, queendoms, galactic folks, showing up to let us know we're all connected.
- Off on another tangent, **Tom the Cat** explained to me that strange anomalies are going on all over the planet, like those shafts of Light that you showed me, Randy. I asked Tom the Cat. He said those are portals over New York City, over other places. in Texas, and other locations around the planet.

Portals, vortexes, ley lines, song lines, the dragon lines—they're all opening up!

- All the kingdoms are here to say, "We're joining with you to overthrow this empire. Once again, the empire's failing."
- As you might have seen in the last few hours, Jeffrey Epstein's partner-in-crime [Ghislaine Maxwell] has been arrested, and this is a **huge** deal, because this goes right to the top of the 1%, that leads directly into the fallen Angels, and the other controllers of this planet—who **think** they can control the planet for the last 13,000+ years.

T: All [the majority] of our top leaders have had sex with 14-year-olds, and children.

R: It is so horrendous, I don't even know where to go with it, except to say Blaze the Violet Fire! And use the threefold flame of the Office of the Christ with these energies, because it is

intense, and these stories are not pretty.

- It is about this planet's herstory and history, and it's about us getting free from the matrix. The matrix has collapsed, yet they still have this kind of control over the planet, yet they are losing it very quickly.

T: It's a control that's in the minds of the people.

R: Yes. As they continue to pump the fear and the fascination with the dark side—it is failing. I can really say that.

T: The report goes on:

"Yet it is about the fallen Matrix. As it continues to collapse, expect Miracles and Magick of the Most Wonderful kind!

Full Disclosure Now! This is the most intense energy yet, that is coming in now.

As we open our hearts and work with these energies spiritually, we can embrace 100th dimensional energies and shine the Light of a physical Sun out to the world.

All the crystals are saying, "Now is the Time! BLAZE THE VIOLET FIRE!"

From **Monday, June 26**, by the way—which was quite a breakthrough.

Rama speaks: What I am hearing from the Forces of Light and Faction Three White Knights who are working alongside Archangel Michael and His Legions of Angels, is that NESARA is being talked about on Public Radio!

- I heard a show called *Living on the Edge* on Saturday (on a Public Radio station here in Santa Fe), talking about the 40 Note Holders and NESARA!
 - They spoke about St. Germain, and the treasures around the planet that will be brought out once Peace is declared and the galactics' presence is shared on every big and little screen around the Planet!
- And below is a photo of the Crop Circle that showed up in England last week. Portals are opening

all over . . . **We are in a new timeline!**

This was a stunning crop circle that showed up in Ogbourne St George, in Wiltshire UK. Some people know where that is!

<http://thecroppie.co.uk/2020/06/25/2020-circles-smethes-plantation-nr-ogborne-st-george-wiltshire/>

RAMA: It's a very beautiful place. You can just feel the energy emanate up out of the land.

The Meaning of this Crop Circle, from a Master Teacher:

"This IS a Stargate. And it is a Symphony of the number 9 – the Number of **Completion** and **New Beginnings**.

There are 18 petals inside the circle ($1 + 8 = 9$), 18 petals in the larger circle (also equals 9), and 9 in the outermost for a total of 45 which reduces to 9 ($4 + 5$).

Or it may also be viewed as $9 + 9 + 9 = 27 = 9$.

It is telling us that Graduation is near, and it is asking the question of each one of us: 'Are you ready?' "

- Go [here](#) to view a YouTube video of aerial views of this Stargate. It's really powerful.

T: So let's finish today: it goes back to Friday, this situation with the arrest of Ghislaine Maxwell.

"The arrest and indictment of Ghislaine Maxwell was made by the US Attorney's Office for the Southern District of New York, signed by Audrey Strauss, the acting US Attorney for the SDNY. She replaced Geoffrey Berman, after last Friday, when Attorney General Bill Barr and Mr Trump decided to fire him."

- You may recall that Barr falsely claimed Berman resigned. Berman said, "I did not resign," when Barr said he had.

R: And Barr is **directly** connected to Jeffrey Epstein. This goes into the realm of Rupert Murdoch, and Warren Buffett, and Bill Gates and Bill Clinton and Hillary, and Netanyahu, and I could go on—Shelly Adelson, Prince Andrew, Chuck Schumer, other members of the House and the Senate.

