

**2021-11-11 Rama's White Knight Report  
November 5 - November 11, 2021**

**NOVEMBER 11, 2021**

**To our readers: Rama's White Knights Report**, for the most part, will present information from Rama's contacts on very current events. Sometimes, additional commentary may show up, in the form of more explanation about an important issue, or as an article inserted to provide more insight on the subject being presented.

This report was presented on the Ashtar Legacy Call, Tuesday, November 9, 2021, with material from the previous week included.

I received a **text message this morning from Tom the Ring-tailed Cat; Larry, Curly & Mo, Rosa from Palestine and Sweet Angelique the Cat**. They were calling from outside of the UN COP26 Climate Summit building in Glasgow, Scotland. It was 11:25 am DST this morning. All these galactic folks shape-shifted to look like young people, joining 1000s and 1000s of youth and Greta Thunberg in Glasgow to protest for action on climate change.

**Tom said** to me: Lord Rama, COP 26 is a green whitewash - lots of talk and empty promises. The 13 families are being exposed by all the young people.

**Rosa said**: "At this point, as we work with the elementals and the sacred geometry, we can change this story now. All we need is love. All the forces of Light are here. Send more LOVE! Sat Nam! Namaste! Blaze the Violet Fire!"

In order to develop our mind, we must look at a deeper level. Everyone seeks happiness, joyfulness, but from outside—from money, from power, from big car, from big house. Most people never pay much attention to the ultimate source of a happy life, which is inside, not outside.

I received a **text message from the King of Swords** at noon today. He said to me:

"Lord Rama, go listen to Bruce Lipton with Commander Kryon; it is amazing! Blaze the Violet Fire! Namaste!"

Please don't think that compassion, love and tolerance only belong to religion. They belong to human life. From compassion we develop self-confidence; that brings inner strength, allowing us to act with transparency and candour.

Tuesday

I received a **call from Tom the Ring-Tailed Cat; Larry, Curly & Mo; Rosa from Palestine, and Sweet Angelique the Cat – again!** It was 11:39 am this morning. They all said to me:

"Lord Rama, the solar flares are getting very intense! We were at Stonehenge at this day – again! You can see that the Light coming in is different. Last night we were in our shuttle craft over Norway – huge solar flares were seen by all! Some of these Solar flares were Class 2 flares, meaning they could cause radio black outs and huge Aurora Borealis.

"As we approach 11:11, stay in our high heart because it is going to get even more intense! The Dark Side is pushing, and the solar flares are also raising the energies up. All around the galaxy, we are in the spot light. Ascension is happening, and the Dark Side is powerless to stop it. **WE HAVE WON !!!**

"Continue to look up. We are here! Call on us, as Lord Michael has said: "Expect magic and miracles with this 11:11 gateway. Sat Nam! Namaste! Blaze the Violet Fire!"

I received **a call from the Poppy Lady** at 11:45 am this morning. She was on the ground in northern Afghanistan near the Iranian border. She said to me:

"Myself, Fingdel Nour and some crew members of the shuttle craft are here, helping the Afghani civilians to board the shuttle craft and be taken to an undisclosed location in Iran, where they and their families get safe shelter, healthy food, clean water and medicine as needed.

"The situation in Afghanistan is horrendous because of the CIA's control of the Taliban, compliments of the US Deep State. Please put all of these situations in the Circle of Support."

The Poppy Lady continued: "I can tell you, Lord Rama, as I saw the new moon rising the other night, I could also see all the semi-cloaked star ships of all the angels and the Masters that are here in our midst. Even though it looks as painful and dark as it is, we have, indeed, won! The Captain is here.

"Enshallah! Namaste! Blaze the Violet Fire!"

**2021-11-11            Thursday**

I received a **text message from Abby Martin** just after noon today. She said to me:

"Lord Rama, Ms AOC has set herself apart from the Democratic Leadership, agreeing with me that carbon emissions from the US military should be included in the Build Back Better plan."

Then I received **a text message from Mr X** at 12:20 pm this afternoon. He said to me: "Lord Rama, Ms AOC is standing in her power. She could very well be the next Speaker of the House. Blaze the Violet Fire! Sat Nam! Namaste!"