- This story goes directly into the other very large stories where, in the last few days, Michael Salla who has a website called Exopolitics—he put out a story about Michael Flynn, who is trying to beg Trump for a pardon. Michael Flynn knows all about the unacknowledged black budget / deep state.
- Michael Flynn is connected with the ICC group—the Intergalactic Corporation Conglomerate. This is tied in with the Secret Space Program, and former Nazis who escaped to Antarctica, then left the planet and went to the Moon and Mars, and I could talk about that for another half hour. That’s another story for another time.
 - But I can just say, Michael Flynn is a little fingernail of the deep state rearing its ugly head. He’s trying to escape, yet he’s just as much covered in blood as the rest of these folks. It’s not good.
- And they are trying to escape—yet—Blaze the Violet Flame! I’ll keep it light.

T: Well, they want both ends. They’re being stretched.

R: Yeah they do. This eclipse could very well be that Feather of Ma’at that lands on the scale, and we know what happens next!

T: And there is this wonderful evening scheduled here, and Dr Keshe—*this was posted [on Facebook] on July 1, "Look at what Mr Keshe wants to propose to everyone’s hospitals!"*

- There are pictures—they’re like a chamber. (See article at the end: **INCLUDES PHOTOS!**)

R: Very similar to what I’ve seen at the healing center in Santa Fe—I forget the name of it.

T: It’s like a hyperbaric chamber. They’re like that, but they have something else inside. This is technology that Mr Keshe wants to propose to every hospital.

“This technology, the person will enter these plasma machines and in 3 minutes they left without COVID and other diseases seen today as unsolved. This machine costs 250,000 Euros. And the United States these days ago bought missiles worth \$1 billion that would buy more than 400 machines like this, and imagine how many lives would be saved every 3 minutes x 400 minutes.

“It would be more or less like this: with a machine every 3 minutes, a person with their health restored x 60 minutes minutes: 180 people x 24 hours hs 4320 people would go through X 30 days machine = 129.600 people, x 12 months means 1,555,200,000 people would be saved annually for each machine, x 400 machines—that the amount the United States spent on missiles that promote mass death stays the question if anyone can do this account?

1 machine saves 1.5 million and a half people a year, right? How many lives a year would be saved with 400 machines like this.

“Once again I ask everyone to research the Keshe foundation and see that everything it is offering humanity and for the good of all nations and our planet. Follow some links from

the Keshe Foundation so that you can research and draw your conclusions.

"The best of the best of <https://www.youtube.com/c/KeshfoundationOrg>

"These units have their own power source so there are no special power requirements needed."

- Research the Keshe Foundation, and see everything it is offering humanity for the good of our planet.
- Go to YouTube.com —See: [keshefoundation.org](https://www.youtube.com/c/KeshfoundationOrg)

T: Then today, **Tom the Cat went on:**

"Meanwhile, the deep state is fighting amongst itself regarding the so-called story that Russians are bribing the Taliban to kill US soldiers in Afghanistan.

"Erik Prince is up to his crown chakra in this story. I cannot really go any further, yet what we can say, is the Academy [used to be called Blackwater]"

R: Private mercenaries.

T: Private mercenaries are doing the same thing they did in Iraq under Mad Dog Mattis. These guys are getting \$200,000 a year to kill US soldiers. So that's what's going on, and they're trying to use the cover story of blaming Russia.

- And that's been the modus operandi for a long, long time, everybody. Time to realize that this doesn't work anymore

R: And I had **an interesting experience with a raven** in the last few days, where this raven showed up, talking and squawking and landed on my arm. And he just sat and talked to me for about 4 minutes, and just squawked and talked, and then took off.

T: Rama even walked for a bit with the bird on his arm!

R: **Tom the Cat** said, "That was a member of the bird tribe, letting you know that the bird tribes are here, with all the other folks to help with the mission!"

CAROLINE: What did Tom the Cat mean by that? How do birds help us?

R: What he means, is the Blue Avians showing up—the Sphere Alliance people that come from the other side of the sun.

T: That was a physical bird, yet spirit of the Blue Avian bird tribe beings from the Stars was part of his message was, coming through.

R: Letting me know that all the kingdoms are participating, and raising the energies up!

T: I think it was Toriana that told us on this last conference call, that birds are singing in the 7th dimension! The sound of the birds singing is bringing 7th dimensional music to our ears.

- And Lord Kuthumi is part of the bird tribes. So all his teachings are what the bird tribe beings

bring in, as we bring ourselves to that consciousness and study Kuthumi's teachings, and particularly when Kuthumi was in the form as Quetzalcoatl, the emerald serpent feathered one, and that represents the Ancient Mayans which are the galactic ones. All these things are dovetailing together now.

R: And the mission is, like Neo said, to wake up out of the Matrix, and realize all we've been taught in this moment has been a bit twisted. We've been living in a dream world that's not exactly aligned with the Office of the Christ. Folks are waking up and going, "Holy shit!"

T: The **whole Plan 2000 is still the policy, here and now.** The people have been seeing in living color that we have a police state where police officers take drugs and then kill people in the public eye, and they get away with it with impunity.

This link takes you to **The Plan 2000 [Armageddon], located in the Archives-Notes tab** on the 2013RainbowRoundtable website

THIS PLAN, LIKE THE DOCTRINE OF DISCOVERY, IS STILL IN EFFECT UNDER THE AUSPICES OF THE VATICAN.

R: There's a t-shirt out there that Trump is pushing. On one side it's got an American bald eagle, and on the other side it's got the symbol of the Nazi eagle and Nazi symbol. [Actually just based on the Nazi symbol.] How blatant is that! I don't really even know what to say about that

SEE ARTICLE AT THE END OF THE NOTES: 2020-07-01 [The New Logo for the Trump 2020 Campaign is out. Please see what inspired it...](#)

T: Well, it goes with the actual policy that we have here, where it says in the "**Global 2000 Report**: " In July of 1980 Secretary of State endorsed as official Carter Administration policy" —and Rama talked to Jimmy Carter about this, and he said, "I'm not proud in any way, shape or form of this, yet the threat was that they would kill my whole family [if I didn't put that policy through]."

As official Carter Administration policy, the Global 2000 Report, which is about, according to Sec of State Edmund Muskie's words, "The elimination of 2 billion beings by the year 2000," which they accomplished.

T: Then in the last ¾ of the year they've killed 1.5 billion people with this pandemic story. They did that by preparing people - I think it was 2014 when we had all this advertising for people to get a vaccine. You could go to your local Walmart and get it for free.

- MILLIONS of people in this country brought their kids and themselves and got these vaccines, and they had something in it that could target these people, and now there's all these kids who are getting it [COVID-19] and dying. Especially around the coastal regions.

So the mission is to completely clear this—we're jumping this hurdle.

- Thomas Ferguson, the head of the Latin American desk at the US State Dept Office of Population Affairs, said in that same report :
"Every hotspot in the third world is failed policy. There is a single theme behind all of our

work. We must reduce population levels. Either governments do it our way, or they will get the kinds of mess that we have in Iran or Beirut.

“Population is a political problem. Once population is out of control [this is their edict—dictatorship], it requires authoritarian, even government – even FASCISM - to reduce it.

“To kill significant numbers, you have to put all the males into fighting, and you have to kill significant numbers of fertile females . . . ”

T: At that time, the International Monetary Fund and the World Bank became the full agency of the New World Order and, to this day, that’s still going on.

“The **leading policies** of the World Bank under Global 2000 supporter Robert McNamara **have been designed to force African nations** not to develop irrigation or any advanced farming techniques, rather to rely on labor-intensive low technologies.”

- So the entirety of the story is to end Rome burning in Washington DC and the seat of power in this world. Remember the Vatican is just the extension of the Roman Empire into the 2020 era. It’s so out of its space-time continuum, because of these higher energies and the people are responding to those energies.
- What’s happening, is that the [human] DNA is actually expanding, and it’s evolving the Divine blueprint of our human bodies back to its original form, where we have the ability to move between third and fifth and higher dimensions, with ease—no death! That’s really the mission right now: to become the remembrance of the Truth of who we are.
- Last year, at the end of July 31, 2019 they [St Germain and the Ascended Masters] pretty much made a strong statement that the 3rd dimensional way of being in the world has ended, yet that has to be up to us who understand this and who are doing the work, to help others understand it.
- So we are the teachers’ teachers’ teachers here!

Dr VINAYAK: Recommends a You Tube that discusses our mission:

A Succinct 10 minute Monologue by Dr Zack Bush: **5 Questions with Zack Bush** –

V: On the same YouTube page, you’ll find also information about our mission – either wake up in the now moment and take our bodies with us in ascension, or choose to drop this body and get a new one and start over – will be in another location, not this earth.

Questions about starting over and what that means: to sum it up:

T: 3D reality at the higher levels ended last year on July 31, 2019

- The 5th dimension is here and the new earth is already here. The free will of those of us here will not be violated: should people choose to leave and drop their bodies, they are free to do so.

- 5th Dimension is here – an example is Rama’s experience with the raven out of the blue – those kinds of things tell us the 5th dimension is here, not down the road – all kinds of beings are showing up to let us know that they are helping us
- There are many who have grasped the teachings of the Ascended Masters and are literally living in that dimension. It just means that our consciousness is 5D in the world and we are able to exude that energy and we can teach in whatever medium we are in – that’s different than just 3D!

HOOR 2 Guest Nicolai Holbrecker Interviewed by Randy Miller

PLEASE LISTEN TO THE ENTIRE INTERVIEW: MUCH WAS BEING SAID THAT DID NOT MAKE IT INTO THE NOTES due to the speed of the discussion -

First what Mr Keshe said: Repeat of what was played earlier

NH: an exciting day because of the announcement and bringing forth that technology

RM: can be sure that Mr Keshe has every detail correct

and what we have to understand: Keshe will write it so it can be understood

one of the things is how the energy of the virus was making calcification

The only material that can be relied on is what comes from the Keshe FDN

NH: what is exciting is that this opens the door for everything else: everyone on the planet has been taken by surprise

- and the Keshe Fdn has opened the way into the new science and technology to be brought forward.
- Newcomers often think it has to do only with healing the virus results – but it is really about a lot more:

- **a quick summary of what Keshe is saying:**

It’s Mr Keshe – he’s not technically a DR – yet the universal that comes throughout

- Last night’s announcement: can hear the excitement in his voice
- the release of the report will be thru one or the other of 2 channels and make sure it goes out in the format that suits all the gov’ts on the planet – his way is to work from within – both on a personal level and the gov’t level:
- struck a chord with him that Tesla gave away pieces of the technology to different pieces of the puzzle to the world and they had to work together to put it together –
 - same thing here: to release in Iran, the US China and Africa – get to release across the world and not use it for foul play
- as for the release of the information – need to see it first to see what was written – and there was lot of info in the teaching too

RM: the paper encompasses not just the technology – but all that has been going on for many many years – he won’t let it out until he knows it is perfect.

- Tesla built things in his mind and broke it in his mind and when it was unbreakable he made it once.

Mr Keshe: I don’t go to the doorman, I go directly to the Creator

when Creator speak, he listens so he can speak absolute truth

RM: what is your plasma suit?

NH: mention Mr Keshe choosing his words very carefully – grew up in the UK and Iran – there is a cadence to the way he speaks and he waits for the right word to show up – and that is how he makes his technologies. The only time they hear about a technology is when it's done – there is a background affected by any little change – the Foundation works to bring the whole planet along

- a silver Tyvec suit – they are to used for emergency – if they get sick – apply the GANS water on the cotton on the inside of the suit, then zip up the suit again – all that shows is his face
- Describes how he used it

VIN: how long has he been working with Mr Keshe? And more background on NH

NH: was attracted to the Fdn as a result of shoulder injuries – 1.5 years of being bedridden and doing research – found the K Fdn and the Keshe Fdn – 2019 started the first part of his education with the Fdn.

- The first thing was Mr Keshe's voice exciting to hear about the technologies and such but hadn't seen anything in the world. As he listened to the voice - in particular through the full teaching classes – was about the soul, our existence on the planet, how we created our bodies and our life -
- what would he recommend in terms of bringing them up to speed with the technology and the info on the spirit, the soul and why we're here - A particular website

NH: have just finished the 335th workshop – around 4 hours in length

- in the private teachings about 5000 hours of his teaching
- we actually need to come together to put the info
- the Keshe Fdn has a You Tube platform
 - for new comers to get a grasp – will be difficult – jump into the most recent teaching, listen and really pay attention.
 - There are also videos that are more basic: about 20 or so teaching which are beginner based;
 - also a kids section – they are very beautiful – 22 videos there
 - also an intro *Understanding Plasma Science* – about 11 of those workshops – have all been translated

T: has never heard of anyone else except Mr Keshe having developed his own space ship technology – has NH seen any of this?

NH: has not been in any kind of UFO – what they are talking about space technology – it is how the idea is to clean up our planet first – and Mr Keshe has a goal that March 31 2021 to be deep space travel – will find out about it

- the space technologies are the – the K F you tube pages will find the Keshe Product
 - the Keshe GANS capturing equipment – this is a simple science but there is a lot to it
 - as we move into the universal community, we can't be like we are now! We can't go onto a new planet and think about killing any animal we might see there
 - describes the two souls – one in our brain, and the other in our body
 - why we need to eat so much – has to do with the diff in strength

Look at what Mr. Keshe wants to propose to everyone's hospitals, this technology. The person will enter these plasma machines and in 3 minutes they left without COVID and other diseases seen today as unsolved. This machine costs 250.000,00 thousand euros and the United States us these days ago bought missiles worth \$ 1 billion that would buy more than 400 machines like this; imagine how many lives would be saved every 3 minutes of minutes

It would be more or less like this, with a machine every 3 minutes a person with their health restored x 60 minutes 180 people x 24 hours - 4320 people would go through the X 30 days machine = 129,600 people, x 12 months means 1,555,200,00 people would be saved annually for each machine, X 400 machines - that's the amount the United States us spent on missiles that promote mass death stays the question if anyone can do this account? 1 machine saves 1,5 million and a half people a year, right? How many lives a year would be saved with 400 machines like this?

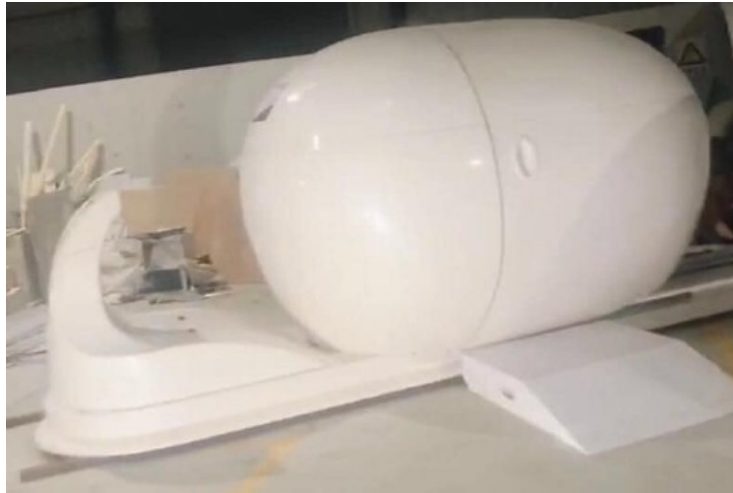

So once again I ask everyone to research the keshe foundation and see that everything it is offering humanity and for the good of all nations and our planet. [What] follows [are] some links from the Keshe Foundation so that you can research and draw your conclusions gratitude 🙏🙏🙏🙏

I saw this on Twitter and I couldn't believe it. So I strolled on over (for the first time, mind you) to the Donald J Trump website. I won't provide the link...I think it gives your computer kooties. But if you do go, click on the "shop" button near the top right of the website. There, you will find this handsome skinhead modeling the latest in Trump fashion. It's \$30 if you're interested. At first it looks innocuous. But wait.

This looks vaguely familiar...

Here you have your lovely girl next door modeling the look. She really pulls it off too. Is she even old enough to vote?

But here is where it gets, er, interesting.

They're not even hiding it anymore. This is not a dog whistle, but a dog bullhorn. This makes me nauseous.
